- 6.3 The CONTRACTOR shall not contract with anyone to whom the VILLAGE has a reasonable objection.
- 6.4 The CONTRACTOR shall prepare all Subcontracts and shall have full discretion to negotiate their terms, subject to the VILLAGE's reasonable requirements or objections as to form and content.

Each subcontract agreement shall preserve and protect the rights of the VILLAGE under the Contract Documents with respect to the work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights, and shall allow to the Subcontractor, unless specifically provided otherwise in the subcontract agreement, the benefit of all rights, remedies and redress against the CONTRACTOR that the CONTRACTOR, by the Contract Documents, has against the VILLAGE. Where appropriate, the CONTRACTOR shall require each Subcontractor to enter into similar agreements with Sub-subcontractors. The CONTRACTOR shall make available to each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and, upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement which may be at variance with the Contract Documents. ## ARTICLE 8: DEFAULT

- 8.1 If the CONTRACTOR fails to begin the WORK under this contract within the time specified, or fails to perform the WORK with sufficient workmen, equipment or materials to insure the completion of said Work within the specified time, or shall perform the WORK in an unsatisfactory manner, or shall neglect or refuse to remove materials or perform anew such work as shall be rejected as defective or unsuitable by reason of defect in material or workmanship or by reason of noncompliance with the specifications, or shall discontinue the prosecution of the WORK, or if the CONTRACTOR shall become insolvent or be declared bankrupt, or shall make an assignment for the benefit of creditors, or from any other cause whatsoever shall fail to carry on the WORK in an acceptable manner, the VILLAGE shall give notice to the CONTRACTOR and his surety in writing specifying such failure, delay, neglect, refusal or default, and if the CONTRACTOR, within a period of ten (10) calendar days after such notice, shall not proceed in accordance therewith, then the VILLAGE shall have full power and authority to declare the forfeiture of this contract, and to forfeit the rights of the CONTRACTOR in this contract.
- 8.2 Upon declaration of Contractor's default, the VILLAGE may, at his option, call upon the surety to complete the WORK in accordance with the terms of this contract or may take over the WORK, including any materials and equipment on the work site as may be suitable and acceptable to the VILLAGE and may complete the WORK by or on its own force account, or may enter into a new contract for the completion of the WORK, or may use such other methods as shall be required for the completion of the WORK in an acceptable manner.
- 8.3 All costs and charges incurred by the VILLAGE, together with the cost of completing the WORK shall be deducted from any moneys due or which may become due on this contract. ## ARTICLE 9: DISPUTES AND VENUE

Pending final decision of a dispute hereunder, the parties shall proceed diligently with the performance of the CONTRACT.

9.2 Any legal action taken by either party shall be decided based upon the laws of the State of Illinois and venue for such disputes shall be Cook County, Illinois.

## ARTICLE 10: CONTRACT TIME

10.1 Time is of the essence of the CONTRACT. Village shall not grant, and Contractor shall not seek damages for delays; however, Village shall grant an increase in the Contract Time for delay not caused by Contractor, its Subcontractors or others for whose actions Contractor is liable.

## ARTICLE 11: INSURANCE AND INDEMNIFICATION

### 11.1 Insurance Requirements

11.1.1 The Contractor shall, within ten (10) business days of said receipt of notice of award of the CONTRACT, furnish to the VILLAGE a certificate of insurance showing the VILLAGE, its trustees, officers, directors, agents, employees, representatives and assigns as additional insureds to the General Liability and Automobile Liability policies by appropriate endorsement. Such coverage shall be placed with a provider acceptable to the VILLAGE, which is licensed to do business in the State of Illinois, and that maintains a minimum A. M. Best rating of A VII. The insurance coverage afforded under the CONTRACTOR'S General Liability insurance policies shall be primary and non-contributory to any insurance carried independently by the Indemnitees. A Waiver of Subrogation in favor of the Additional Insureds shall apply to General liability and Worker's Compensation. All required insurance shall be maintained by the CONTRACTOR in full force and effect during the life of the CONTRACT, and until such time as all work has been approved and accepted by the VILLAGE. This provision constitutes the VILLAGE's continuing demand for such certificates and endorsement(s) or true and correct copies thereof and the obligation to provide such insurance coverage shall be in full force and effect during the life of the CONTRACT. Failure of the VILLAGE to request such certificates and endorsements shall not relieve the CONTRACTOR of these obligations to provide insurance.

