The Developer agrees at the time of approval of the Annexation Agreement to grant to the Village, and/or obtain grants to the Village of, all necessary easements for the extension of sewer, water, street, or other utilities, including cable television, or for other improvements, which may serve not only the Subject Property, but other territories in the general area. Also, Developer shall grant a blanket easement to the Village to have access to and the right to maintain any storm water management facilities located on the Subject Property for storm water management purposes. The Village shall have the right, but not the duty, in its discretion to go in and perform such maintenance work if necessary and to charge the Developer for the costs of the same, including the right to record a lien against the Subject Property if such costs are not paid.

All such easements to be granted shall name the Village and/or other appropriate entities designated by the Village as grantee thereunder. It shall be the responsibility of the Developer to obtain all easements, both on site and off site, necessary to serve the Subject Property.

SECTION EIGHT: DEVELOPMENTAL CODES AND ORDINANCES AND GENERAL MATTERS.

The development of the Subject Property annexed, and of each lot respectively encompassed by this Agreement shall be in accordance with the existing building, zoning, subdivision, storm water retention and other developmental codes and ordinances of the Village as they exist on the date each respective permit for development of each lot is issued. Planning and engineering designs and standards, and road construction and dedication of public improvements, shall be in accordance with the then existing ordinances of the Village or in accordance with the statutes and regulations of other governmental agencies having jurisdiction thereof if such standards are more stringent than those of the Village at such time. Notwithstanding the foregoing, the dollar amounts for the contributions set forth in SECTION THREE above shall not be increased during the term of this Agreement; however, all other fees, etc. set forth under the various ordinances of the Village shall be paid by the Developer at the rate set forth in the Village ordinances at the time each permit is issued.

No occupancy permit shall be issued for any building prior to the completion and approval by the Village Engineer of the required public improvements, except for the final surface course of the streets. The Village will not finally accept any public improvements until after the final surface course of asphalt has been placed on the private drive or easement. Provided, however, the construction and installation of the public improvements to be done by Owner may be commenced at any time after Developer has

delivered to Village an irrevocable letter of credit, in a form satisfactory to, and from a bank or other financial institution approved by, the Village in the amount of 125% of the Developer's Engineer's estimate of the cost of construction and installation of all such improvements as approved by the Village Engineer, or 110% of actual construction contract costs, including all required lighting, streets and street lights, sidewalks, landscaping, street trees, sewer and water lines and storm water management facilities. The Village Engineer may, in his discretion, permit the amount of said letter of credit to be reduced, from time to time, as major public improvements are completed.

All public improvements shall be constructed and installed within two (2) years from the date of approval of the Plat of Subdivision; however, if the completion date falls after September 30th, the date shall be the following May 30th. Notwithstanding any other provision of this Agreement, no construction of public improvements shall commence until the plans and specifications for the public improvements have been approved, the agreement for construction of the public improvements as herein provided has been executed, the minimum security has been provided, the requirements of Ordinance No. 2084 have been met, and until documentation, including a copy of the Permit if applicable, or evidence is received by the Village that Developer is not violating a wetland regulation or a regulation relating to waters of the United States and the Developer has shown the Village a permit for building a roadway on a floodplain. Further, no earthwork shall be done in any area tentatively identified as wetlands until an appropriate permit or permission has been obtained and such permit or permission is shown to the Village. The Plat(s) of Subdivision shall contain such restrictive covenants, drainage covenants and easement provisions as are or were required by the President of the Board of Trustees as a condition to approval of the Plat(s) of Subdivision which may be approved in two or more phases.

Developer, at Developer's own cost, agrees to provide the Village "as built" engineering plans and specifications upon substantial completion of the public improvements or at the request of the Village Engineer but in no event later than the time required by Ordinance No. 2084.

