Evergreen View Park Community Input Survey

The Village of Orland Park is seeking input from residents to guide future improvements at Evergreen View Park. Your feedback will help us explore design options and ensure the park reflects the needs and priorities of the community.

As part of this effort, the playground and pavilion are scheduled to be replaced in 2026. We're also considering potential new features—such as a splash pad with ground sprays and simple water elements—and want to hear what matters most to you.

This brief, anonymous survey will take just a few minutes to complete. Survey results will be shared in summary form on the Village's website.

Thank you for sharing your thoughts. Your input is vital in helping us create a space that serves Orland Park residents for years to come.

1. How often do you visit Evergreen View Park?

☐ Never

☐ Daily

☐ Weekly

☐ Monthly

☐ Rarely

Feel free to tell us more about your visit history.
