SECTION 5: INDEMNIFICATION AND INSURANCE: To the fullest extent permitted by law, the Contractor shall defend, indemnify and hold harmless Village, its trustees, officers, agents and employees, from and against all claims, damages, losses, costs, expenses, judgments and liabilities, including but not limited to attorney's fees, costs and expenses, arising out of or in connection with Contractor's performance of or failure to perform this Agreement, provided that any such claim, damage, loss, costs, expenses, judgments or liabilities are attributable to bodily injury, sickness, disease or death, or to injury or destruction of tangible personal property, including the loss of use resulting therefrom, that is caused in whole or in part by any act or omission of the Contractor, any sub-Contractor, anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable.

In the event such indemnity as described above is prohibited by law, then said indemnity shall only be to the extent caused by the negligent acts or omissions of the Contractor, sub-Contractors, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, or to the extent allowed by applicable law.

The indemnification obligation under this paragraph shall not be limited in any way by any limitations on the amount or type of damages, compensation or benefits payable by or for the benefit of Contractor or any indemnities under any Worker's Compensation Act, Occupational Disease Act, Disability Benefits Act, or any other employee benefits act. Contractor agrees that in the event it fails to incorporate such a waiver of liability limitation in its agreements with said Sub-contractors and others, then it will be responsible for any additional liability arising out of said failure. The defense and indemnification obligations set forth in this provision shall survive the termination or expiration of this Agreement.

Contractor further agrees that all future contracts in furtherance of this contract between Contractor and any of its Sub-contractors will designate the Village as an intended third party beneficiary of that contract. Contractor hereby agrees to specifically label Village as an "intended third party beneficiary" in all contracts entered in furtherance of this contract.

Terms and General Conditions for the Contract between THE VILLAGE OF ORLAND PARK (the "VILLAGE") and CENTRAL BLACKTOP CO., INC. (the "CONTRACTOR") for PARK STATION BOULEVARD ENTRANCE PAVEMENT (the "WORK") dated **January 25, 2008** (the "CONTRACT").

ARTICLE 1: DUTIES OF THE PARTIES

1.1 VILLAGE'S RIGHTS AND DUTIES

- 1.1.1 Upon request of the Contractor the Village shall furnish, with reasonable promptness, information necessary for the performance of the Work of the Contract including, where needed, land surveys showing boundaries, topography, the location of utilities and a legal description of the site where the Work is to be performed.
- 1.1.2 The Village shall furnish access to its buildings and the site of the Work as is necessary for the performance of the Work and shall provide, at its own expense, as needed, temporary or permanent easements, zoning and other requirements including removal of encumbrances on the land needed to permit performance of the Work.
- 1.1.3 The Village shall have the right to stop the Work by a written order should the Contractor fail to correct Work not in accordance with the Contract Documents which will remain in effect until the Work is corrected without giving rise to any duty on the part of the Village to stop the Work for the benefit of the Contractor or any other entity.
- 1.1.4 The Village may, if the Contractor does not correct Work to make it conform to the Contract Documents, or cure a default, with reasonable promptness after receiving a written notice from the Village, correct the default itself and deduct the reasonable cost of the correction or cure from the amounts owed to the Contractor.

1.2 CONTRACTOR'S RIGHTS AND DUTIES

- 1.2.1 The Contractor shall perform the Work in accordance with the Contract Documents.
- 1.2.2 The Contractor shall examine existing conditions and take field measurements to facilitate the performance of the Work and shall report to the Village or, where applicable, to the Architect, any errors, inconsistencies or omissions discovered. Contractor is not required to determine whether the Contract Documents conform to applicable local, state or federal statutes, ordinances, codes, rules or regulations, but where such nonconformity is found, Contractor shall report such to the Village, or where applicable, to the Architect.
- 1.2.3 Contractor shall pay for all material and labor necessary for the performance of the Work and, unless agreed otherwise with the Village in a separate written document, for all utilities required such as light, heat and water.
- 1.2.4 Contractor warrants that the Work shall contain material and equipment of good quality that is new and that the Work and workmanship shall be free from defects for one (1) year after final payment or the length of time guaranteed under the warranty provided by the Contractor, whichever is greater. Where there are deficiencies, Contractor agrees to correct them with reasonable promptness after receiving notice of said deficiencies from the Village. All manufacturers' guarantees and warranties shall

be delivered to the Village prior to the issuance of final payment.

