1. How often do you update your inventory? Are all new deployments brand new uniforms or are they recycled from past agencies?

All rental uniforms are put through quality inspection weekly when turned in for laundry. If it is determined that a garment needs replaced due to normal wear, it will be upgraded. Age of garment is not a factor as QA is graded upon condition. New wearers could get new uniform if not available in the local stockroom. However, if stock is available, uniforms can be recycled if they are in "like-new" graded condition. Customer can request all new hires get new uniforms, however the lead time to install would be extended.

2. Are your vending options available as a part of this proposal (for scrubs or other uniforms)? If these are available, what is the cost? Yes.

Item Code	Description	List Price	USC Pricing

D16	Medium Dispenser

As the work of both services is proprietary, we would ask that the attached relative to those services be redacted. While we do have experience with regulations like MS4.
