As you know, the Village Medical/Rx plan is self-funded and is administered by an insurance carrier to provide the appropriate medical networks and administrative services. Proposals for the FY2014 Medical/Rx insurance administrator renewal are based on the carriers' estimations of the Village's expected claims for the year, stop loss coverage, and run-in claims. To ensure the best possible pricing, The Horton Group works on behalf of the Village to negotiate with carriers to obtain the best and final offers.

BlueCross BlueShield of Illinois (BCBS) presented the most competitive proposal resulting in a flat renewal. The BCBS proposal accounts for expected claims, stop loss coverage, Affordable Care Act (ACA) fees and a general health insurance reserve. The proposal includes maintaining our current HDHP/HSA, Silver, Gold and HMO plans. Slight modifications have been made to the plan designs in accordance with the Affordable Care Act (ACA) and collective

bargaining agreements.

Effective 01/01/2014, non-union and IBEW employee premium contributions will continue to be based on a percentage of the overall premium cost and participation by the employee and their enrolled spouse in the biometric screenings. A healthcare equalizer for non-union and IBEW employees has been included in the preparation of the FY2014 budget to help equalize the employee premium expense amongst employee groups. Non-union and IBEW employee contributions are as follows for each medical plan offering:

- HDHP/HSA 3%
- HMO 10%
- Silver Plan 10%.
- Gold Plan - Employees will contribute the difference between the cost to the Village of the PPO (Silver) and the current PPO (Gold) which ranges from 20% for single coverage to 30% for family coverage.

Employees in the AFSCME, Deputy Chief and Commanders, and Police Supervisors groups will make employee contributions based on flat rates which are outlined in the collective bargaining agreements effective, May 1, 2011 through April 30, 2015. These rates include a wellness incentive rate for those employees that participate in the biometric screening. Other employees covered by labor agreements but not specified above will make insurance contributions as outlined in their labor agreements, pending interest arbitration.

In addition, \$117,000 is included in the Insurance Fund for the employer seeding of the HSA accounts for those employees enrolled in the High Deductible Plan.

Mr. Michael Wojcik from the Horton Group was present at the Finance Committee meeting on October 7, 2013 to explain the renewal process and results and answer any questions.

On October 7, 2013, this item was reviewed by the Finance Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

I move to approve entering into agreements with the recommended carriers/vendors and associated expenses effective January 1, 2014.

And

I move to approve retaining the Horton Group's services at the recommended rate for FY2014.

This matter was APPROVED on the Consent Agenda.

This addition will provide employees an additional choice in deciding where to invest their retirement dollars.

Revisions to Title 5, Chapter 7 of the Village Code are attached to the Board Packet..

The local changes to this new code from our existing ordinances were limited and revised for clarifications(s). The local revisions are intended to update existing rules and amend the property maintenance standards.

I move to pass Ordinance Number 4849, entitled: AN ORDINANCE AMENDING THE VILLAGE CODE TO ADOPT THE 2012 INTERNATIONAL PROPERTY MAINTENANCE CODE WITH AMENDMENTS, AS THE PROPERTY MAINTENANCE CODE OF THE VILLAGE OF ORLAND PARK, AND TO MAKE CERTAIN OTHER AMENDMENTS TO THE ORLAND PARK PROPERTY MAINTENANCE CODE OF THE VILLAGE CODE OF THE VILLAGE OF ORLAND PARK.