- 1.2.5 Contractor shall work expeditiously to complete the Work by the agreed upon date and, where necessary to accomplish that goal, shall work overtime without additional compensation.
- 1.2.6 Contractor shall seek, obtain and pay for all required building permits, licenses, and governmental inspections of the Work.
- 1.2.7 Contractor shall comply with all local, state and federal statutes, ordinances, codes, rules, regulations and all case law pertaining to the performance of the Work, including but not limited to all of the applicable provisions of the Illinois Prevailing Wage Act (820 ILCS 130/1 *et seq.*) and the Illinois Human Rights Act (775 ILCS 5/1-01 *et seq.*) Neither the Contractor nor its Subcontractors shall engage in any prohibited form of discrimination in employment as defined in the Illinois Human Rights Act. The Contractor shall maintain, and require that its Subcontractors maintain, policies of equal employment opportunity which shall prohibit discrimination against any employee or applicant for employment on the basis of race, religion, color, sex, national origin, ancestry, citizenship status, age, marital status, physical or mental disability unrelated to the individual's ability to perform the essential functions of the job, association with a person with a disability, or unfavorable discharge from military service. Contractors and all Subcontractors shall comply with all requirements of the Act including maintaining a sexual harassment policy and of the Rules of the Illinois Department of Human Rights with regard to posting information on employees' rights under the Act. Contractors and all Subcontractors shall place appropriate statements identifying their companies as equal opportunity employers in all advertisements for workers to be employed in work to be performed under the Contract.
- 1.2.8 Contractor will not be relieved of any obligation to the Village due to failure to examine or receive documents, visit or become familiar with conditions or from facts of which Contractor should have been aware and Village, as existing law may allow, shall reject all claims related thereto.

ARTICLE 2: CONTRACT DOCUMENTS

2.1 The Contract Documents consist of the following items:

- .1 Agreement between the parties
- .2 Terms and General Conditions to the Agreement
- .3 Special Conditions to the Agreement, if any
- .4 The Proposal submitted by Contractor on October 16, 2007 to the extent it does not conflict with this contract.
- .5 Specifications and Drawings prepared by B.E. Burke Engineering, revised August 23, 2007
- .6 Required Certifications including
- .7 Required Certificates of Insurance
- .8 Required Performance and Payment Bonds

ARTICLE 3: PAYMENTS AND COMPLETION

3.1 The Village requires for each Application for Payment, a properly completed Contractor's Affidavit setting out, under oath, the name, address and amount due or to become due, of each subcontractor, vendor, supplier or other appropriate party included in that payment. For every party listed the Contractor shall also provide a full or partial waiver of lien, as appropriate, before a payment will be made to the Contractor. The Contractor's partial or final waiver of lien must be included. Payment certificates shall not be issued by Architect or payment shall not be made by the Village without such mechanics' lien waivers and contractors' sworn statements unless they are conditioned upon receipt of such waivers and statements.

3.2 No certificate shall be issued in favor of the Contractor and no payment will be made by the Village for material not actually installed and built into the Work without written authorization for the Village.

3.3 Upon satisfaction of the terms and conditions of the Contract, the Contractor agrees to provide the Village with a final release and waiver of all liens covering all of the Work performed under the Contract relative to the project prior to issuance of final payment. Said final waiver of lien shall identify and state that all Subcontractors have been paid in full and there are no contract balances outstanding and owed to any Subcontractor.

3.4 All payments shall be made to Contractor by Village pursuant to the provisions of the Local Government Prompt Payment Act (50 ILCS 505/1 *et seq.*)

ARTICLE 4: TAXES

4.1 The Village is a public body and is exempt from excise, sales and use taxes and will furnish Contractor with exemption numbers as required. Contractor shall not include any such taxes in its cost figures.

