- This Contract calls for the construction of a "public work", within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01, et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor ("IDOL") publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL's website for revisions to prevailing wage rates

All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to each contractor and subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Prevailing-Wage-Portal.aspx>. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act. The Contractor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

COMMERCIAL AUTO ENHANCEMENT ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

Coverages provided by this endorsement are subject to the provisions applying to the **Business Auto Coverage Form** unless otherwise noted. All policy provisions not in conflict with this endorsement shall apply. This endorsement is a valid part of the policy only when the form number is shown in the Declarations. The policy's deductible provisions will apply unless otherwise noted.

The following changes apply to **SECTION II - LIABILITY**:

1. Broad Form Insureds

A. Newly Formed Or Acquired Organizations

The following is added as an "insured" under **A.1. Who Is An Insured**:

- a. Any organization you newly form or acquire, other than:
 - (1) A partnership, joint venture, or limited liability company; or
 - (2) An organization excluded either by the provisions of this **Business Auto Coverage Form**, or by endorsement,
 and over which you maintain ownership or majority interest of more than 50%, subject to the following additional provisions:
- b. This insurance does not apply to:
 - (1) Any newly formed or acquired organization that is an "insured" under any other automobile policy or would be an "insured" under such policy but for such automobile policy's termination or the exhaustion of such automobile policy's limits of insurance;
 - (2) "Bodily injury", "property damage" or "covered pollution cost or expense" resulting from an "accident" that occurred before you acquired or formed the organization.

- c. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. Employees As Insureds

The following is added as an "insured" under **A.1. Who Is An Insured**:

- a. Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

C. Employees As Insureds- Autos Hired In The Employees' Name

The following is added as an "insured" under **A.1. Who Is An Insured**:

- a. An "employee" of yours is an "insured" while operating an "auto" hired or rented under a written contract executed prior to "loss" for which coverage is sought in that "employee's" name, with your permission, while performing duties related to the conduct of your business.
- b. With respect to coverage afforded under this section of the endorsement, paragraph 5.b. of the **Other Insurance Condition** is removed and replaced by the following:
 - (1) For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:
 - (a) Any covered "auto" you lease, hire, rent or borrow; and

- (b) Any covered "auto" hired or rented by your "employee" under a written contract in the "employee's" own name and executed prior to the "loss" for which coverage is sought, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. Additional Insured - When Required By Written Contract - Primary and Noncontributory

The following is added as an "insured" under **A.1. Who Is An Insured:**

- a. Any person or organization is an "insured" for liability coverage as afforded under **SECTION II - LIABILITY COVERAGE**, when you and such person or organization have agreed in a written contract effective during the policy period stated on the Declarations Page (hereinafter referred to as the "Policy Period") and executed prior to the "bodily injury", "property damage" or "covered pollution cost or expense" for which coverage is sought, that you must add that person or organization as an additional "insured" on a policy of automobile liability insurance (hereinafter referred to as the "Additional Insured").

The "Additional Insured" is covered only with respect to vicarious liability for "bodily injury", "property damage" or "covered pollution cost or expense" resulting from your ownership, maintenance, or use of a covered "auto" during the "Policy Period".

- b. It is further understood that the designation of any person or organization as an "Additional Insured" does not increase the scope or limits of coverage afforded by this policy.

- c. **C. Limits of Insurance** is amended to include:

- (1) The limits of insurance applicable to the "Additional Insured" are:

- (a) those specified in the written contract that requires the person or organization to be added as an "Additional Insured"; or

- (b) as stated on the Declarations Page of this policy, whichever is less.

These limits of insurance are inclusive of, and not in addition to the limits of insurance shown on the Declarations Page.

- d. When required under a written contract with the "Additional Insured" which is executed prior to "bodily injury", "property damage" or "covered pollution cost or expense" for which coverage is sought by the "Additional Insured" hereunder, the coverage provided to the "Additional Insured" under this endorsement shall apply on a primary and noncontributory basis with any other insurance upon which the "Additional Insured" is listed as a Named Insured.
- e. If an endorsement is attached to this coverage form or policy that specifically names a person or organization as an "insured" or additional "insured", then coverage under this endorsement does not apply to that entity.

