Ordinance No: 4835

AN ORDINANCE ESTABLISHING VILLAGE OF ORLAND PARK SPECIAL SERVICE AREA NUMBER 2

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1: AUTHORITY.

Special Service Area Number 2 is established pursuant to the provisions of Article VII, Section 6 of the Constitution of the State of Illinois, and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5 et seq.

SECTION 2: FINDINGS.

The Village Board finds:

A. The question of the establishment of the area hereinafter described as a special service area was considered by the President and Board of Trustees (hereinafter the "Village Board") of the Village of Orland Park (hereinafter the "Village") pursuant to an Ordinance entitled: "An Ordinance Proposing the Establishment of Special Service Area Number 2 in the Village of Orland Park and providing for a Public Hearing and Other Procedures in Connection Therewith," adopted April 15, 2013, and was considered pursuant to a hearing held on June 17, 2013, by the Village Board pursuant to a Newspaper Notice duly published in The Orland Park Prairie, a newspaper published in the Village, at least fifteen (15) days prior to the hearing, and pursuant to Personal Notice by mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the special service area. Said Personal Notice by mail was given by depositing said Personal Notice in the United States mails not less than ten (10) days prior to the time set for the public hearing. In the event taxes for the last preceding year were not paid, the said Personal Notice was sent to the person last listed on the tax rolls prior to that year as the owner of said property. A Certificate of Publication of said Newspaper Notice and an Affidavit of Mailing of said Personal Notice are attached to this Ordinance as Exhibit 1 and Exhibit 2, respectively, and made part hereof. Said Newspaper Notice and Personal Notice conformed in all respects to the requirements of Section 27-25 of the Special Service Area Tax Law (35 ILCS 200/27-25).

B. That a public hearing on the question set forth in the Newspaper Notice and Personal Notice was held on June 17, 2013. All interested persons were given an opportunity to be heard on the question of the creation of the special service area, and the levy of an annual tax to pay for the proposed Special Services (as defined in Section 4 below), as set forth in the Newspaper Notice and Personal Notice. The public hearing was opened on June 17, 2013, and there was final adjournment thereof

VILLAGE OF ORLAND PARK

- C. That more than sixty (60) days have passed since the public hearing, and no objections to the establishment of Special Service Area Number 2 have been filed with the Village.
- D. That after considering the data, as presented at the public hearing, the Village Board finds that it is in the public interest and in the interest of the Village of Orland Park Special Service Area Number 2 that said special service area, as hereinafter described, be established.
- E. Said area is compact and contiguous and exists as a mixed use (residential/commercial) area within the Village.
- F. It is in the best interest of said special service area that the furnishing of the municipal services proposed be considered for the common interests of said area.
- G. Said area is zoned under the Village Center (VC) zoning classification and will benefit specially from municipal services proposed to be provided. The proposed municipal services are unique and in addition to the municipal services provided to the Village as a whole.

Common Boundary Description: That triangular shaped area within the Village of Orland Park generally bounded by the centerline of LaGrange Road on the East, the centerline of 143rd Street on the South, and the Met-Norfolk Southern Railroad property line on the North and West.

All interested persons affected by the formation of Orland Park Special Service Area Number 2 will be given an opportunity to be heard regarding the formation of and the boundaries of Special Service Area Number 2 and may object to the formation of Special Service Area Number 2 and the levy of taxes affecting said Special Service Area Number 2.

The purpose of the formation of Orland Park Special Service Area Number 2 is to fund the Village of Orland Park's cost of the following activities within the public areas of Special Service Area Number 2, under the control of the Village:

- (i) Installation of holiday decorations/lighting and seasonal landscaping;
- (ii) Maintenance of public parking facilities, exclusive of the Metra parking lot, including landscaping and snow removal;
- (iii) Snow removal from public roads;
- (iv) Maintenance of sidewalks, crosswalks and parkways, including landscaping, pavers, planters and other hardscape features;
- (v) Maintenance of features in the public areas, including, but not limited to, special paving, site furniture, planters, hardscape features like the pergola in Crescent Park, retaining walls, detention plantings and water features; and
- (vi) Snow removal from public sidewalks;

(hereinafter the "Special Services"), within said Special Service Area Number 2.