It is agreed that all of the public improvements contemplated herein shall upon acceptance thereof by the Village, become the property of Village and be integrated with the municipal facilities now in existence or hereafter constructed and Village thereafter agrees to maintain said public improvements. Acceptance of said public improvements shall be by resolution of the President and Board of Trustees only after the Village Engineer or Village Engineer Consultant has issued his Certificate of Inspection affirming that the improvements have been constructed in accordance with approved Engineering Plans and Specifications. Developer agrees to convey by appropriate instrument and Village agrees to promptly accept, subject to terms hereof, the public improvements constructed in accordance with the approved Engineering Plans and Specifications.

All electricity, telephone, cable television and gas lines shall be installed underground, the location of which underground utilities shall be at the Developer's option but not conflicting with any Village utility.

Owner and Developer further agree that the contributions, dedications, donations and easements required by this Agreement are uniquely attributable to, reasonably related to and made necessary by the development of the Subject Property.

SECTION ELEVEN: BINDING EFFECT AND TERM AND COVENANTS RUNNING WITH THE LAND.

This Agreement shall be binding upon and inure to the benefit of the parties hereto, successor owners of record of the Subject Property, assignees, lessees and upon any successor municipal authorities of said Village and successor municipalities, for a period of seven (7) years from the date of execution hereof and any extended time that may be agreed to by amendment.

The terms and conditions of this Agreement relative to the payment of monies to the various Village recapture funds, contributions to the Village construction and/or dedication of public improvements, granting of easements to the Village, dedication of rights-of-way to the Village and the developmental standards established herein shall constitute covenants which shall run with the land.

As a condition of the issuance of any such provisional occupancy permit, the Developer shall provide the Village with a timetable (acceptable to the Village) for completion of the outstanding work, which timetable shall be deemed a part of the occupancy permit.

SECTION SIXTEEN: PERMITS AND LETTER OF CREDIT.

The Developer shall not be entitled to obtain any building permits, nor any sign permits, and shall not be entitled to construct any model units, signs, sales and/or rental

offices or any other appurtenant facilities unless and until the proper letter of credit or cash deposit has been made to the Village in accordance with the Code. The letter of credit or cash deposit shall specifically include an amount to cover the cost of street trees and sidewalks as required by the Code and this Agreement.

Developer agrees that any dirt stock piles resulting from the development of the Subject Property shall be located in places as designated and approved by the Village, and for reasonable time periods not to exceed the earlier of either five years or the date on which ten (10) of the homes to be built on the Subject Property have been substantially completed, unless an extension is agreed to by the Village. In addition, the Village, after providing Developer with 10 days advance written notice, shall have the right to draw upon the letter of credit provided for in this agreement to relocate or remove any dirt stock pile which results from the development should they not be placed in an approved location or if the pile is causing a storm water drainage problem, or should it not be permitted to remain beyond the time period specified by the Village; provided, however, that the Village will not draw upon the letter of credit if Developer relocates or removes the stock piles as directed by the Village within the 10 day notice period.

SECTION SEVENTEEN: CONVEYANCE, DEDICATION AND DONATION OF REAL ESTATE AND CERTAIN PERSONAL PROPERTY.

Any conveyance, dedication or donation of real estate required of the Developer (hereinafter referred to as Grantor for purposes of this SECTION SEVENTEEN) to the Village or other governmental authority under this Agreement shall be made in conformance with the following requirements and any other applicable provisions of this Agreement:

A. Fee Simple Title. The conveyance, dedication or donation shall be of a fee simple title by trustee's deed or other appropriate instrument.

B. Merchantable Title. Title to the real estate shall be good and marketable.

C. Form and Contents of Deed. The conveyance, dedication or donation shall be by delivery of a good, sufficient and recordable deed, plat of dedication, or appropriate dedication on a recorded plat of subdivision. The deed, conveyance or dedication may be subject only to:

(1) covenants, restrictions and easements of record, provided the same do not render the real estate materially unsuitable for the purposes for which it is being conveyed, dedicated or donated;

(2) terms of this Agreement;

(3) general taxes for the year in which the deed, conveyance or dedication is delivered or made and for the prior year if the amount of prior year's taxes is not determinable at the time of delivery, conveyance or dedication; and

- (4) such other exceptions acceptable to the grantee.