2. Broadened Supplementary Payments

- a. Under **2. Coverage Extensions**, Paragraph **2.a.(2)** of **Supplementary Payments** is removed and replaced by:

- (2) Up to \$5,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

- b. Under **2. Coverage Extensions**, Paragraph **2.a. (4)** of **Supplementary Payments** is removed and replaced by:

- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.

- a. Under **B., Exclusions, 5. Fellow Employee** exclusion is removed and replaced by:

5. Fellow Employee

"Bodily injury" to:

- a. Any fellow "employee" of the "insured" arising out of and in the course of the fellow "employee's" employment or while performing duties related to the conduct of your business; or
- b. The spouse, child, parent, brother or sister of the fellow "employee" as a consequence of Paragraph a. above.

But this exclusion does not apply if the "bodily injury" results from the use of a covered "auto" you own or hire.

The coverage provided under this section of the endorsement shall be excess over any other insurance, whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise, unless such other insurance is written only as specific excess insurance over the Limits of Liability provided in this endorsement.

The following changes apply to **SECTION III - PHYSICAL DAMAGE COVERAGE**:

1. Towing and Labor

Under **SECTION III - PHYSICAL DAMAGE COVERAGE, 2. Towing** is replaced by the following:

We will pay up to the following limits for towing and labor costs incurred each time a covered "auto" is disabled:

- a. \$100 for a covered "auto" rated and classified as a private passenger vehicle or "light truck".
- b. \$150 for a covered "auto" rated and classified as a "medium truck".

However, labor must be performed at the place of disablement.

- c. With respect to this section of this endorsement, the following definitions are added under **SECTION V - DEFINITIONS**:

- (1) "Light truck" means a truck or van that has a "gross vehicle weight" (GVW) of 10,000 pounds or less.
- (2) "Medium truck" means a truck or van that has a "gross vehicle weight" (GVW) of 10,001-20,000 pounds.

- (3) "Gross Vehicle Weight" (GVW) means the maximum loaded weight for which a single "auto" is designed, as specified by the manufacturer.

2. Broadened Transportation Expenses Including Limited Rental Reimbursement Coverage

Under **4. Coverage Extensions, a., Transportation Expenses** is removed and replaced by:

a. Transportation Expenses

We will pay up to \$75 per day to a maximum of \$2,250 for necessary and actual temporary transportation expense incurred by you because of a "loss" to a covered "auto", but only if the covered "auto" carries the coverages and meets the requirements described in (1) or (2) below:

- (1) We will pay the above temporary transportation expense because of the total theft of a covered "auto" if you carry Comprehensive Coverage on that covered "auto". We will only pay for such expenses incurred during the period beginning 48 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".

- (2) For "loss" other than the total theft of a covered "auto" if you carry Comprehensive Coverage on that covered "auto" or for a "loss" under Collision Coverage to that covered "auto", we will pay the above temporary transportation expense because of "loss" to that covered "auto" rendering the covered "auto" inoperable. We will only pay for those expenses incurred during the policy period beginning 24 hours after the "loss" and ending, regardless of the policy's expiration, with the lesser of:

- (a) the number of days reasonably required to repair or replace the covered "auto"; or

- (b) 30 days.

- (3) This coverage extension does not apply while there are spare or reserve "autos" available to you for your operations.

- (4) The Broadened Transportation Expenses Coverage described above does not apply to a covered "auto" that is described or designated as a covered "auto" on **Rental Reimbursement Coverage Endorsement CA9923** attached to this coverage form.

3. Accidental Discharge Of An Airbag

- a. Under **B., Exclusions**, 3. is removed and replaced by:

3. We will not pay for "loss" due and confined to:

- a. Wear and tear, freezing, mechanical or electrical breakdown. However, "loss" due to mechanical and electrical breakdown does not apply to the accidental discharge of an airbag. Coverage for accidental discharge of an airbag is excess over any other collectable insurance or warranty.

- b. Blowouts, punctures or other road damage to tires.

This exclusion does not apply to such "loss" resulting from the total theft of a covered "auto".

4. Audio, Visual And Data Electronic Equipment Increased Limit

- a. Under **C. Limit Of Insurance**, 2. is removed and replaced by:

2. \$1,500 is the most we will pay for "loss" in any one "accident" to all electronic equipment that reproduces, receives or transmits audio, visual or data signals which, at the time of "loss", is:

- a. Permanently installed in or upon the covered "auto" in a housing, opening or other location that is not normally used by the "auto" manufacturer for the installation of such equipment;
- b. Removable from a permanently installed housing unit as described in Paragraph 2.a. above; or

- c. An integral part of such equipment as described in Paragraphs 2.a. and 2.b. above.