ARTICLE 5: INSPECTION OF MATERIALS

5.1 The Village shall have a right to inspect any materials or equipment to be used in carrying out this contract. The Contractor shall be responsible for the contracted quality and standards of all materials, equipment, components or completed work finished under this contract up to the time of final acceptance by the Village. Materials, equipment, components or completed work not complying therewith may be rejected by the Village and shall be removed and replaced by the Contractor at no cost to the Village.

ARTICLE 6: ASSIGNMENT

6.1 The Contractor's duties and obligations under the Contract shall not be assigned without the express written consent of the Village.

6.2 Work not performed by the Contractor with its own forces shall be performed by Subcontractors or Sub-subcontractors. The Contractor shall be responsible for management of the Subcontractors in the performance of their Work.

6.3 The Contractor shall not contract with anyone to whom the Village has a reasonable objection.

6.4 The Contractor shall prepare all Subcontracts and shall have full discretion to negotiate their terms, subject to the Village's reasonable requirements or objections as to form and content.

6.5 By appropriate agreement, written where legally required for validity, the Contractor shall require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Contractor by terms of the Contract Documents, and to assume toward the Contractor all the obligations and responsibilities, including the responsibility for safety of the Subcontractor's Work, which the Contractor, by these Documents, assumes toward the Village. Each subcontract agreement shall preserve and protect the rights of the Village under the Contract Documents with respect to the work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights, and shall allow to the Subcontractor, unless specifically provided otherwise in the subcontract agreement, the benefit of all rights, remedies and redress against the Contractor that the Contractor, by the Contract Documents, has against the Village. Where appropriate, the Contractor shall require each Subcontractor to enter into similar agreements with Sub-subcontractors. The Contractor shall make available to each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and, upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement which may be at variance with the Contract Documents. Subcontractors will similarly make copies of applicable portions of such documents available to their respective proposed Sub-subcontractors.

ARTICLE 7: GUARANTEES AND WARRANTIES

7.1 All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Village before final voucher on the contract is issued.

7.2 Contractor shall supply the Village with "as-built" plans prior to the Village making the final payment.

ARTICLE 8: DEFAULT

8.1 If the Contractor fails to begin the work under this contract within the time specified, or fails to perform the Work with sufficient workmen, equipment or materials to insure the completion of said Work within the specified time, or shall perform the work in an unsatisfactory manner, or shall neglect or refuse to remove materials or perform anew such work as shall be rejected as defective or unsuitable by reason of defect in material or workmanship or by reason of noncompliance with the specifications, or shall discontinue the prosecution of the Work, or if the Contractor shall become insolvent or be declared bankrupt, or shall make an assignment for the benefit of creditors, or from any other cause whatsoever shall fail to carry on the Work in an acceptable manner, the Village shall give notice to the Contractor and his surety in writing specifying such failure, delay, neglect, refusal or default, and if the Contractor, within a period of ten (10) calendar days after such notice, shall not proceed in accordance therewith, then the Village shall have full power and authority to declare the forfeiture of this contract, and to forfeit the rights of the Contractor in this contract.

8.2 Upon declaration of Contractor's default, the Village may, at his option, call upon the surety to complete the Work in accordance with the terms of this contract or may take over the Work, including any materials and equipment on the work site as may be suitable and acceptable to the Village and may complete the Work by or on its own force account, or may enter into a new contract for the completion of the Work, or may use such other methods as shall be required for the completion of the Work in an acceptable manner.

8.3 All costs and charges incurred by the Village, together with the cost of completing the work shall be deducted from any moneys due or which may become due on this contract. In case the expense so

incurred by the Village shall be less than the sum which would have been payable under this contract if it had been completed by the Contractor and had not been forfeited by the Village, then the Contractor shall be entitled to receive the difference, and in case such expense shall exceed the sum which would have been payable under this contract, the Contractor and the surety shall be liable and shall pay to the Village the amount of such excess.

ARTICLE 9: DISPUTES AND VENUE

9.1 If an Architect or Engineer has contracted with the Village to administer the Contract between Village and Contractor, disputes shall be handled with the involvement of the Architect or Engineer according to the terms of the contract between the Village and the Architect or Engineer and any reference made herein to "Architect" shall be read as "Engineer" where applicable. In any other case, disputes concerning a question of fact under the contract shall be expressed in writing by the parties and, if within seven (7) days after receipt of such notice the parties have disposed of the dispute by agreement, the dispute, as it was expressed in writing by the parties, shall be subject to mediation under terms agreed to by the parties. Pending final decision of a dispute hereunder, the parties shall proceed diligently with the performance of the contract.

