

PARKING FACILITIES MAINTENANCE AGREEMENT

THIS PARKING FACILITIES MAINTENANCE AGREEMENT (“Agreement”) is made and entered into this 7th day of September, 2021 (“Commencement Date”), by and between the Village of Orland Park, an Illinois home rule municipal corporation (“Village”), having its principal place of business at 14700 S. Ravinia Avenue, Orland Park, Illinois 60462, and THE UNIVERSITY OF CHICAGO MEDICAL CENTER, an Illinois not-for-profit corporation, having its principal place of business at 5841 S. Maryland Avenue, Chicago, Illinois 60637 (“UCMC”).

PRELIMINARY STATEMENT

A. The Village and UCMC entered into a Ground Lease (“Ground Lease”) as of August 17, 2015, pursuant to which UCMC constructed a multi-story Center for Advanced Care which additionally provided for, inter alia, construction of a multi-level parking deck, a surface parking lot, sidewalks and two (2) public streets.

B. Pursuant to the Ground Lease, the Village has constructed, on Village property, with financial contributions by both UCMC and the Village, a public above-ground multi-level motor vehicle parking deck (“Parking Deck”) having 547 parking spaces, with adjacent pedestrian sidewalks (“Sidewalks”). The Parking Deck and Sidewalks are located in the Village on the north side of 143rd Street immediately west of the UCMC’s Center For Advanced Care.

C. Adjacent to the Parking Deck and Sidewalks, the Village also constructed two (2) public streets, Jefferson Avenue and “B” Street (“Streets”), providing vehicular access to the Parking Deck, Center For Advanced Care and a surface motor vehicle parking lot (“Parking Lot”), having 207 parking spaces, constructed by UCMC immediately north of the Center for Advanced Care.

D. As provided for in the Ground Lease,

(i) UCMC has 175 reserved parking spaces in the Parking Deck for 72 hours per week; and

(ii) UCMC has 157 reserved parking spaces in the Parking Lot for 70 hours per week; and

(iii) CVS Pharmacy (UCMC's sublessee of the first floor of the Center For Advanced Medicine) has 50 reserved parking spaces in the Parking Lot for 168 hours per week; and

(iv) During the hours of the week that parking spaces in the Parking Deck and Parking Lot are not reserved for the use of employees, patients and customers of UCMC and/or CVS Pharmacy, all parking spaces in both the Parking Deck and Parking Lot are available for motor vehicle parking by the general public.

E. Although Article 9, Section 9.1, of the Ground Lease provides that the Village and UCMC each pay its proportionate share of maintenance of the Parking Deck, the parties hereto agree that a formal agreement between the parties is necessary and desirable in order to establish the responsibility for and sharing of expenses related to the

(i) plowing, deicing and snow relocation of the Parking Deck, Parking Lot, Streets and Sidewalks;

(ii) power washing of the Parking Deck and sweeping of the Parking Deck, Parking Lot, Streets and Sidewalks; and

(iii) maintaining landscaping and controlling litter with respect to the Parking Deck, Parking Lot, Streets and Sidewalks.

F. UCMC has a higher standard (designated Premium Health Care Service Level 1) of facilities maintenance for snow removal, power washing, sweeping, landscape maintenance and litter control than would ordinarily be provided by the Village for these tenant and public facilities and, therefore, the Village desires, and UCMC agrees, that the maintenance of the Parking Deck,

Parking Lot, Streets and Sidewalks, as detailed above, be undertaken by UCMC with the parties sharing the costs thereof on an equitable basis as hereinafter provided.

ARTICLE 1
TERM OF AGREEMENT

1.1 The Initial Term. The initial term of this Agreement shall be five (5) years commencing on the Commencement Date and expiring on September 7, 2026, unless otherwise terminated pursuant to ARTICLE 5.

1.2 Term Renewals. This Agreement shall automatically renew for additional five (5) year terms upon the expiration of the Initial Term, subject to the provisions of 5.2 of ARTICLE 5.