D. Title Insurance. Grantor, shall provide to the Village (hereinafter referred to as Grantee for purposes of this Section), not less than ten (10) days prior to the time for delivery of the deed, conveyance or dedication, a commitment for title insurance from Chicago Title Insurance Company or such other title insurance company acceptable to the Grantee. The commitment for title insurance shall be in usual and customary form subject only to:

- (1) the usual and customary standard exceptions contained therein;
- (2) taxes for the year in which the deed is delivered and for the prior year if the amount of such prior year's taxes is not determinable at the time of delivery of the deed, conveyance or dedication;
- (3) subparagraphs 1 and 2 of paragraph C above; and
- (4) such other exceptions as are acceptable to the grantee.

The commitment for title insurance shall be in the amount of the fair market value of the real estate and shall be dated not less than twenty (20) days prior to the time for delivery of the deed, conveyance or dedication. Grantor shall further cause to be issued within thirty (30) days after delivery of the deed, conveyance or dedication a title insurance policy in such amount from the company issuing the commitment for title insurance, subject only to the exceptions stated above.

All title insurance charges shall be borne by Grantor.

E. Taxes, Liens, Assessments, Etc.

General taxes and all other taxes, assessments, liens and charges of whatever nature affecting the real estate shall be paid and removed prior to delivery of the deed, conveyance or dedication. To the extent that any such item cannot be removed prior to delivery of the deed, conveyance or dedication because the amount of the same cannot then be determined, Grantor hereby covenants that it will promptly pay the same upon determination of such amount and that it will indemnify, hold harmless and defend the Village against any loss or expense, including but not limited to attorneys' fees and expenses of litigation, arising as a result of a breach of the foregoing covenant.

F. Delivery of Deed, Conveyance or Dedication.

To the extent not provided in this Agreement, delivery of the deed, conveyance or dedication shall occur at a date, time and place mutually agreeable to Grantor and Village, otherwise at a date, time and place set by Village not less than thirty (30) days after notice thereof is given by Village to Grantor.

G. Environmental Assessment.

Not less than five days prior to any conveyance, dedication or donation of real estate required under this Agreement, any Village ordinance or other requirement, the Grantor, at its sole cost and expense, shall have caused to be prepared and submitted to the Village, a written report of a site assessment and environmental audit, in scope, form and substance, and prepared by an independent, competent and qualified environmental engineer ("Engineer") satisfactory to the Village (the "Environmental Audit"), and dated not more than sixty (60) days prior to the transfer date, showing the Engineer made all appropriate inquiry into the previous ownership and uses of the property consistent with good commercial and customary practice in an effort to minimize liability, which takes into account and satisfies the "innocent landowner" provision set forth at 42 U.S.C. 96901(35), such that consistent with generally accepted engineering practice and procedure, no evidence or indication came to light which would suggest there was a release of substances on the property which could necessitate an environmental response action, and which demonstrates that the property and the facility complies with, and does not deviate from, all applicable federal, state, county, regional and local environmental statutes, laws, ordinances, rules and regulations, including any licenses, permits or certificates required thereunder.

The Environmental Audit shall also demonstrate that the property and the improvements located thereon, if any, do not contain:

- (1) asbestos in any form;
- (2) urea formaldehyde;
- (3) transformers or other equipment that contain fluid containing polychlorinated biphenyls;
- (4) underground storage tanks, or
- (5) any other chemical, material or substance, the exposure to which is prohibited, limited or regulated by any federal, state, county, regional or local authority (the "Authorities") or which poses a hazard to the health and safety of the occupants of the property or the facility, or the occupants of adjacent property.

