Re: Point Repair – Proposal
13841 SW Highway
Hasse Project No. 6470 Rev 1

Dear Mr. Dado,

Thank you for the opportunity to provide you with a proposal for the above referenced project. Hasse Construction will provide all labor, material, equipment, and supervision to repair 36" storm line located at 13481 SW Highway for the lump sum price of **\$19,510.00**

Scope of Work:

Hasse Construction will repair max 20' of 36" storm line located at 13841 SW Highway and restore grass area per scope of work dated 10/6/16 provided by the Village of Orland Park Utilities Department.

Proposal based on the following clarification, qualifications, and exceptions:

- Licenses, fees, bonds, taxes, permits, and premium time are excluded.
- Locating private utilities is the responsibility of property owner.
- Rock, slag or hard excavation, all testing, dewatering, sewer cleaning & televising, working in contaminated ground or ground water, unsuitable soil work, and soil erosion controls are excluded.
- Proposal based on excavation free of utility conflicts. Proposal does not include rerouting or reconnection of utilities that may be in conflict
- Based on reusing excavated material as trench backfill.
- Pavement, and concrete are excluded.
- Based on replacing existing pipe with corrugated HDPE pipe (max 20').
- Proposal is valid for 15 days. Terms of payment shall be net 15 days from date of invoice.

Should you have any questions or comments, please feel free to contact me at the phone number below or via email at bstaresina@hasseconstruction.com.

Sincerely,

HASSE CONSTRUCTION COMPANY, INC.