ARTICLE 2
MAINTENANCE RESPONSIBILITIES

2.1 UCMC Obligations. During the term of this Agreement, UCMC shall have the obligation, using its own properly qualified employees or Village approved contractors, to:

2.1.1 Snow Removal. Plow, deice and relocate snow from, the Parking Deck, Parking Lot, Streets and Sidewalks.

2.1.2 Washing and Sweeping. Sweep the Parking Deck, Parking Lot, Streets and Sidewalks as necessary in accordance with the Maintenance & Monitoring Checklist (“Maintenance & Monitoring Checklist”) attached hereto and made a part hereof as EXHIBIT A.

2.1.3 Landscaping and Litter Control. Maintain the landscaping and remove litter as necessary, but no less frequently than provided in the Maintenance & Monitoring Checklist.

2.1.4 Remaining Maintenance Services. The Village and UCMC shall each provide such additional maintenance and cleaning services in accordance with their respective responsibilities as set forth in the attached Maintenance & Monitoring Checklist.

2.2 Standard of Service. UCMC’s obligations regarding snow removal, washing, sweeping, landscape maintenance and litter control shall be performed in accordance with UCMC’s Premium Health Care Service Level 1 as presently established with, and no less frequently than as provided in the attached Maintenance & Monitoring Checklist, and changes or modifications to the current level or frequency of service to be approved in

advance by the Village. UCMC shall perform regular routine “walk throughs” of the Parking Deck, Parking Lot, Streets and Sidewalks and will promptly inform the Village’s Director of Public Works regarding necessary repairs and replacements.

ARTICLE 3
ALLOCATION OF MAINTENANCE COSTS

3.1 Village Share of Costs. The Village shall reimburse UCMC for the following maintenance services in the following manner:

3.1.1 Snow Plowing Removal (to include relocation) and Deicing. Based upon the Chicago Midway (i.e. Chicago Midway Airport) Climate Normals published by the Illinois State Climatologist, the parties hereto acknowledge and agree that for the period January 1, 1981, through December 31, 2010, the average annual snowfall at Chicago Midway Airport was 37.1 inches (the “Average Base”). The Village shall bear fifty-four percent (54%) of the cost of plowing and deicing the Parking Deck, Parking Lot, Streets and Sidewalks. As hereinafter provided in Subsection 3.1.6 below, the Village Expense Obligation to UCMC (defined in Subsection 3.1.6 below) for the cost of snow plowing shall be adjusted, up or down, annually by a factor of \$1,521.44 per inch to the extent that the prior season’s snowfall is 10 inches more than the Average Base or 10 inches less than the Average Base. Said 10 inch variation shall be measured at the NOAA weather station located at Chicago Midway Airport, and is referred to herein as the “Buffer Margin”. In no event shall UCMC allow snow to be piled on or relocated to the top level of the Parking Deck.

3.1.2 Parking Deck Washing and Sweeping. The annual Village contribution towards parking deck washing and sweeping was calculated based upon a cost allocation taking into account the total hours of non-reserved Parking Deck parking spaces, with the Village bearing eighty-six per cent (86%) of the Parking Deck power washing and sweeping cost.

3.1.3 Parking Lot, Street and Sidewalk Sweeping. Based on a cost allocation taking into account the total hours of non-reserved Parking Lot parking spaces, the Village shall bear forty-four percent (44%) of the Parking Lot, Street and Sidewalk sweeping cost.

3.1.4 Landscape Maintenance. The annual Village contribution towards landscape maintenance was calculated based upon a cost allocation taking into account the percentage of Landscape area assigned to each of the parties, with the Village bearing thirty percent (30%) of the Landscape maintenance cost.

3.1.5 Litter Control. The annual Village contribution towards landscape maintenance was calculated based upon a cost allocation taking into account the total hours of non-reserved Parking Deck parking spaces, with the Village bearing eighty-six percent (86%) of the Litter Control cost.