A tax levy at a rate not to exceed \$1.00 per \$100.00 of equalized assessed valuation of property in Special Service Area Number 2 will be considered at the public hearing to cover the cost of the Special Services as well as the costs incurred by the Village in establishing Special Service Area Number 2, with said tax not to be imposed until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on **Exhibit A** attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area. As taxes will not be levied until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet) of the 701,195 square feet) of Parcels A through G, as shown on **Exhibit A** attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area, it is currently unknown as to the actual amount of the taxes that will be levied for the initial year for which taxes will be levied within Special Service Area Number 2; however, any such initial tax levy shall not exceed the maximum tax rate as set forth above. Said tax is to be levied upon all taxable property within the proposed Special Service Area Number 2.

At the public hearing, all persons affected by the formation of said Special Service Area Number 2, including all persons owning taxable real estate

therein, will be given an opportunity to be heard. The public hearing may be adjourned by the President and Board of Trustees to another date without further notice, other than a motion, to be entered upon the minutes of its meeting, fixing the time and place of its adjournment and/or as otherwise required by law.

If a petition signed by at least fifty-one percent (51%) of the electors residing within Special Service Area Number 2 and by at least fifty-one percent (51%) of the owners of record of the land included within the boundaries of Special Service Area Number 2 is filed with the Village Clerk, within sixty (60) days following the final adjournment of the public hearing, objecting to the creation of Special Service Area Number 2, the enlargement thereof, the levy or imposition of a tax for the provision of the Special Services to the area, or to a proposed increase in the tax rate, said Special Service Area Number 2 may not be created or enlarged, and no tax may be levied or imposed nor the rate increased.

Common Boundary Description: That triangular shaped area within the Village of Orland Park generally bounded by the centerline of LaGrange Road on the East, the centerline of 143rd Street on the South, and the Metra/Norfolk Southern Railroad property line on the North and West.

All interested persons affected by the formation of Orland Park Special Service Area Number 2 will be given an opportunity to be heard regarding the formation of and the boundaries of Special Service Area Number 2 and may object to the formation of Special Service Area Number 2 and the levy of taxes affecting said Special Service Area Number 2.

The purpose of the formation of Orland Park Special Service Area Number 2 is to fund the Village of Orland Park's cost of the following activities within the public areas of Special Service Area Number 2, under the control of the Village:

- (i) Installation of holiday decorations/lighting and seasonal landscaping;
- (ii) Maintenance of public parking facilities, exclusive of the Metra parking lot, including landscaping and snow removal;
- (iii) Snow removal from public roads;
- (iv) Maintenance of sidewalks, crosswalks and parkways, including landscaping, pavers, planters and other hardscape features;
- (v) Maintenance of features in the public areas, including, but not limited to, special paving, site furniture, planters, hardscape features like the pergola in Crescent Park, retaining walls, detention plantings and water features; and

- (vi) Snow removal from public sidewalks;

(hereinafter the "Special Services"), within said Special Service Area Number 2.

A tax levy at a rate not to exceed \$1.00 per \$100.00 of equalized assessed valuation of property in Special Service Area Number 2 will be considered at the public hearing to cover the cost of the Special Services as well as the costs incurred by the Village in establishing Special Service Area Number 2, with said tax not to be imposed until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area. As taxes will not be levied until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area, it is currently unknown as to the actual amount of the taxes that will be levied for the initial year for which taxes will be levied within Special Service Area Number 2; however, any such initial tax levy shall not exceed the maximum tax rate as set forth above. Said tax is to be levied upon all taxable property within the proposed Special Service Area Number 2.

At the public hearing, all persons affected by the formation of said Special Service Area Number 2, including all persons owning taxable real estate therein, will be given an opportunity to be heard. The public hearing may be adjourned by the President and Board of Trustees to another date without further notice, other than a motion, to be entered upon the minutes of its meeting, fixing the time and place of its adjournment and/or as otherwise required by law.