- d. The Audio, Visual And Data Electronic Equipment Increased Limit Coverage described above does not apply to a covered "auto" that is described or designated as a covered "auto" on **Audio, Visual And Data Electronic Equipment Coverage Added Limits Endorsement CA9960 or Loss Payable Clause - Audio, Visual And Data Electronic Equipment Coverage Added Limits Endorsement CA9961** attached to this policy or coverage form.

5. Glass Repair - Waiver Of Deductible

- a. Under Paragraph **D. Deductible**, for "loss" covered under **SECTION III - PHYSICAL DAMAGE COVERAGE**, the following is added:

No deductible applies to glass damage otherwise covered under **SECTION III - PHYSICAL DAMAGE COVERAGE**, if the glass is repaired rather than replaced.

6. Collision Deductible Amendment For Loss To Two (or More) Covered Autos In One Accident

- a. If a Collision "loss" from one "accident" involves two or more covered "autos" under this policy or coverage form, only the highest deductible applicable to those coverages will be applied to the "loss", if the cause of "loss" is covered for those vehicles. This provision only applies if you carry Collision Coverage for those vehicles, and does not extend coverage to any covered "autos" for which you do not carry such coverage.

7. Hired Auto Physical Damage Coverage (Limited)

Under Paragraph **A. Coverage of SECTION III - PHYSICAL DAMAGE COVERAGE**, the following is added:

- a. If hired "autos" are covered "autos" for Liability Coverage in this policy or coverage form and if Comprehensive or Collision coverages are provided under this policy or coverage form for any "auto" you own, then the Physical Damage Coverages provided are extended to "autos" you hire subject to the following additional provisions:

- (1) The most we will pay for "loss" to any hired "auto" is:
 - (a) The actual cash value of the damaged or stolen property at the time of the "loss" ;
 - (b) The cost of repairing or replacing the damaged or stolen property, with other property of like kind or quality; or
 - (c) \$75,000whichever is smallest, minus a deductible.
- (2) The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning.
- (3) Hired Auto Physical Damage Coverage is excess over any other collectible insurance.
- (4) Subject to the above limit, deductible and excess provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own scheduled in the Declarations under this policy or coverage part.
- (5) This extension of coverage does not apply to:
 - (a) Any "auto" you hire or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households; or
 - (b) Any "auto" you hire or borrow:
 - (i) For a period of more than 30 days; or
 - (ii) With a driver.

- b. For any "auto" which is a covered "auto" under this extension, **7. Hired Auto Physical Damage Coverage (Limited)**, and subject to the coverages provided to 7.a. above, we will also pay expenses for loss of use of such "auto", subject to the following additional provisions:

- (1) Such "auto" is rented or hired under a written rental contract or agreement executed prior to "loss" of such "auto" for which coverage is sought;
- (2) Such loss of use is a direct consequence of a "loss" covered under this extension, **7. Hired Auto Physical Damage Coverage (Limited)**:
 - (a) For which an "insured" is legally responsible; and
 - (b) As a result of which the rental agency sustains a monetary "loss";
- (3) The most we will pay for any expenses for loss of use is \$50 per day, subject to a maximum of \$1,500; and
- (4) With respect to coverage afforded by this section of the endorsement, Paragraph **b. Loss Of Use Expenses** of Paragraph **4. Coverage Extensions** in **SECTION III - PHYSICAL DAMAGE COVERAGE** does not apply.

Coverage under this extension, **7. Hired Auto Physical Damage Coverage (Limited)** will be excess over any other valid and collectible insurance available to the "insured", except that no coverage will be afforded if any physical damage coverage is provided for hired or borrowed "autos" under **ITEM FOUR - SCHEDULE OF HIRED OR BORROWED COVERED AUTO COVERAGE AND PREMIUMS** in the **BUSINESS AUTO DECLARATIONS** in this policy or coverage form (or which would have been provided except for the application of an exclusion).