The Environmental Audit shall also demonstrate that the property and facility are not, and have not been, the subject of any past, existing or threatened investigation, inquiry or proceeding concerning environmental matters by the Authorities, and that no notice or submission concerning environmental matters has been given or should be given with regard to the property and the facility to the Authorities. The Environmental Audit shall demonstrate that the property and facility are not subject to, or covered by, the requirements of the Emergency Planning and Community Right-To-Know Act of 1986, 42 U.S.C. 11001, et seq., and that the property is not now being used and has never been used for any activities involving directly or indirectly the use, treatment, storage or disposal of any hazardous or toxic chemical, material, substance or waste.

The Grantor of the property and facility acknowledges and agrees that the Village shall not be obligated to take title to any land if, in its sole and exclusive judgment (including without limitations, information revealed by the Environmental Audit), that the use or condition of the property, or any part thereof, poses a material health, safety or environmental hazard.

SECTION EIGHTEEN: REIMBURSEMENT OF VILLAGE FOR LEGAL AND OTHER FEES AND EXPENSES.

A. To Effective Date of Agreement.

The Developer, concurrently with annexation and zoning of the property or so much thereof as required, shall reimburse the Village for the following expenses incurred in the preparation and review of this Agreement, and any ordinances, letters of credit, plats, easements or other documents relating to the Subject Property:

- (1) the costs incurred by the Village for engineering services;
- (2) all attorneys' fees incurred by the Village; and
- (3) miscellaneous Village expenses, such as legal publication costs, recording fees and copying expenses.

B. From and After Effective Date of Agreement.

Except as provided in the paragraph immediately following this paragraph, upon demand by Village made by and through its President, Developer from time to time shall promptly reimburse Village, for all enumerated reasonable expenses and costs incurred by Village in the administration of the Agreement, including and limited to engineering fees, attorneys' fees and out of pocket expenses involving various and sundry matters such as, but not limited to, preparation and publication, if any, of all notices, resolutions, ordinances and other documents required hereunder, and the negotiation and preparation of letters of credit and escrow agreements to be entered into as security for the completion of land improvements.

Such costs and expenses incurred by Village in the administration of the Agreement shall be evidenced to the Owner upon its request, by a sworn statement of the Village; and such costs and expenses may be further confirmed by the Developer at its option from additional documents relevant to determining such costs and expenses as designated from time to time by the Developer.

Notwithstanding the immediately preceding paragraph, Developer shall in no event be required to reimburse Village or pay for any expenses or costs of Village as aforesaid more than once, whether such are reimbursed or paid through special assessment proceedings, through fees established by Village ordinances or otherwise.

In the event that any third party or parties institute any legal proceedings against the Developer and/or the Village, which relate to the terms of this Agreement, then, in that event, the Developer, on notice from Village shall assume, fully and vigorously, the entire defense of such lawsuit and all expenses of whatever nature relating thereto; provided, however:

1. Developer shall not make any settlement or compromise of the lawsuit, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the Village.

2. If the Village, in its sole discretion, determines there is, or may probably be, a conflict of interest between Village and Developer, on an issue of importance to the Village having a potentially substantial adverse effect on the Village, then the Village shall have the option of being represented by its own legal counsel. In the event the Village exercises such option, then Developer shall reimburse the Village from time to time on written demand from the President of Village and notice of the amount due for any expenses, including but not limited to court costs, reasonable attorneys' fees and witnesses' fees, and other expenses of litigation, incurred by the Village in connection therewith. The obligation of Owner to reimburse Village under the terms of this subparagraph 2 shall terminate if no such legal proceedings are brought within one (1) year from the date of the annexation of the Subject Property and, further, such obligation of reimbursement shall not apply if such legal proceedings are based upon alleged errors, omissions or unlawful conduct of Village and not the Developer.

In the event the Village institutes legal proceedings against Developer for violation of this Agreement and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in its judgment all expenses of such legal proceedings incurred by Village, including but not limited to the court costs and reasonable attorneys' fees, witnesses' fees, etc., incurred by the Village in connection therewith. Developer may, in its sole discretion, appeal any such judgment rendered in favor of the Village against Developer.