The amounts and types of insurance required are:

- .1 Worker's Compensation: STATUTORY coverage for all persons whom the CONTRACTOR may employ directly or through subcontractors in carrying out the WORK under this contract. Such insurance shall hold the VILLAGE free and harmless of all personal injuries of all persons whom the CONTRACTOR may employ directly or through Subcontractors.

A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any person or organization for whom you are performing operations, when you and such person or organization have agreed in a written contract effective during the policy period stated on the Declarations Page (hereinafter referred to as the "Policy Period") and executed prior to the "bodily injury" or "property damage" for which coverage is sought, that you must add that person or organization as an additional insured on a policy of liability insurance (hereinafter referred to as the "Additional Insured").

The Additional Insured is covered only with respect to vicarious liability for "bodily injury" or "property damage" imputed from You to the Additional Insured as a proximate result of:

- (1) Your ongoing operations performed for that Additional Insured during the Policy Period; or
- (2) "Your work" performed for the Additional Insured during the Policy Period, but only for "bodily injury" or "property damage" within the "products - completed operations hazard."

B. It is further understood that the designation of any person or organization as an Additional Insured:

- (1) does not increase the scope or limits of coverage afforded by this policy; and
- (2) does not apply if the person or organization is specifically named as an additional insured under any other provision of this policy.

C. With respect to the coverage afforded to the Additional Insured, the following additional exclusions apply:

This insurance does not apply to:

- (1) Liability for "bodily injury" or "property damage" arising out of the rendering of, or the failure to render, any professional services, including, but not limited to:

  - (b) Supervisory, inspection, architectural or engineering activities.

- (3) Liability for "bodily injury" or "property damage" proximately caused by your ongoing operations, which takes place, in whole or in part, after the earlier of:

- (a) the date that all work called for in the written contract with the Additional Insured has been completed, as defined in the definition of "products-completed operations hazard" herein; or
  - (b) the end of the Policy Period.

**D. Section III - Limits Of Insurance** is amended to include:

- (1) The limits of insurance applicable to the Additional Insured are:
  - (a) those specified in the written contract that requires the person or organization to be added as an Additional Insured; or
  - (b) as stated on the Declarations Page of this policy, whichever is less.

These limits of insurance are inclusive of, and not in addition to the limits of insurance shown on the Declarations Page. If other insurance of any type is written by us and applicable to the Additional Insured, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable per occurrence and aggregate limit of insurance under one coverage form or policy providing coverage, whether primary or excess.

**E. Section IV - Other Insurance** is amended to include:

- (1) When required under a written contract with the Additional Insured which is executed prior to "bodily injury" or "property damage" for which coverage is sought by the

Additional Insured hereunder, the coverage provided to the Additional Insured under this section of the endorsement shall apply on a primary and noncontributory basis with any other insurance upon which the Additional Insured is listed as a Named Insured.

**F. Section IV - Transfer Of Rights Of Recovery Against Others To Us** is amended to include:

- (1) When required under a written contract executed prior to the "occurrence" for which we make payment under this coverage part, we waive any right of recovery we may have against any person or organization who is an Additional Insured because of payments we make under this section of the endorsement.

**2. Additional Insured - State Or Political Subdivisions - Permits**

- A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any state or political subdivision which has issued a permit to you when you and such state or political subdivision have agreed in a written contract or agreement effective during the policy period stated on the Declarations Page and executed prior to "bodily injury," "property damage," or "personal and advertising injury" for which coverage is sought that you must add the state or political subdivision as an additional insured on a policy of liability insurance. Such state or political subdivision is an insured only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit.
- B. With respect to the coverage afforded to the additional insured provided by this section of the endorsement, the following additional exclusions apply:

This insurance does not apply to:

- (1) "Bodily injury," "property damage," or "personal and advertising injury" arising out of operations performed for the state, municipality, or political subdivision; or

(2) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

If an additional insured endorsement is attached to this coverage part or policy that specifically names a state or political subdivision as an insured or additional insured, then coverage under this endorsement does not apply for adding the state or political subdivision as an additional insured if the state or political subdivision would, in whole or in part, also be covered as an additional insured under this endorsement.

COMMERCIAL GENERAL LIABILITY

**CONTRACTORS ADDITIONAL INSURED/  
WAIVER OF RIGHTS OF RECOVERY  
EXTENSION ENDORSEMENT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**1. Additional Insured - When Required By Written Construction Contract For Ongoing Operations Performed By You For An Additional Insured and/or Your Completed Operations**

A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any person or organization for whom you are performing operations, when you and such person or organization have agreed in a written contract effective during the policy period stated on the Declarations Page (hereinafter referred to as the "Policy Period") and executed prior to the "bodily injury" or "property damage" for which coverage is sought, that you must add that person or organization as an additional insured on a policy of liability insurance (hereinafter referred to as the "Additional Insured").