Under **SECTION III - PHYSICAL DAMAGE COVERAGE**, the following is added under **4. Coverage Extensions**:

- a. In the event of a "total loss" to a covered "auto" which is either owned by you or is leased by you for a period of 6 consecutive months or longer, we will pay any unpaid amount due on the original lease or loan for a covered "auto" which carries Comprehensive and Collision Coverage on the Business Auto Coverage form to which this endorsement attaches. The amount payable will be reduced by:

(1) The amount paid under **SECTION III - PHYSICAL DAMAGE COVERAGE** of the policy; and

(2) Any:

- (a) Overdue lease/loan payments at the time of the "loss";
- (b) Deductibles applicable under **SECTION III - PHYSICAL DAMAGE COVERAGE**;

- c. This Loan/Lease Gap Coverage extension shall only apply when the **Auto Loan/Lease GAP Coverage Endorsement CA2071** is not included in or a part of this policy issued to you by us.

The following changes apply to **SECTION IV - BUSINESS AUTO CONDITIONS**:

Under **SECTION IV - BUSINESS AUTO CONDITIONS**, the following is added under **A. Loss Conditions, 5. Transfer Of Rights Of Recovery Against Others To Us**:

However, we waive the right of recovery we may have against any person or organization because of payment we make for "bodily injury", "property damage" or "covered pollution cost or expense" arising out of the ownership, maintenance or use of a covered "auto" when you and such person or organization have agreed in a written contract executed prior to the "bodily injury", "property damage" or "covered pollution cost or expense" "loss" to waive your right of recovery against such person or organization.

**CONTRACTORS ADDITIONAL INSURED/
WAIVER OF RIGHTS OF RECOVERY
EXTENSION ENDORSEMENT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**1. Additional Insured - When Required By
Written Construction Contract For
Ongoing Operations Performed By You
For An Additional Insured and/or Your
Completed Operations**

A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any person or organization for whom you are performing operations, when you and such person or organization have agreed in a written contract effective during the policy period stated on the Declarations Page (hereinafter referred to as the "Policy Period") and executed prior to the "bodily injury" or "property damage" for which coverage is sought, that you must add that person or organization as an additional insured on a policy of liability insurance (hereinafter referred to as the "Additional Insured").

The Additional Insured is covered only with respect to vicarious liability for "bodily injury" or "property damage" imputed from You to the Additional Insured as a proximate result of:

- (1) Your ongoing operations performed for that Additional Insured during the Policy Period; or
- (2) "Your work" performed for the Additional Insured during the Policy Period, but only for "bodily injury" or "property damage" within the "products - completed operations hazard."

B. It is further understood that the designation of any person or organization as an Additional Insured:

(1) does not increase the scope or limits of coverage afforded by this policy; and

(2) does not apply if the person or organization is specifically named as an additional insured under any other provision of this policy.

C. With respect to the coverage afforded to the Additional Insured, the following additional exclusions apply:

This insurance does not apply to:

(1) Liability for "bodily injury" or "property damage" arising out of the rendering of, or the failure to render, any professional services, including, but not limited to:

(a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

(b) Supervisory, inspection, architectural or engineering activities.

(2) Liability for "bodily injury" or "property damage" arising out of or in any way attributable to the claimed negligence or statutory violation of the Additional Insured, other than vicarious liability which is imputed to the Additional Insured solely by virtue of the acts or omissions of the Named Insured.

(3) Liability for "bodily injury" or "property damage" proximately caused by your ongoing operations, which takes place, in whole or in part, after the earlier of:

- (a) the date that all work called for in the written contract with the Additional Insured has been completed, as defined in the definition of "products-completed operations hazard" herein; or
 - (b) the end of the Policy Period.
- (4) Liability for "bodily injury" or "property damage" proximately caused by "your work" included in the "products-completed operations hazard" after the earlier of:
- (a) the conclusion of the period during which the written contract requiring such coverage requires it; or
 - (b) 1 year after completion of "your work" performed for the Additional Insured, as defined in the "products - completed operations hazard."

D. Section III - Limits Of Insurance is amended to include:

- (1) The limits of insurance applicable to the Additional Insured are:
 - (a) those specified in the written contract that requires the person or organization to be added as an Additional Insured; or
 - (b) as stated on the Declarations Page of this policy, whichever is less.

These limits of insurance are inclusive of, and not in addition to the limits of insurance shown on the Declarations Page. If other insurance of any type is written by us and applicable to the Additional Insured, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable per occurrence and aggregate limit of insurance under one coverage form or policy providing coverage, whether primary or excess.