3.1.6 Village Expense Obligation to UCMC. For each year of the Initial Term of this Agreement, the Village will budget the sum of \$86,839.00 for its share of the costs described in Subsections 3.1.1 through and including 3.1.5, subject solely to adjustment of the Village's share of the snow plowing cost as described in Subsection 3.1.1 and the cost of living adjustment described in Subsection 3.1.7. As soon as practicable after the fourth year of the Initial Term, the Village and UCMC shall review UCMC's annualized costs of the maintenance services described in Subsections 3.1.1 through and including 3.1.5 with UCMC providing a detailed accounting of the costs incurred, and in accordance with the percentage costs shares identified Subsections 3.1.1 through and including 3.1.5. Based upon the review of UCMC's annualized costs of maintenance services conducted after the fourth year of the Initial Term, the parties hereto will thereupon mutually agree upon the annual budget amount to be used by the Village for the ensuing five (5) year terms of this Agreement. Payment of the annual budgeted amount by the Village shall be in equal quarterly installments due on the first day of March, (for the 4th quarter of 2021), June, September and December of each year. The Snow Plowing, Removal and Deicing Buffer Margin payment adjustment, as detailed in Subsection 3.1.1. shall be made in conjunction with the June quarterly installment.

3.1.7 Cost Of Living Adjustment. At the conclusion of each year of this Agreement unless the parties shall otherwise agree and provided that the maintenance services remain consistent as provided in Subsections 3.1.1 though and including 3.1.5, the amount budgeted by the Village for the ensuing year, as well as the snowfall factor of \$1,521.44 per inch as referenced in Subsection 3.1.1, shall be increased by the percentage increase for the twelve month period of such previous calendar year of the CPI-U (as defined hereafter) or, in the event that publication of such index is terminated, any successor or substitute index, appropriately adjusted, acceptable to both parties, As used herein, "CPI-U" shall mean the Consumer Price Index for Urban Wage Earners and Clerical Workers (Area: Chicago-Naperville-Elgin), as published by the United States Department of Labor, Bureau of Labor Statistics.

3.1.8 Reimbursement of UCMC for Maintenance Services through September 30, 2021. Following execution of this Agreement by the Village and UCMC, the Village shall reimburse UCMC for UCMC's maintenance services expenses incurred from on or about November 1, 2016, through and including September 30, 2021, in the amount of ONE HUNDRED SEVENTY ONE THOUSAND FORTY NINE and 90/100 DOLLARS (\$171,049.90).

ARTICLE 5 TERMINATION RIGHTS

5.1 Default. Either party shall have the right to terminate this Agreement upon any failure of the other party to keep, observe or perform any material covenant of this Agreement to be kept

observed or performed by the other party and such failure shall continue for a period of thirty (30) days after notice of such default from the non-defaulting party.

5.2 Mutual Agreement To Terminate. This Agreement shall not be terminated, except upon a party's default, absent mutual agreement of the parties and replacement of this Agreement with a mutually agreed upon successor agreement. It is understood and agreed that the parties hereto may mutually determine that the maintenance functions outlined in this Agreement may best be provided by an independent contractor or "3rd Party Manager." In such event, the parties hereto shall jointly agree on a revised cost sharing formula.

5.3 Curing Defaults. Any default by either party under the provisions of Section 5.1 which is susceptible of being cured shall not constitute a basis for the termination of this Agreement if the nature of such default shall not permit it to be cured within the thirty (30) day grace period allotted, provided that within such grace period, the party in default shall give notice of its intent to cure and has taken steps to complete the cure in good faith and with reasonable diligence. The party in default shall provide a written summary of the actions underway to cure the default within three (3) business days following any written request for such summary from the other party.

5.4 Effect of Termination. The unilateral termination of this Agreement under the provisions of this Article 5 shall not affect the rights of the terminating party with respect to any damages it has suffered as a result of any breach of this Agreement, nor shall it affect the rights of either party with respect to any liability or claims accrued, or arising out of events occurring, prior to the date of termination.

5.5 Remedies Cumulative. Neither the right of termination, nor the right to sue for damages, nor any other remedy available to either party under this Agreement shall be exclusive

of any other remedy given under this Agreement or now or hereafter existing at law or equity, unless otherwise provided herein.

ARTICLE 6

(c) which results from any act or omission constituting gross negligence or willful misconduct on the part of any employee or agent of Village. The obligations contained in this Section 6.1.2 shall not apply to the extent the Village has tort immunity for the underlying claim.
