Re: 131st Street Median Modifications

Dear Julaine,

The Village of Palos Park is writing this letter in response to your email dated September 24, 2016. In the e-mail you attached changes that will be incorporated into Contract 60M62 at no cost to the Department.

It is our understanding that the estimated cost to remove the concrete barrier median, adjust drainage structure, install HMA pavement and stripe a painted median is \$47,000.

The Village Palos Park is currently discussing a cost sharing agreement with the Village of Orland Park to pay for the above median modifications. To expedite the process and provide the Department with direction, Palos Park will commit to cover the entire estimated cost of \$47,000.00.

If you have any questions or need any further information, please do not hesitate to contact our Public Works Director, Mike Sibrava at msibrava@palospark.org or by phone 708-671-3720.

Sincerely,
VILLAGE OF PALOS PARK
