Re: Lang Lee II Restaurant
Paul Lee, Secretary
9650 W. 143rd Street, Orland Park
Orland Park Main Street Redevelopment Project

Dear Ms. Friling:

Enclosed is a final relocation claim for Lang Lee II, a full service, 6,800 square foot restaurant. The claim was prepared in accordance with applicable regulations governing the Uniform Relocation Assistance and Real Properties Acquisitions Policies Act of 1970, as amended, (URA) 49 CFR, at 24.301(14) & (15) Actual Direct Loss of Tangible Personal Property(DLP).

We initially met at the displacement site with Paul Lee, the business corporate secretary in 2008. We inspected the displacement location and took photos of the personal property. We explained relocation benefits and payment options. Mr. Lee informed us then that his father H. Jin Lee is the president and business owner, however he is not active in the business because he has been diagnosed with a form of dementia. The restaurant has a large dining room equipped with booths, tables and chairs, and a banquet room with a capacity for about 200. They have a busy carry out business as well. The kitchen is fully equipped with walk-in coolers and freezers, commercial dishwasher, a full service cooking line with overhead exhaust system and fire suppression system.

In 2011 Mr. Lee informed us that his father had passed away and his siblings who are also heirs of the estate are not interested in continuing in the restaurant business. Therefore the business personal property will be liquidated, not moved.

We received a complete inventory of equipment from the business. We reviewed the categories of work necessary to accomplish a move with Mr. Lee, developed scopes of work for the estimating contractors and obtained estimates for each phase of work necessary to move and reinstall the personal property.

We reviewed the inventory with appraiser Peter Campbell of S M Dix Associates, who prepared a value in place appraisal of the personal property.

The business discontinued operations on September 30, 2011 and hired Auction Consultants, Inc to conduct an auction on the premises. The auction was held on October 19 and most of the personal property was sold. The Auctioneer charged 15% for his services and \$3,086.45 to advertise and set up the auction.

We made our final inspection on October 27 and took photos of the vacated space. Mr. Lee did not reestablish at a replacement location.

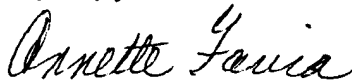

Payment for a direct loss of personal property is determined by the lesser of the value in place for continued use, less proceeds from sales, if any, or the estimated cost to move and reinstall the personal property not to be moved, whichever is less. In this case the payment was computed as follows:

(a)	(b)	(c)	(d)	(e)	(f)
Value In Place	Net Proceeds from Sales	Value Not Recovered	Estimated Relocation Cost	Lesser of column (c) or (d)	ELIGIBLE PAYMENT
\$292,585.00	\$8,406.30	\$284,178.70	\$216,653.00	\$216,653.00	\$216,653.00
				Cost of sales efforts	\$ 3,086.45
				Total:	\$219,739.45

The relocation estimates include costs for relocating and reinstalling items of personal property only. No costs were included for relocating any items that would be immovable or considered to be part of the real estate. We focused on avoiding any potential for duplication of services, unnecessary work and ineligible costs.

In accordance with Mr. Lee's request, payment should be made payable to Lang Lee II Restaurant in the amount of \$219,739.45. Mr. Lee has asked that the check be held for pick up. Please notify Mr. Lee on his cell phone, 708/220-2544 when the check is available.

Very truly yours,

Annette Favia