SECTION NINETEEN: WARRANTIES AND REPRESENTATIONS.

The Owner and Developer represent and warrant to the Village as follows:

1. That the Custodian-Trustee-Owner identified on page 1 hereof are the legal titleholders and the owner of record of the Subject Property, and that RAYMOND G. DIGNAN and SUSAN M. DIGNAN are the beneficiaries thereof as to Parcels 1 and 2 and RAYMOND G. DIGNAN CONSTRUCTION CO. is the beneficiary thereof as to Parcels 3 and 4.

2. That the Developer proposes to develop the Subject Property in the manner contemplated under this Agreement.

3. That other than the Owner and Developer no other entity or person has any ownership interest in the Subject Property or its development as herein proposed.

4. That Owner and Developer have provided the legal descriptions of the Subject Property set forth in this Agreement and the attached Exhibits and that said legal descriptions are accurate and correct.

SECTION TWENTY: CONTINUITY OF OBLIGATIONS.

Notwithstanding any provision of this Agreement to the contrary, including but not limited to the sale and/or conveyance of all or any part of the Subject Property by Developer, Developer shall at all times during the term of this Agreement remain liable to Village for the faithful performance of all obligations imposed upon them by this Agreement until such obligations have been fully performed or until Village, at its sole option, has otherwise released Developer and from any or all of such obligations.

SECTION TWENTY-ONE: NO WAIVER OR RELINQUISHMENT OF RIGHT TO ENFORCE AGREEMENT.

Failure of any party to this Agreement to insist upon the strict and prompt performance of the terms covenants, agreements, and conditions herein contained, or any of them, upon any other party imposed, shall not constitute or be construed as a waiver or relinquishment of any party's right thereafter to enforce any such term, covenant, agreement or condition, but the same shall continue in full force and effect.

SECTION TWENTY-TWO: VILLAGE APPROVAL OR DIRECTION.

Where Village approval or direction is required by this Agreement, such approval or direction means the approval or direction of the Corporate Authorities of the Village unless otherwise expressly provided or required by law, and any such approval may be required to be given only after and if all requirements for granting such approval have been met unless such requirements are inconsistent with this Agreement.

SECTION TWENTY-THREE: SINGULAR AND PLURAL.

Wherever appropriate in this Agreement, the singular shall include the plural, and the plural shall include the singular.

SECTION TWENTY-FOUR: SECTION HEADINGS AND SUBHEADINGS.

All section headings or other headings in this Agreement are for general aid of the reader and shall not limit the plain meaning or application of any of the provisions thereunder whether covered or relevant to such heading or not.

SECTION TWENTY-FIVE: RECORDING.

A copy of this Agreement and any amendments thereto shall be recorded by the Village at the expense of the Developer.

SECTION TWENTY-SIX: AUTHORIZATION TO EXECUTE.

The President and Clerk of the Village hereby warrant that they have been lawfully authorized by the Village Board of the Village to execute this Agreement. The Owner, Developer and Village shall, upon request, deliver to each other at the respective time such entities cause their authorized agents to affix their signatures hereto copies of all bylaws, resolutions, ordinances, partnership agreements, letters of direction or other documents required to legally evidence the authority to so execute this Agreement on behalf of the respective parties.

Except as herein otherwise provided, no subsequent alteration, amendment, change or addition to this Agreement shall be binding upon the parties hereto unless authorized in accordance with law and reduced in writing and signed by them.

In the event of a conflict in the provisions of the text of this Agreement and the Exhibits attached hereto, the text of the Agreement shall control and govern.

SECTION THIRTY-ONE: SEVERABILITY.