9.2 Any legal action taken by either party shall be decided based upon the laws of the State of Illinois and venue for such disputes shall be Cook County, Illinois.

ARTICLE 10: CONTRACT TIME

10.1 Time is of the essence of the Contract. Village shall not grant, and Contractor shall not seek damages for delays; however, Village shall grant an increase in the Contract Time for delay not caused by Contractor, its Subcontractors or others for whose actions Contractor is liable.

ARTICLE 11: INSURANCE AND INDEMNIFICATION

11.1 Insurance Requirements

11.1.1 The successful proposer shall, within ten (10) days of said receipt of notice of award of the contract, furnish to the Village a certificate of insurance showing the Village, its trustees, officers, directors, agents, employees, representatives and assigns as additional insureds to the General Liability, Automobile liability and Umbrella/Excess Liability insurance policies by appropriate endorsement by Contractor's insurer and evidencing the coverages listed below. Such coverages shall be placed with a provider acceptable to the Village, which is licensed to do business in the State of Illinois, and that maintains a minimum A. M. Best rating of A VII. The insurance coverages afforded under the Contractor's General Liability, Automobile Liability and Umbrella/Excess Liability insurance policies shall be primary and non-contributory to any insurance carried independently by the Indemnitees. The policy(ies) shall contain a Waiver of Subrogation in favor of the Additional Insureds as it applies to General liability and Worker's Compensation. Each policy shall bear an endorsement precluding the cancellation, non-renewal, material modification or reduction of said policies without providing the Village at least thirty (30) days prior notice thereof in writing. All required insurance shall be maintained by the contractor in full force and effect during the life of the contract, and until such time as all work has been approved and accepted by the Village. This provision constitutes the Village's continuing demand for such certificates and endorsement(s) or true and correct copies thereof and

the obligation to provide such insurance coverage shall be in full force and effect during the life of the contract. Failure of the Village to request such certificates and endorsements shall not relieve the Contractor of these obligations to provide insurance.

The amounts and types of insurance required are:

.1 Worker's Compensation: STATUTORY coverage for all persons whom the Contractor may employ directly or through subcontractors in carrying out the work under this contract. Such insurance shall hold the Village free and harmless of all personal injuries of all persons whom the Contractor may employ directly or through Subcontractors.

.2 Employers Liability: \$500,000 minimum liability.

.3 Comprehensive General Liability; including Bodily Injury and Property Damage.

\$1,000,000 Each Occurrence - Combined Single Limit

\$2,000,000 Aggregate - Completed Operations

\$2,000,000 Each Occurrence - Blanket Contractual Liability

.4 Comprehensive Automobile Liability, Owned, Non-owned and Hired:

\$1,000,000 for Combined Single Limit.

.5 Umbrella/Excess Liability:

\$2,000,000 Each Occurrence

11.1.2 Contractor shall cause each Subcontractor to maintain insurance of the type specified above. When requested by the Village, Contractor shall furnish copies of certificates of insurance evidencing coverage for each Subcontractor.

11.2 Indemnification

11.2.1 The CONTRACTOR shall indemnify and hold harmless the VILLAGE, its trustees, officers, directors, agents, employees and representatives and assigns, from lawsuits, actions, costs (including attorneys' fees), claims or liability of any character, incurred due to the alleged negligence of the CONTRACTOR, brought because of any injuries or damages received or sustained by any person, persons or property on account of any act or omission, neglect or misconduct of said CONTRACTOR, its officers, agents and/or employees arising out of, or in performance of any of the provisions of the CONTRACT DOCUMENTS, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or recovered under the "Worker's Compensation Act" or any other law, ordinance, order or decree. In connection with any such claims, lawsuits, actions or liabilities, the VILLAGE, its trustees, officers, directors, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice. The CONTRACTOR shall be solely liable for all costs of such defense and for all expenses, fees, judgments, settlements and all other costs arising out of such claims, lawsuits, actions or liabilities.

