Dear Resident:

In August 2004, the Village Board approved “No Parking” restrictions on the south side of 165th Street from LaGrange Road west to the dead end to prevent parking on both sides of 165th Street by moviegoers and others who may potentially interfere with emergency equipment serving Alden and other locations. Since that time, Marcus Theatres has constructed a garage for their patrons and at the same time, almost all of the business offices along 165th Street have become fully occupied.

The business owners along 165th Street have requested that we remove the no parking restrictions on the south side of 165th Street from LaGrange Road to 97th Avenue in order to accommodate more parking for their clients. The Orland Fire Protection District has been consulted and has no problems with this change as long as we continue to restrict parking on the south side of 165th Street west of 97th Avenue to the dead end.

Please feel free to contact Lt. James Bianchi our Traffic Unit Supervisor at 708-349-4111 or you may also contact him at jbianchi@orland-park.il.us if you have an input in regard to this matter. No action will be taken on this matter before June 8th.

Sincerely,

Timothy J. McCarthy

Orland Park Police Department
