

ORDINANCE GRANTING AN AMENDMENT TO A SPECIAL USE PERMIT – PADDY B’S RESTAURANT AND PUB (11967 - 11975 W. 143RD STREET)

WHEREAS, an application seeking an amendment to a special use for certain real estate, as set forth below, has been filed with the Village Clerk of this Village and has been referred to the Plan Commission of this Village and has been processed in accordance with the Land Development Code of the Village of Orland Park, as amended; and

WHEREAS, the Plan Commission of this Village held a public hearing on January 13, 2015, on whether the requested amendment to a special use permit should be granted, at which time all persons present were afforded an opportunity to be heard; and

WHEREAS, a public notice in the form required by law was given of said public hearing by publication not more than 30 days nor less than 15 days prior to said hearing in the Orland Park Prairie, a newspaper of general circulation in this Village; and

WHEREAS, the Plan Commission of this Village has filed its report of findings and recommendations that the requested amendment to a special use permit be granted with this President and Board of Trustees, and this Board of Trustees has duly considered said report and findings and recommendations;

NOW THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1

The report of the Plan Commission of this Village is herein incorporated by reference, as completely as if fully recited herein. All exhibits submitted at the aforesaid public hearing are also incorporated by reference into this Ordinance. The Board of Trustees find that the proposed amendment to a special use permit is in the public good and in the best interests of the Village and its residents, and is consistent with and fosters the purposes and spirit of the Land Development Code of the Village of Orland Park, as set forth in Section 1-102 thereof.

SECTION 2

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds in relation to the amendment to a special use permit for a restaurant in the BIZ General Business District as follows:

(a) The Subject Property is located at 11967 W. 143rd Street in the existing Pinewood Plaza Shopping Center. The proposal is to expand the existing restaurant at this location to include an additional 900 square feet of space in an adjacent vacant retail unit, 11975 W. 143rd Street, in the Pinewood Plaza Shopping Center and within 300 feet of residential property to the north and south. While the current expansion is limited to approximately 900 square feet of the adjacent space at 11975 W. 143rd Street, the special use amendment will permit expansion into the entire adjacent space at 11975 W. 143rd Street, which consists of approximately 2,210 square feet.

(b) The Subject Property is the subject of Special Use Ordinance No. 4566, which approved the operation of a restaurant with 1,800 square feet, and Special Use Ordinance No. 4639, which approved the expansion of the restaurant to 2,700 square feet.

(c) The Subject Property is zoned BIZ General Business District within the Village of Orland Park, Cook and Will Counties, Illinois. The Petitioner, Tim F. McCarthy, is seeking an amendment to a special use permit to permit the expansion of the restaurant on the Subject Property.

(d) The proposed amendment to a special use will be consistent with the character of the immediate vicinity of the Subject Property. The property to the north of the proposed restaurant location is zoned R-4 Residential and contains the Long Run Creek Subdivision. Property to the south contains single family homes and is located outside of the boundaries of the Village. Property to the east is zoned BIZ General Business District and is vacant. Property to the west is outside of the Village and contains commercial and residential uses. The proposed expanded restaurant will be compatible with these surrounding uses. The strip center includes other commercial uses, including other small restaurants, cleaners, salons and other retail units, and the expanded restaurant is compatible with those. No exterior changes to the existing building are proposed.

(e) The proposed amendment to a special use permit is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code of the Village of Orland Park. The Comprehensive Plan designates this site as Neighborhood Mixed Use within the Orland Grove Planning District. The expanded restaurant is appropriate in such an area.

(f) The design of the proposed amendment to a special use will minimize any adverse effects, including visual impacts, on adjacent properties. The retail center is designed to accommodate uses like this and contains an approximately 15 foot turf buffer area behind the strip center that helps to screen it from the single family homes that abut the center at the rear. An eight foot (8') wooden privacy fence also extends along the property line between the properties. Parking is adequate in the center so there will be no impact on accessibility to adjacent properties. There will be no adverse effect on the value of adjacent property.

(g) The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police protection, hospital and medical services, drainage systems, refuse disposal, water and sewers, and schools will be capable of serving the amendment to a special use at an adequate level of service. Pinewood Plaza Shopping Center is generally located along 143rd Street, east of Will-Cook Road. Access to the site is available from an access drive off 143rd Street on the east end of the site and an access drive aisle off Will-Cook Road on the west end. There is also a second curb cut on Will-Cook Road to provide access to the rear alleyway for Pinewood Plaza.

(h) The Petitioner has made adequate legal provisions to guarantee the provision and development of any open space and other improvements associated with the proposed development.

(i) The development will not adversely affect a known archaeological, historical or cultural resource.

(j) The amendment to the special use as granted shall in all aspects conform to the applicable regulations of the Land Development Code of the Village of Orland Park as amended, for the district in which it is located as well as all applicable regulations and ordinances of the Village, unless specifically addressed in this or another Ordinance.

SECTION 3

An amendment to a special use permit in the BIZ General Business District, subject to the conditions below, is hereby granted and issued to Paddy B's Restaurant and Pub, 11967 - 11975 W. 143rd Street, for the operation of a restaurant, with limited catering service and outdoor seating, within 300 feet from residential properties, in several units of the existing Pinewood Plaza Shopping Center on the Subject Property. The current expansion of the restaurant will increase the square footage to approximately 3,600 square feet and it may expand to use all of the remaining square footage of the existing 11975 W. 143rd Street unit, which would permit a total of 4,810 square feet for the restaurant.