If a petition signed by at least fifty-one percent (51%) of the electors residing within Special Service Area Number 2 and by at least fifty-one percent (51%) of the owners of record of the land included within the boundaries of Special Service Area Number 2 is filed with the Village Clerk, within sixty (60) days following the final adjournment of the public hearing, objecting to the creation of Special Service Area Number 2, the enlargement thereof, the levy or imposition of a tax for the provision of the Special Services to the area, or to a proposed increase in the tax rate, said Special Service Area Number 2 may not be created or enlarged, and no tax may be levied or imposed nor the rate increased.

VILLAGE OF ORLAND PARK

Ordinance No: 4835

AN ORDINANCE ESTABLISHING VILLAGE OF ORLAND PARK SPECIAL SERVICE AREA NUMBER 2

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1: AUTHORITY.

Special Service Area Number 2 is established pursuant to the provisions of Article VII, Section 6 of the Constitution of the State of Illinois, and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5 et seq.

SECTION 2: FINDINGS.

The Village Board finds:

A. The question of the establishment of the area hereinafter described as a special service area was considered by the President and Board of Trustees (hereinafter the "Village Board") of the Village of Orland Park (hereinafter the "Village") pursuant to an Ordinance entitled: "An Ordinance Proposing the Establishment of Special Service Area Number 2 in the Village of Orland Park and providing for a Public Hearing and Other Procedures in Connection Therewith," adopted April 15, 2013, and was considered pursuant to a hearing held on June 17, 2013, by the Village Board pursuant to a Newspaper Notice duly published in The Orland Park Prairie, a newspaper published in the Village, at least fifteen (15) days prior to the hearing, and pursuant to Personal Notice by mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the special service area. Said Personal Notice by mail was given by depositing said Personal Notice in the United States mails not less than ten (10) days prior to the time set for the public hearing. In the event taxes for the last preceding year were not paid, the said Personal Notice was sent to the person last listed on the tax rolls prior to that year as the owner of said property. A Certificate of Publication of said Newspaper Notice and an Affidavit of Mailing of said Personal Notice are attached to this Ordinance as Exhibit 1 and Exhibit 2, respectively, and made part hereof. Said Newspaper Notice and Personal Notice conformed in all respects to the requirements of Section 27-25 of the Special Service Area Tax Law (35 ILCS 200/27-25).

B. That a public hearing on the question set forth in the Newspaper Notice and Personal Notice was held on June 17, 2013. All interested persons were given an opportunity to be heard on the question of the creation of the special service area, and the levy of an annual tax to pay for the proposed Special Services (as defined in Section 4 below), as set forth in the Newspaper Notice and Personal Notice. The public hearing was opened on June 17, 2013, and there was final adjournment thereof

VILLAGE OF ORLAND PARK

on June 17, 2013, as part of the regular Orland Park Village Board meeting on said date.

C. That more than sixty (60) days have passed since the public hearing, and no objections to the establishment of Special Service Area Number 2 have been filed with the Village.

D. That after considering the data, as presented at the public hearing, the Village Board finds that it is in the public interest and in the interest of the Village of Orland Park Special Service Area Number 2 that said special service area, as hereinafter described, be established.

E. Said area is compact and contiguous and exists as a mixed use (residential/commercial) area within the Village.

F. It is in the best interest of said special service area that the furnishing of the municipal services proposed be considered for the common interests of said area.

G. Said area is zoned under the Village Center (VC) zoning classification and will benefit specially from municipal services proposed to be provided. The proposed municipal services are unique and in addition to the municipal services provided to the Village as a whole.

Common Boundary Description: That triangular shaped area within the Village of Orland Park generally bounded by the centerline of LaGrange Road on the East, the centerline of 143rd Street on the South, and the Metra/Norfolk Southern Railroad property line on the North and West.

All interested persons affected by the formation of Orland Park Special Service Area Number 2 will be given an opportunity to be heard regarding the formation of and the boundaries of Special Service Area Number 2 and may object to the formation of Special Service Area Number 2 and the levy of taxes affecting said Special Service Area Number 2.

