Landscaping is more than mowing the grass or weeding a garden. It's about building and maintaining outdoor spaces so that people can find inspiration and community. Whether we maintain a yard, design a patio, or construct a park, we're dedicated to helping people enjoy these beautiful landscapes and share them with their neighbors and family.

Old Post Office

2017 - Present

The Old Chicago Post Office was originally completed in 1921 but expanded to its current size in 1932. After a new Post Office was built, the Old Post Office sat vacant for two decades until its current renovation. It is the largest historic redevelopment in the country. As new tenants settle into the modern state of the art building with a 3.5-acre urban roof top oasis, the west side of the Chicago River has new energy and vitality.

McCORMICK PLACE

Chicago's McCormick Place is North America's premier convention facility. The McCormick Place Complex consists of nine million square feet in six buildings: North, South, Lakeside Center, West, the Energy Center, and the Corporate Center. The McCormick Place convention facility includes four state-of-the-art exhibit halls, the South, West, North buildings and the Lakeside Centers, making McCormick Place the nation's largest convention center. McCormick Place hosts approximately 125 to 150 events and attracts more than four million trade and public show visitors annually. In addition, an expansive series of pedestrian promenades and sky bridges link the entire campus. The Grand Concourse connecting South and North and the Central Concourse in West are also locations for retail shops, cafes, restaurants and other visitor amenities. The landscaping of McCormick Place enhances the visual impact when visitors arrive at McCormick Place for the first time or the 10th time. The outdoor space is the first sight that welcomes attendees and vendors to this impressive event space. Changes in seasonal plantings keep the areas looking fresh and new, while the natural area create consistency. The continuous care of the landscape is critical to the overall experience of the guests.

Millennium Park is Chicago's showplace for cutting edge art, architecture, landscape design, music, and more. Christy Webber & Company have been involved before its opening as the project landscape installer and has continued its work as the landscape maintenance contractor since 2004. Millennium Park has been our ground to showcase the edible garden project, where planting edibles with florals in a public area provide food for people to enjoy. With the volume of visitors and special events, it takes constant care to maintain this lakefront showplace, and our dedicated crews take great pride in preserving its beauty and health as if it was their own.

In the event of the Bidder's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Human Right Act, or the Rules and Regulations for Public Contracts of the Department of Human Rights the Bidder may be declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this agreement may be canceled or avoided in whole or in part, and such other sanctions or penalties may be imposed or remedies involved as provided by statute or regulation.

7) **PREVAILING WAGE COMPLIANCE:** Yes No []

In the manner and to the extent required by law, this bid is subject to the Illinois Prevailing Wage Act and to all laws governing the payment of wages to laborers, workers and mechanics of a Bidder or any subcontractor of a Bidder bound to this agreement who is performing services covered by this contract. If awarded the Contract, per 820 ILCS 130 et seq. as amended, Bidder shall pay not less than the prevailing hourly rate of wages, the generally prevailing rate of hourly wages for legal holiday and overtime work, and the prevailing hourly rate for welfare and other benefits as determined by the Illinois Department of Labor or the Village and as set forth in the schedule of prevailing wages for this contract to all laborers, workers and mechanics performing work under this contract (available at <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Rates.aspx>).

The undersigned Bidder further stipulates and certifies that it has maintained a satisfactory record of Prevailing Wage Act compliance with no significant Prevailing Wage Act violations for the past three (3) years.

Certified Payroll. The Illinois Prevailing Wage Act requires any contractor and each subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day

of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/certifiedtranscriptofpayroll.aspx>. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act.

8) **TAX COMPLIANT:** Yes No
