Utility Billing

Project Overview

Innoprise

Customer Information & Billing System

- Implementation of Tyler Technologies Utility Billing Software
- Project launched: early 2024
- Goal: Streamline billing, offer new payment update features, improve service delivery, and integrate the final piece of the Tyler modules
- Collaboration between Finance, IT, and Communications & Marketing

Why the change?

- Legacy system required manual processes, and allow opportunity to re-evaluate processes
- Limited reporting and integration capabilities
- Tyler provides modern automation, transparency, and online accessibility
- Aligns with the Village's commitment to digital efficiency

Resident Communication & Outreach

Keeping Residents Informed Every Step of the Way

- Utility bill message modification announcing upcoming system change
- Website updates with FAQs and Go-Live timeline
- Email notifications for registered utility customers
- Social media posts explaining new online payment options
- Dedicated Utility Billing team available for influx of phone calls regarding billing questions

Key Benefits

For Residents:

- Online payment and account access
- Keeping the same look as the old bill.
- Text/email reminders for due dates

For Staff:

- A more intuitive billing program
- Ensures accuracy and improves reporting
- Easier data management and auditing
- Software can link accounts when residents move within the Village

Go-Live Readiness

We're Ready for December 15, 2025!

- ✓ Staff fully trained
- ✓ Parallel billing tests completed
- ✓ Data migration validated with planned blackout period
- ✓ Communication plan executed
- ✓ Support available on-site from Tyler Technologies and DataClimb