The purpose of the formation of Orland Park Special Service Area Number 2 is to fund the Village of Orland Park's cost of the following activities within the public areas of Special Service Area Number 2, under the control of the Village:

- (i) Installation of holiday decorations/lighting and seasonal landscaping;
- (ii) Maintenance of public parking facilities, exclusive of the Metra parking lot, including landscaping and snow removal;
- (iii) Snow removal from public roads;
- (iv) Maintenance of sidewalks, crosswalks and parkways, including landscaping, pavers, planters and other hardscape features;
- (v) Maintenance of features in the public areas, including, but not limited to, special paving, site furniture, planters, hardscape features like the pergola in Crescent Park, retaining walls, detention plantings and water features; and

(vi) Snow removal from public sidewalks;
(hereinafter the "Special Services"), within said Special Service Area Number 2.

A tax levy at a rate not to exceed \$1.00 per \$100.00 of equalized assessed valuation of property in Special Service Area Number 2 will be considered at the public hearing to cover the cost of the Special Services as well as the costs incurred by the Village in establishing Special Service Area Number 2, with said tax not to be imposed until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area. As taxes will not be levied until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area, it is currently unknown as to the actual amount of the taxes that will be levied for the initial year for which taxes will be levied within Special Service Area Number 2; however, any such initial tax levy shall not exceed the maximum tax rate as set forth above. Said tax is to be levied upon all taxable property within the proposed Special Service Area Number 2.

At the public hearing, all persons affected by the formation of said Special Service Area Number 2, including all persons owning taxable real estate

therein, will be given an opportunity to be heard. The public hearing may be adjourned by the President and Board of Trustees to another date without further notice, other than a motion, to be entered upon the minutes of its meeting, fixing the time and place of its adjournment and/or as otherwise required by law.

If a petition signed by at least fifty-one percent (51%) of the electors residing within Special Service Area Number 2 and by at least fifty-one percent (51%) of the owners of record of the land included within the boundaries of Special Service Area Number 2 is filed with the Village Clerk, within sixty (60) days following the final adjournment of the public hearing, objecting to the creation of Special Service Area Number 2, the enlargement thereof, the levy or imposition of a tax for the provision of the Special Services to the area, or to a proposed increase in the tax rate, said Special Service Area Number 2 may not be created or enlarged, and no tax may be levied or imposed nor the rate increased.

Common Boundary Description: That triangular shaped area within the Village of Orland Park generally bounded by the centerline of LaGrange Road on the East, the centerline of 143rd Street on the South, and the Metra/Norfolk Southern Railroad property line on the North and West.

All interested persons affected by the formation of Orland Park Special Service Area Number 2 will be given an opportunity to be heard regarding the formation of and the boundaries of Special Service Area Number 2 and may object to the formation of Special Service Area Number 2 and the levy of taxes affecting said Special Service Area Number 2.

The purpose of the formation of Orland Park Special Service Area Number 2 is to fund the Village of Orland Park's cost of the following activities within the public areas of Special Service Area Number 2, under the control of the Village:

- (i) Installation of holiday decorations/lighting and seasonal landscaping;
- (ii) Maintenance of public parking facilities, exclusive of the Metra parking lot, including landscaping and snow removal;
- (iii) Snow removal from public roads;
- (iv) Maintenance of sidewalks, crosswalks and parkways, including landscaping, pavers, planters and other hardscape features;
- (v) Maintenance of features in the public areas, including, but not limited to, special paving, site furniture, planters, hardscape features like the pergola in Crescent Park, retaining walls, detention plantings and water features; and

(vi) Snow removal from public sidewalks;

(hereinafter the "Special Services"), within said Special Service Area Number 2.

A tax levy at a rate not to exceed \$1.00 per \$100.00 of equalized assessed valuation of property in Special Service Area Number 2 will be considered at the public hearing to cover the cost of the Special Services as well as the costs incurred by the Village in establishing Special Service Area Number 2, with said tax not to be imposed until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area. As taxes will not be levied until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area, it is currently unknown as to the actual amount of the taxes that will be levied for the initial year for which taxes will be levied within Special Service Area Number 2; however, any such initial tax levy shall not exceed the maximum tax rate as set forth above. Said tax is to be levied upon all taxable property within the proposed Special Service Area Number 2.