The Additional Insured is covered only with respect to vicarious liability for "bodily injury" or "property damage" imputed from You to the Additional Insured as a proximate result of:

- (1) Your ongoing operations performed for that Additional Insured during the Policy Period; or
- (2) "Your work" performed for the Additional Insured during the Policy Period, but only for "bodily injury" or "property damage" within the "products - completed operations hazard."

B. It is further understood that the designation of any person or organization as an Additional Insured:

- (1) does not increase the scope or limits of coverage afforded by this policy; and
- (2) does not apply if the person or organization is specifically named as an additional insured under any other provision of this policy.

C. With respect to the coverage afforded to the Additional Insured, the following additional exclusions apply:

This insurance does not apply to:

- (1) Liability for "bodily injury" or "property damage" arising out of the rendering of, or the failure to render, any professional services, including, but not limited to:
  - (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
  - (b) Supervisory, inspection, architectural or engineering activities.
- (2) Liability for "bodily injury" or "property damage" arising out of or in any way attributable to the claimed negligence or statutory violation of the Additional Insured, other than vicarious liability which is imputed to the Additional Insured solely by virtue of the acts or omissions of the Named Insured.
- (3) Liability for "bodily injury" or "property damage" proximately caused by your ongoing operations, which takes place, in whole or in part, after the earlier of:

(a) the date that all work called for in the written contract with the Additional Insured has been completed, as defined in the definition of "products-completed operations hazard" herein; or

(b) the end of the Policy Period.

(4) Liability for "bodily injury" or "property damage" proximately caused by "your work" included in the "products-completed operations hazard" after the earlier of:

(a) the conclusion of the period during which the written contract requiring such coverage requires it; or

(b) 1 year after completion of "your work" performed for the Additional Insured, as defined in the "products - completed operations hazard."

**D. Section III - Limits Of Insurance** is amended to include:

(1) The limits of insurance applicable to the Additional Insured are:

(a) those specified in the written contract that requires the person or organization to be added as an Additional Insured; or

(b) as stated on the Declarations Page of this policy, whichever is less.

These limits of insurance are inclusive of, and not in addition to the limits of insurance shown on the Declarations Page. If other insurance of any type is written by us and applicable to the Additional Insured, the maximum recovery under all coverage forms or policies combined may equal but not exceed the highest applicable per occurrence and aggregate limit of insurance under one coverage form or policy providing coverage, whether primary or excess.

**E. Section IV - Other Insurance** is amended to include:

(1) When required under a written contract with the Additional Insured which is executed prior to "bodily injury" or "property damage" for which coverage is sought by the

Additional Insured hereunder, the coverage provided to the Additional Insured under this section of the endorsement shall apply on a primary and noncontributory basis with any other insurance upon which the Additional Insured is listed as a Named Insured.

**F. Section IV - Transfer Of Rights Of Recovery Against Others To Us** is amended to include:

(1) When required under a written contract executed prior to the "occurrence" for which we make payment under this coverage part, we waive any right of recovery we may have against any person or organization who is an Additional Insured because of payments we make under this section of the endorsement.

**2. Additional Insured - State Or Political Subdivisions - Permits**

A. With respect to coverage afforded under this section of the endorsement, **Section II - Who Is An Insured** is amended to include as an insured any state or political subdivision which has issued a permit to you when you and such state or political subdivision have agreed in a written contract or agreement effective during the policy period stated on the Declarations Page and executed prior to "bodily injury," "property damage," or "personal and advertising injury" for which coverage is sought that you must add the state or political subdivision as an additional insured on a policy of liability insurance. Such state or political subdivision is an insured only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit.

B. With respect to the coverage afforded to the additional insured provided by this section of the endorsement, the following additional exclusions apply:

This insurance does not apply to:

(1) "Bodily injury," "property damage," or "personal and advertising injury" arising out of operations performed for the state, municipality, or political subdivision; or

- (2) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

If an additional insured endorsement is attached to this coverage part or policy that specifically names a state or political subdivision as an insured or additional insured, then coverage under this endorsement does not apply for adding the state or political subdivision as an additional insured if the state or political subdivision would, in whole or in part, also be covered as an additional insured under this endorsement.
