

INTERGOVERNMENTAL AGREEMENT

This Intergovernmental Agreement (the "Agreement") is made and entered into this _____ day of _____, 2014 (the "Effective Date"), by and between the Village of Orland Park, Cook and Will Counties, Illinois, an Illinois home rule municipal corporation (the "Village") and Orland Township, Cook County, Illinois, an Illinois incorporated township (the "Township"). (For convenience, the Village and the Township may be referred to individually as a "Party" and collectively as the "Parties.")

WHEREAS, the Parties hereto are units of local government and the Constitution of the State of Illinois, 1970, Article VII, Section 10, authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance; and

WHEREAS, the Intergovernmental Cooperation Act (5 ILCS 220/1, *et seq.*) authorizes public agencies, which include units of local government, to jointly enjoy and/or exercise powers, privileges, functions, or authority with other public agencies, except where specifically and expressly prohibited by law; and

WHEREAS, the Township's Health Services Department stores various types of vaccines (the "Vaccines") at the Township's facility located at 14807 South Ravinia Avenue, Orland Park, Illinois ("Township Hall"); and

WHEREAS, pursuant to the Illinois Department of Public Health's Vaccine Transportation Guidelines (the "Guidelines") and the Center for Disease Control's Vaccine Handling and Storage Toolkit (the "Toolkit"), the Township desires to implement a plan to protect the Vaccine inventory and to minimize any monetary loss in the event of an Emergency (as defined herein) at Township Hall; and

WHEREAS, the Village's Police Department facility located at 15100 South Ravinia Avenue, Orland Park, Illinois ("Police Department") has a back-up power generator and is easily accessible from Township Hall; and

WHEREAS, the Village and the Township have agreed that in the event of an Emergency that may threaten the safety and/or viability of the Vaccines, the same shall be transported to and from the Police Department for temporary storage in the manner and to the extent provided for herein; and

WHEREAS, the Village and the Township hereby determine that it is in their best interests, and in furtherance of the public health, safety, and welfare, to enter into this Agreement; and

NOW, THEREFORE, in consideration of the mutual covenants herein contained and for other good and valuable consideration, IT IS AGREED AS FOLLOWS:

1. **Recitals.** The abovementioned recitals, as contained in the paragraphs constituting the preambles to this Agreement, are full, true, and correct and are hereby incorporated into this Agreement as if fully restated herein.
2. **Emergency Defined.** As used herein, “Emergency” means a situation which may compromise Vaccine storage conditions at the Township Hall including, without limitation, equipment failure, power outage, or natural disaster.
3. **Temporary Relocation of Vaccines.** The Village hereby agrees to cooperate and coordinate with the Township in order to provide for the temporary acceptance, storage, relocation, and other protection of the Vaccines at the Police Department, as is deemed necessary by the Township, in the event of an Emergency. The Village represents that Police Department is equipped with a back-up generator that allows for continued electricity during an Emergency. The Township, in its sole discretion, shall determine whether or not an Emergency exists under this Agreement. In the event of an Emergency, the following procedures shall generally be followed:
 - A. The Township Health Services Coordinator (the “Coordinator”), or his or her designee, shall contact the Village’s emergency contact identified in Section 6 of this Agreement, to initiate the Emergency plan outlined herein.
 - B. The Township will transport the Vaccines to the Police Department.
 - C. The Village will receive and store the Vaccines in the space at Police Department designated by the Village, at temperatures specified for each Vaccine by the Township, until the Coordinator, or his or her designee, determines that the Emergency no longer exists.
 - D. Once the Coordinator, or his or her designee, determines that the Emergency no longer exists, the Township shall arrange for the transportation of the Vaccines back to Township Hall, and shall coordinate with the Village regarding the same.
 - E. The Village will, if called upon to store the Vaccines, use its best efforts to the extent of its equipment capabilities to store the Vaccines at the required temperature, but the Village cannot be responsible for the protection of the Township's Vaccine inventory.
 - F. In the event that an Emergency occurs that compromises Vaccine storage conditions at the Police Department, the Village shall immediately notify the Coordinator and shall reasonably cooperate with the Township to allow for the Township’s transport of the Vaccines to another location.

4. **Property Rights.** At all times during the duration of this Agreement, the Vaccines shall remain the personal property of the Township.
5. **Costs.** The Township shall be solely responsible for the arrangement of, and any and all costs and fees associated with, the transportation of the Vaccines as described herein. The Village shall provide the appropriate temporary storage facilities for the Vaccines at the Police Department and shall be responsible for any electricity costs associated therein.