At the public hearing, all persons affected by the formation of said Special Service Area Number 2, including all persons owning taxable real estate therein, will be given an opportunity to be heard. The public hearing may be adjourned by the President and Board of Trustees to another date without further notice, other than a motion, to be entered upon the minutes of its meeting, fixing the time and place of its adjournment and/or as otherwise required by law.

If a petition signed by at least fifty-one percent (51%) of the electors residing within Special Service Area Number 2 and by at least fifty-one percent (51%) of the owners of record of the land included within the boundaries of Special Service Area Number 2 is filed with the Village Clerk, within sixty (60) days following the final adjournment of the public hearing, objecting to the creation of Special Service Area Number 2, the enlargement thereof, the levy or imposition of a tax for the provision of the Special Services to the area, or to a proposed increase in the tax rate, said Special Service Area Number 2 may not be created or enlarged, and no tax may be levied or imposed nor the rate increased.

Common Boundary Description: That triangular shaped area within the Village of Orland Park generally bounded by the centerline of LaGrange Road on the East, the centerline of 143rd Street on the South, and the Metra/Norfolk Southern Railroad property line on the North and West.

All interested persons affected by the formation of Orland Park Special Service Area Number 2 will be given an opportunity to be heard regarding the formation of and the boundaries of Special Service Area Number 2 and may object to the formation of Special Service Area Number 2 and the levy of taxes affecting said Special Service Area Number 2.

The purpose of the formation of Orland Park Special Service Area Number 2 is to fund the Village of Orland Park's cost of the following activities within the public areas of Special Service Area Number 2, under the control of the Village:

- (i) Installation of holiday decorations/lighting and seasonal landscaping;
- (ii) Maintenance of public parking facilities, exclusive of the Metra parking lot, including landscaping and snow removal;
- (iii) Snow removal from public roads;
- (iv) Maintenance of sidewalks, crosswalks and parkways, including landscaping, pavers, planters and other hardscape features;
- (v) Maintenance of features in the public areas, including, but not limited to, special paving, site furniture, planters, hardscape features like the pergola in Crescent Park, retaining walls, detention plantings and water features; and

- (vi) Snow removal from public sidewalks;

(hereinafter the "Special Services"), within said Special Service Area Number 2.

A tax levy at a rate not to exceed \$1.00 per \$100.00 of equalized assessed valuation of property in Special Service Area Number 2 will be considered at the public hearing to cover the cost of the Special Services as well as the costs incurred by the Village in establishing Special Service Area Number 2, with said tax not to be imposed until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area. As taxes will not be levied until the earlier of the 2017 tax levy year (with taxes collected in 2018), or at such time as at least fifty percent (50%) of the area (8.05 acres of the 16.1 acres / 350,597.5 square feet of the 701,195 square feet) of Parcels A through G, as shown on Exhibit A attached hereto and made part hereof, is developed, such that a full occupancy permit has been issued by the Village relative to said area, it is currently unknown as to the actual amount of the taxes that will be levied for the initial year for which taxes will be levied within Special Service Area Number 2; however, any such initial tax levy shall not exceed the maximum tax rate as set forth above. Said tax is to be levied upon all taxable property within the proposed Special Service Area Number 2.

At the public hearing, all persons affected by the formation of said Special Service Area Number 2, including all persons owning taxable real estate therein, will be given an opportunity to be heard. The public hearing may be adjourned by the President and Board of Trustees to another date without further notice, other than a motion, to be entered upon the minutes of its meeting, fixing the time and place of its adjournment and/or as otherwise required by law.

If a petition signed by at least fifty-one percent (51%) of the electors residing within Special Service Area Number 2 and by at least fifty-one percent (51%) of the owners of record of the land included within the boundaries of Special Service Area Number 2 is filed with the Village Clerk, within sixty (60) days following the final adjournment of the public hearing, objecting to the creation of Special Service Area Number 2, the enlargement thereof, the levy or imposition of a tax for the provision of the Special Services to the area, or to a proposed increase in the tax rate, said Special Service Area Number 2 may not be created or enlarged, and no tax may be levied or imposed nor the rate increased.

DATED this 30th day of May, 2013.