E. Section IV - Other Insurance is amended to include:

- (1) When required under a written contract with the Additional Insured which is executed prior to "bodily injury" or "property damage" for which coverage is sought by the

Additional Insured hereunder, the coverage provided to the Additional Insured under this section of the endorsement shall apply on a primary and noncontributory basis with any other insurance upon which the Additional Insured is listed as a Named Insured.

F. Section IV - Transfer Of Rights Of Recovery Against Others To Us is amended to include:

- (1) When required under a written contract executed prior to the "occurrence" for which we make payment under this coverage part, we waive any right of recovery we may have against any person or organization who is an Additional Insured because of payments we make under this section of the endorsement.

2. Additional Insured - State Or Political Subdivisions - Permits

- A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any state or political subdivision which has issued a permit to you when you and such state or political subdivision have agreed in a written contract or agreement effective during the policy period stated on the Declarations Page and executed prior to "bodily injury," "property damage," or "personal and advertising injury" for which coverage is sought that you must add the state or political subdivision as an additional insured on a policy of liability insurance. Such state or political subdivision is an insured only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit.
- B. With respect to the coverage afforded to the additional insured provided by this section of the endorsement, the following additional exclusions apply:

This insurance does not apply to:

- (1) "Bodily injury," "property damage," or "personal and advertising injury" arising out of operations performed for the state, municipality, or political subdivision; or

(2) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

If an additional insured endorsement is attached to this coverage part or policy that specifically names a state or political subdivision as an insured or additional insured, then coverage under this endorsement does not apply for adding the state or political subdivision as an additional insured if the state or political subdivision would, in whole or in part, also be covered as an additional insured under this endorsement.

Dear Policyholder,

Thank you for purchasing your Workers Compensation coverage from our company. We appreciate the confidence that placing this important coverage with us shows in Pekin Insurance Company and your Agent.

There are some important considerations to keep in mind during the coverage period of your Workers Compensation policy that have the potential to either save you money or avoid a large lump-sum additional audit premium at the end of this policy term. Your agent has perhaps already discussed these items with you, but their potential impact on your premium causes us to feel that another review is appropriate.

The premium for your Workers Compensation policy is determined by the classification of work done by your employees and the amount of payroll in each classification. Initially, a deposit premium is established based on the expected payroll for each classification. At the end of your policy term, a premium audit is completed by either a direct interview with you by a Premium Auditor or a questionnaire that is sent to you through the mail. Based on the information developed by the premium audit, your final earned premium is calculated and the deposit premium is adjusted accordingly. Final earned premiums that are less than the deposit premium result in the difference being refunded to you. Final earned premiums that are greater than the deposit premium result in an additional premium billing. This billing is payable immediately and in full.

To avoid a large lump-sum audit premium, it is critical to make your agent aware of significant changes in either the type of work done by your employees or of increases in payroll over the expected amount. By making your agent aware of these changes during the policy term, an endorsement can be processed that could spread additional premium out over one of our payment plans rather than being payable in full and immediately after the time of our audit.

Another area to consider that can actually save money on your Workers Compensation premium involves the use of sub-contracted work. By current interpretation of most Workers Compensation laws, sub-contractors working for you must have a Workers Compensation policy covering their business, or you will be held responsible for their coverage. Uninsured sub-contractors are treated as your employees in the premium audit and usually cause a substantial premium increase.

In order to avoid additional premium caused by the use of uninsured sub-contractors, insist that all sub contractors supply you with a certificate of insurance showing that they have their own Workers Compensation insurance in force at the time they do work for you. Keep all of the certificates in a safe place and make them available at the time of your premium audit to assure proper credit. If your audit is conducted at a location other than your business premises (for example, your accountant's office), make sure that copies are also kept at that location. In Indiana, if you use sub-contractors that have filed an Independent Contractor Affidavit of Exemption with the Indiana Workers Compensation Board, you should also keep a copy of that document with your records.

Keeping these items in mind during your policy term will be very effective in avoiding an unpleasant surprise at the time of your premium audit. More detailed information about premium audits is provided with the Premium Audit Information Guide that we distribute with all new Workers Compensation policies. Please contact your Pekin Insurance Agent with any questions or if you need to update the information on your policy.

