

# Louder Enterprises, Inc. References

---

## **1) Constructive Management, Inc.**

Location: 10661 Ridge Lane Marengo, IL 60152

Contact: Bob Rubel

Project Information: Over the past 20+ years Louder Enterprises, Inc. has been exceeding expectations and providing “top quality work” while maintaining a “can do attitude”. Described as “Johnny on the spot”, their billing procedures and responsiveness to correspondence have always been “on point”.

1) Empire (restaurant in Naperville), created new openings and matched replacement limestone Louder Enterprises was highly recommended as they have done excellent work while maintaining an above and beyond mentality.

## **2) St. Johns of the Cross**

Location: 5005 Wolf Road, Western Springs, IL 60558

Contact: Frank DiPompeo (Plant Manager – Administrative – Operations Staff)

Project Information: Louder Enterprises, Inc. has completed a number of projects for St. Johns of the Cross Parish school, church and parish buildings over the past decade (roughly 2004-2015). Projects include:

- 1) Replacing about 14 large limestone panels on the school building
- 2) Repairing / replacing corroded building lintels, which entailed removing brick, re bricking, and rustproofing / sealing
- 3) Ongoing tuck-pointing work and maintenance repairs
- 4) Reconstructing 1970s crumbling brick wall with new brick to match

Louder Enterprises was highly recommended as they have done excellent work with fair prices and safety in mind. The Parish is currently planning to hire the company for an additional project on the school this year.

## **2) LAJ Construction Specialties**

Location: 2244 95<sup>th</sup> Street Suite 218 Naperville, IL

Contact: Dan Pikowski

Project Information: LAJ has been working closely with Louder for the past twelve years. In that time LAJ has become fond of the work that Louder does, calling them “reliable” and commending them on the quality of service they provide. Some of the projects Louder Enterprises has completed for LAJ are the following:

- 1) Concrete work on a Medical Office building in Palos Heights
- 2) General tuck-pointing, concrete, and steel work

Louder Enterprises was highly recommended as they have done excellent work while maintaining a high level of reliability.