If any provision of this Agreement is held invalid by a court of competent jurisdiction or in the event such a court shall determine that the Village does not have the power to perform any such provision, such provision shall be deemed to be excised herefrom and the invalidity thereof shall not affect any of the other provisions contained herein, and such judgment or decree shall relieve Village from performance under such invalid provision of this Agreement

This Annexation Agreement shall be binding upon and inure to the benefit of the parties hereto and the successors and assigns of Owner and Developer, and upon any successor Corporate Authorities of the Village and successor municipalities for a period of seven (7) years from the date of execution hereof and shall constitute a covenant running with the land. It is agreed that, to the extent permitted by law, in the event the annexation of the Subject Property or this Agreement or zoning of any part of the Subject Property is challenged in any court proceeding which shall reasonably delay the development of the Subject Property, the period of time during which such litigation is pending shall not be included in calculating the said seven (7) year term. It is expressly understood and agreed that Owner or Developer may sell or convey all or any part of the Subject Property for the purposes of development, and upon each sale or conveyance, the purchaser shall be bound by and entitled to the benefits of this Agreement with respect to the part of the Subject Property sold or conveyed. When any such purchaser agrees to assume Owner's and Developer's obligations hereunder, and where the Village is notified of such purchase and agreement, the Village hereby covenants and agrees that it shall consent to such assumption, and that it shall release Owner and/or Developer from their obligations hereunder with respect to that part of the Subject Property so purchased. Owner, however, may only be released where (i) provision has been made providing that all public improvements of the parcel sold will be installed and guaranteed which are reasonably required by this Agreement, the Code or Village ordinances for the efficient and healthful development of the parcel being separately developed, (ii) the Owner's interest in remaining parcels or some other guarantee of performance is present to assure the Village that any obligations assumed in this Agreement and not yet satisfactorily completed or performed by the Owner arising out of any portion of the Subject Property being annexed herein will be completed; (iii) the specific facts and terms of assignment are made known to the Village and the Village approves such assignment by corporate resolution; and (iv) the Village shall not unreasonably exercise its right of release herein and shall consider only those factors set forth in this Paragraph.

The Village, Owner and Developer agree that to the extent permitted by law, the time for performance of any obligation herein contained may be extended by the mutual agreement of the parties without the necessity of amending this Annexation Agreement. The Village, Owner and Developer shall be excused from any obligations under this Agreement to the extent to which either is prohibited from fulfilling such obligation, or required to take an action inconsistent with a provision of this Agreement because of a

lawful order or other action by a superior governmental authority. The Village, Owner and Developer shall give notice to the other if either receives notice or has knowledge of the taking or proposed taking of such action by a superior governmental authority. Upon the request of the other party, either party may agree to contest such order or other action by judicial or other proceedings, provided the other party equitably participated in the reasonable expenses of such interest.

SECTION THIRTY-FOUR: INCORPORATION OF RECITALS.

The Introduction and Recitals are hereby incorporated into this Agreement.

SECTION THIRTY-FIVE: MUTUAL ASSISTANCE.

Any and all representations, warranties, indemnifications, covenants, undertakings, and agreements contained herein shall survive the annexation of the Subject Property and shall not be merged or extinguished by the annexation of the Subject Property or any part thereof to the Village.

The Parties hereto agree that this Agreement and/or any Exhibits attached hereto may be amended only by mutual consent of the Parties, by adoption of an ordinance or resolution of the Village approving said amendment, as provided by law, and the execution of said amendment by all of the Parties or their successors in interest.

Except as otherwise expressly provided herein, this Agreement and the attached EXHIBITS A and B supersede all prior agreements, negotiations and exhibits and is a full integration of the entire agreement between the Parties.

The Parties acknowledge and agree that the individuals who are members of the group constituting the corporate authorities of the Village are entering into this Agreement in their corporate capacities as members of such group and shall have no personal liability in their individual capacities.

This Agreement shall be enforceable by any of the Parties hereto by any appropriate action at law or in equity.

Time is of the essence in the performance of the obligations of the Parties to this Agreement.