11.2.2 The Contractor shall not make any settlement or compromise of a lawsuit or claim, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the Village and any other indemnified party. The Village or any other indemnified party, in its or their sole discretion, shall have the option of being represented by its or their own counsel. If this option is exercised, then the Contractor shall promptly reimburse the Village or other indemnified party, upon written demand, for any expenses, including but not limited to court costs, reasonable attorneys' and witnesses' fees and other expenses of litigation incurred by the Village or other indemnified party in connection therewith.

ARTICLE 12: PERFORMANCE AND PAYMENT BONDS

12.1 The Contractor shall furnish Performance and Payment Bonds acceptable to the Village in the full amount of the Contract. Bonds shall be from a surety licensed to do business in Illinois and said surety shall have a minimum A.M. Best rating of A-V. Each Bond shall require a time period during which the Bond can be called limited only to the extent required by Illinois law.

ARTICLE 13: EXECUTION OF CONTRACT

13.1 Execution of the Contract between Village and Contractor is contingent upon receipt of required Certificates of Insurance, required signed certifications and required Performance and Payment Bonds.

ARTICLE 14: CHANGES IN THE WORK

14.1 All changes in the Work must be approved by the Village in a written document. Any change order or series of change orders that increase or decrease the Contract Sum by a total of \$10,000 or more or that increase or decrease the Contract Time by thirty (30) days or more must be accompanied by a written determination signed by the Village or its designee finding that the change was not reasonably foreseeable at the time the contract was signed, the change is germane to the Contract or the change is in the best interest of the Village. New Requests for Proposals must be issued by the Village as required by law for any change increasing the original Contract Sum by fifty percent (50%) or more.

ARTICLE 15: TERMINATION

15.1 The Village may, at any time, terminate the Contract for the Village's convenience and without cause upon written notice to the Contractor and payment for all Work directed to be performed prior to the effective date of termination along with reasonable overhead and profit.

EQUAL EMPLOYMENT OPPORTUNITY

Section I. This EQUAL EMPLOYMENT OPPORTUNITY CLAUSE is required by the Illinois Human Rights Act and the Rules and Regulations of the Illinois Department of Human Rights published at 44 Illinois Administrative Code Section 750, et seq.

Section II. In the event of the Contractor's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Human Right Act, or the Rules and Regulations for Public Contracts of the Department of Human Rights (hereinafter referred to as the Department) the Contractor may be declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this agreement may be canceled or avoided in whole or in part, and such other sanctions or penalties may be imposed or remedies involved as provided by statute or regulation.

During the performance of this Agreement, the Contractor agrees:

A. That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or ancestry; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.

B. That, if it hires additional employees in order to perform this Agreement, or any portion hereof, it will determine the availability (in accordance with the Department's Rules and Regulations for Public Contracts) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.

C. That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, marital status, national origin or ancestry, age, or physical or mental handicap unrelated to ability, or an unfavorable discharge from military service.

D. That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Contractor's obligations under the Illinois Human Rights Act and Department's Rules and Regulations for Public Contract.

E. That it will submit reports as required by the Department's Rules and Regulations for Public Contracts, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts.

F. That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and Department for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and Department's Rules and

Regulations for Public Contracts.

G. That it will include verbatim or by reference the provisions of this Equal Employment Opportunity Clause in every subcontract it awards under which any portion of this Agreement obligations are undertaken or assumed, so that such provisions will be binding upon such subcontractor. In the same manner as the other provisions of this Agreement, the Contractor will be liable for compliance with applicable provisions of this clause by such subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply therewith. In addition, the Contractor will not utilize any subcontractor declared by the Illinois Human Rights Department to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

Section III. For the purposes of subsection G of Section II, "subcontract" means any agreement, arrangement or understanding, written or otherwise, between the Contractor and any person under which any portion of the Contractor's obligations under one or more public contracts is performed, undertaken or assumed; the term "subcontract", however, shall not include any agreement, arrangement or understanding in which the parties stand in the relationship of an employer and an employee, or between a Contractor or other organization and its customers.