Sincerely,

A handwritten signature in cursive script that reads "Joe Ricigliano". The signature is written in dark ink and is positioned below the word "Sincerely,".

Your policy provides coverage for workers compensation losses caused by a Catastrophe (Other Than Certified Acts of Terrorism). For purposes of this endorsement, the following definitions apply:

NOTICE TO EMPLOYEES

FROM THE STATE OF ILLINOIS:

WORKERS' COMPENSATION is a system of benefits provided by law to most workers who have job-related injuries or illnesses. Benefits are paid for injuries that are caused, in whole or in part, by an employee's work. This may include the aggravation of a pre-existing condition, injuries brought on by the repetitive use of a part of the body, heart attacks, or any other physical problem caused by work. Benefits are paid regardless of fault.

IF YOU SUFFER FROM A WORK-RELATED INJURY OR ILLNESS, YOU SHOULD TAKE THE FOLLOWING STEPS:

- 1. GET MEDICAL ASSISTANCE.** By law, your employer must pay for all necessary medical services required to cure or relieve the effects of the injury or illness. The employee may choose two physicians, surgeons, or hospitals. Where necessary, the employer must also pay for physical, mental, or vocational rehabilitation, within prescribed limits.
- 2. NOTIFY YOUR EMPLOYER.** Notify your employer of the accidental injury or illness within 45 days, either orally or in writing. To avoid possible delays, it is recommended the notice also include your name, address, telephone number, Social Security number, and a brief description of the injury or illness.
- 3. LEARN YOUR RIGHTS.** Your employer is required by law to report accidents that result in more than three lost work days to the Industrial Commission. Once the accident is reported, you should receive a handbook that explains the law, benefits, and procedures. If you need a handbook, please call the Industrial Commission.

If you must lose time from work to recover from the injury or illness, you may be entitled to receive weekly payments and necessary medical care until you are able to return to work that is reasonably available to you.

It is against the law for an employer to harass, discharge, refuse to rehire or in any way discriminate against an employee for exercising his or her rights under the Workers' Compensation or Occupational Diseases Acts. If you file a fraudulent claim, you may be penalized under the law.

- 4. KEEP WITHIN THE TIME LIMITS.** Generally, claims must be filed within three years of the injury or disablement from an occupational disease, or within two years of the last workers' compensation payment, whichever is later. Claims for pneumoconiosis, radiological exposure, asbestosis, or similar diseases have special requirements.

Injured workers have the right to reopen their case within 30 months after an award is made if the disability increases, but cases that are resolved by a lump-sum settlement contract approved by the Commission cannot be reopened. Only settlements approved by the Commission are binding.

FOR MORE INFORMATION, CALL OR WRITE THE ILLINOIS INDUSTRIAL COMMISSION AT 312/814-6611 OR 100 W. RANDOLPH, 8TH FLOOR, CHICAGO, IL 60601.

Employers must display this notice in a prominent place for all employees and complete the information below regarding the insurance company. Self-insured employers should list the person or firm responsible for handling the employer's workers' compensation claims.

TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT DISCLOSURE
ENDORSEMENT

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

"Act" means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto, including any amendments resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2019.

"Act of Terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, as meeting all of the following requirements:

- a. The act is an act of terrorism.
- b. The act is violent or dangerous to human life, property or infrastructure.
- c. The act resulted in damage within the United States, or outside of the United States in the case of the premises of United States missions or certain air carriers or vessels.
- d. The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

"Insured Loss" means any loss resulting from an act of terrorism (and, except for Pennsylvania, including an act of war, in the case of workers compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss occurs in the United States or at the premises of United States missions or to certain air carriers or vessels.

"Insurer Deductible" means, for the period beginning on January 1, 2021, and ending on December 31, 2027, an amount equal to 20% of our direct earned premiums, during the immediately preceding calendar year.

Limitation of Liability

The Act limits our liability to you under this policy. If aggregate Insured Losses exceed \$100,000,000,000 in a calendar year and if we have met our Insurer Deductible, we are not liable for the payment of any portion of the amount of Insured Losses that exceeds \$100,000,000,000; and for aggregate Insured Losses up to \$100,000,000,000, we will pay only a pro rata share of such Insured Losses as determined by the Secretary of the Treasury.

WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

Policyholder Disclosure Notice

1. Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses occurring in any calendar year exceeding \$200,000,000, the United States Government would pay 80% of our Insured Losses that exceed our Insurer Deductible.
2. Notwithstanding item 1 above, the United States Government will not make any payment under the Act for any portion of Insured Losses that exceed \$100,000,000,000.
3. The premium charge for the coverage your policy provides for Insured Losses is included in the amount shown in Item 4 of the Information Page or in the Schedule below.

- ☐ The Illinois Prevailing Wage Act (820 ILCS 130/01, et seq.) does apply to this Contract.
- This Contract calls for the construction of a “public work”, within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01, et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current “prevailing rate of wages” (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (“IDOL”) publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL’s website for revisions to prevailing wage rates

945281-11-11-16

and comply with the most current prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to each contractor and subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Prevailing-Wage-Portal.aspx>. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act. The Contractor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

☐ The Illinois Prevailing Wage Act (820 ILCS 130/01, et seq.) does apply to this Contract.
This Contract calls for the construction of a "public work", within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01, et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor ("IDOL") publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL's website for revisions to prevailing wage rates

951437-02-11-16

and comply with the most current prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to each contractor and subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Prevailing-Wage-Portal.aspx>. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act. The Contractor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

24. ☐ **Employment of Illinois Workers on Public Works Act:** This contract is subject to the Illinois Preference Act (30 ILCS 570) since this fixed work construction or improvement is funded or financed in whole or in part with State funds or funds administered by the State of Illinois. Contractors on state public works projects are required to employ a workforce that is comprised of at least 90% Illinois residents during periods of excessive unemployment, which occurs when the level of unemployment in Illinois has exceeded 5% for at least 2 consecutive months. An "Illinois laborer" is defined as any person who has resided in Illinois for at least 30 days and intends to become or remain an Illinois resident. The Contractor shall require all subcontractors (if any) to conform with said laws, and any rules or regulations now and thereafter issued pursuant to said laws by Contractor, his subcontractors, and/or anyone working through or on behalf of Contractor or Contractor's subcontractors.
25. **Warranty and Guarantee:** In addition to any manufacturer's warranty(ies) on materials, parts and/or equipment to be supplied pursuant to the Contract Documents, the Contractor warrants and guarantees that for a period of two (2) years from the date of substantial completion of the Project that the completed Project shall be free from all defects and deficiencies due to faulty equipment, materials or workmanship, and/or because they do not comply with the Contract Documents, all as shall be determined solely by the Village, and the Contractor shall promptly correct, repair, and/or replace any and all such equipment, materials and/or Work which has been determined by the Village to be defective, deficient, and/or not in compliance with the Contract Documents including, but not limited to, the repairs of any resulting damage to other parts of the Project. In the event that the Contractor should fail to make such correction(s), repair(s), and/or replacement(s) ("remedial work") that the Village has determined to be necessary to remedy such defects, deficiencies, and/or non-compliance with the Contract Documents, the Village may do so, and the Contractor shall be liable for all damages as provided by law, including but not limited to any costs incurred by the Village for any such remedial work. The Performance and Payment Bond, if one is applicable, shall remain in full force and effect through the warranty/guarantee period.

SCHEDULE

DESIGNATED PERSON:

DESIGNATED ORGANIZATION:

**ANY PERSON OR ORGANIZATION FOR WHICH THE INSURED HAS AGREED
BY WRITTEN CONTRACT EXECUTED PRIOR TO LOSS TO FURNISH THIS
WAIVER.**

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

- (2) The "bodily injury" or "property damage" occurs during the policy period; and

- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
- (3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:
 - (a) Employment by the insured; or
 - (b) Performing duties related to the conduct of the insured's business; or
- (2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

(c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:

(i) Any insured; or

(ii) Any person or organization for whom you may be legally responsible; or

(d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and

- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

- b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below.

b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I – Coverage A – Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

Snow Services - Bid Award

History

Traditionally, the Natural Resources and Facilities (NRF) and Parks Departments have been responsible for snow removal and salting in municipal parking lots and on sidewalks and paths throughout the Village. In order to provide a higher level of snow clearing services for Orland Park residents, these CDL crews need to be reallocated to help Public Works focus on clearing primary and secondary roadways, by forming two (2) fully staffed teams working together. Contractor support will be responsible for maintaining the parking lots, sidewalks, and bike paths at a zero snow fall tolerance, meaning the contractor will have staff available from the start of a snow event until the snow event has ended and all facilities are completely cleared and salted.

Contractor support for snow removal and salting operations will be performed at the locations listed on Exhibit A.

Contractors will also be used in cul-de-sacs when snow fall is greater than two (2) inches. This contractor support has been consistently used the past twelve to fifteen (12-15) years, which allows Public Works to focus on the primary and secondary routes in heavier snow events.

A request for proposals (RFP) for the Snow & Ice Removal Services contract was published on BidNet Direct on May 24, 2021. BidNet data indicates sixteen (16) vendors downloaded all documents for the bid. On Friday, June 11, 2021 at 11:00am, five (5) sealed bids were opened by the Clerk's Office for this project. Bids were received from: Beverly Snow & Ice, Inc. of Markham, Illinois; Construction Concepts of Illinois of Tinley Park, Illinois; McGill Construction Co., Inc. of Frankfort, Illinois; Shamrock Hardscapes & Restoration of Elburn, Illinois; and Snow Systems of Highland Park, Illinois. Please reference the attached RFP 21-031 Bid Tabulation Sheet and Bid Responsiveness Sheet for pricing.

Staff interviewed representatives from Beverly, McGill, and Construction Concepts of Illinois. It was determined that Beverly Snow & Ice, Inc. has the prior experience and staffing to provide the necessary manpower, equipment, and salting capabilities to successfully handle the parking lots, sidewalks, and bike paths. Beverly provides similar services to neighboring communities, and currently handles all snow clearing operations for the University of Chicago Medical Center in Orland Park. Beverly will be compensated at the hourly equipment rates shown in Exhibit B.

McGill Construction Co., Inc. will provide snow clearing services in cul-de-sacs per the equipment rates shown in Exhibit C. McGill has been providing these services for the Village throughout the past decade.

Construction Concepts of Illinois will also be providing snow clearing services in cul-de-sacs per the rates shown in Exhibit D. Construction Concepts has not worked for the Village previously, but has performed similar work for neighboring municipalities.

Therefore, it is staff's recommendation that Beverly Snow & Ice, Inc., McGill Construction Co. Inc., and Construction Concepts of Illinois be awarded the Snow & Ice Removal Services Contracts.

Financial Impact

Due to uncertainty of number of weather events, type of weather events, and longevity of weather events, Public Works has budgeted an estimate of \$498,750.00 based on historical events records. Remaining 2021 funds in 010-5002-442200 will be used for December events. Upon approval of 2022 budget, funds for this project are allocated in the 010-5002-442200 - Snow Removal.

Recommended Action/Motion

I move to accept the proposals from Beverly Snow & Ice, Inc. of Markham, Illinois; McGill Construction Co., Inc. of Frankfort, Illinois; and Construction Concepts of Tinley Park, Illinois, for Snow & Ice Removal Services in an amount not to exceed \$498,750.00;

And,

Authorize the Village Manager to approve additional contractor support as needed not to exceed \$25,000.00 per contractor;

And,

Authorize the Village Manager to execute all related contracts, subject to Village attorney review.

Said price shall be the total compensation for Contractor's performance hereunder including, but not limited to, all work, deliverables, materials, supplies, equipment, subcontractor's fees, and all reimbursable travel and miscellaneous or incidental expenses to be incurred by Contractor. 23. Prevailing Wage Act Notice [Check box that applies]:
- ☒ The Illinois Prevailing Wage Act (820 ILCS 130/01, et seq.) does not apply to this Contract.
- ☐ The Illinois Prevailing Wage Act (820 ILCS 130/01, et seq.) does apply to this Contract.
- This Contract calls for the construction of a “public work”, within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01, et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current “prevailing rate of wages” (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (“IDOL”) publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL’s website for revisions to prevailing wage rates

942737-01-11-16

and comply with the most current prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to each contractor and subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Prevailing-Wage-Portal.aspx>. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act. The Contractor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

2. "Bodily injury" or "property damage" occurring after:
 - a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

- b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
- C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

The most we will pay on behalf of the additional insured is the amount of insurance:

 - 1. Required by the contract or agreement described in Paragraph A.1.; or

- 2. Available under the applicable Limits of Insurance shown in the Declarations;
- whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.
