P.I.N: 27-07-100-010-0000

The said property is hereinafter referred to as the "Subject Property."

3. The Subject Property is located at the southeast corner of 143rd Street and Will-Cook Road and is the existing Pinewood Plaza Shopping Center, a 5.28 acre site. The shopping center building presently contains a Walgreen's at the west end. That portion of the building will be razed so a new, stand-alone Walgreen's may be constructed nearby. The Subject Property is zoned BIZ General Business District under the Village of Orland Park Land Development Code (hereinafter referred to as the "Code").

4. Developer plans to construct a 14,820 square foot Walgreen's stand-alone store, pursuant to the Code, somewhat closer to the northwest corner of the Subject Property, to maximize visibility from the adjacent streets.

5. In addition to building the stand-alone Walgreen's, the Developer plans to add a new 1,800 square foot addition to the existing shopping center building at a later date to increase retail opportunities in the center.

6. The Village of Orland Park is a Home Rule Unit pursuant to the provisions of the Illinois Constitution, Article VII, Section 6, and the terms, conditions and acts of the Village under this Agreement are entered into and performed pursuant to the Home Rule powers of the Village and the statutes in such cases made and provided.

RECITALS:

1. The parties hereto desire that the Subject Property be developed as described above, subject to Village codes and ordinances and the terms and conditions as hereinafter set forth in this Agreement. The Subject Property is the Pinewood Plaza Shopping Center.

2. The Developer has petitioned the Village for a variation to the Land Development Code to permit a drive-thru lane between the building and the street as more fully hereinafter set forth.

3. The parties hereto have fully complied with all relevant statutes of the State of Illinois and ordinances of the Village including the filing of petitions by Developer to enable development as herein provided. The Village has caused the issuance of proper notice and the conduct of all hearings by all necessary governmental entities to effectuate such actions as herein provided, including all hearings as are necessary to effectuate the plan of development herein set forth.

4. All reports by all relevant governmental entities have been submitted enabling appropriate action by the Village Board of Trustees to achieve the following:

(a) Adoption and execution of this Agreement by ordinance;

(b) Adoption of such ordinances as are necessary to effectuate the terms and provisions of this Agreement including the granting of a variation and development of the Subject Property pursuant to the terms and conditions of this Agreement;

(c) The adoption of such other ordinances, resolutions and actions as may be necessary to fulfill and implement this Agreement pursuant to the terms and conditions herein contained.

5. The parties hereto have determined that it is in the best interests of the Village and the Developer and in furtherance of the public health, safety, comfort, morals and welfare of the community to execute and implement this Agreement and that implementation of this Agreement and development of the Subject Property pursuant to its terms and conditions will constitute an improvement of the tax base of the Village, be in implementation of the comprehensive plan of the Village and will constitute a preservation of environmental values.

6. Owner covenants and agrees that it will execute all necessary directions and issue all necessary instructions and take all other action necessary to perform its obligations hereunder.

SECTION ONE: Variation, Plan Approval and Design Standards.

A. The Village, the necessary hearings before the relevant governmental bodies having taken place pursuant to statute and ordinances in such cases made and provided and pursuant to requisite notice having been given, will by proper ordinance cause the above-described Subject Property to be the subject of a variation to the BIZ regulations of the Code to permit a drive-up lane between the building and the street, as shown on the plan approved below.

B. The Subject Property shall be developed substantially in accordance with the preliminary Site Plan appended hereto and incorporated herein as EXHIBIT A entitled "Walgreen's Will-Cook Road and 143rd Street, Orland Park, IL Site Plan" prepared by Camburas and Theodore, Ltd., Architecture, Engineering, Interiors, dated 9/14/05 last revised of 1-7-08, sheet number A0.1. The Developer agrees that the Subject Property shall be developed substantially in accordance with said preliminary Site Plan (EXHIBIT A) as approved or as may be subsequently amended and approved by the Village, and in accordance with supporting preliminary and final engineering drawings and plans to be submitted to the Village Engineer for review and approval, subject to and conditioned upon the following:

1. That the Petitioner provides cash in lieu of the sidewalk proposed along the 143rd Street frontage of Walgreen's in order to revisit the sidewalk installation there at a later date when the new right-of-way improvements are constructed;
2. That the Petitioner provides screening with additional plantings of at least five (5) trees in the narrow stretch of bufferyard south of the rear building access drive aisle off Will-Cook Road;
3. That the Petitioner increases the number of plantings along the outer perimeter of the drive-thru to mitigate the visual impact of the drive-thru lane;
4. That the Petitioner provides tall or vertical vegetation at the foundation planting area on the west elevation;
5. That the Petitioner removes existing non-conforming, free-standing Walgreens monument sign(s);
6. That the Walgreens be allowed only one free-standing conforming sign per right-of-way on the site;

7. That the Petitioner submits a landscape plan within sixty (60) days of final engineering;
8. That the Petitioner meets all building code related items; and
9. That the Petitioner meets all final engineering related items.

C. The Subject Property shall also be developed substantially in accordance with the elevations titled, "Walgreens Will-Cook Road and 143rd Street, Orland Park, IL Elevations," dated 9-14-05, last revised 1-7-08 prepared by Camburas and Theodore, Ltd. Architecture, Engineering, Interiors, sheet number A2.1, and the elevations titled "Retail Shops, Will-Cook Road and 143rd Street, Orland Park, IL," dated 9/14/05 last revision 01/02/08 (date on plan reads 01/02/07, but is clearly a typo), prepared by Camburas and Theodore, Ltd. Architecture, Engineering, Interiors, sheet number A2.1, subject to the same conditions as listed in the Site Plan approval in part B, above.

SECTION TWO: Contributions.

Upon and as a condition of the issuance of a building permit, Developer shall pay the Fair Share Road Exaction Fee provided in the Code, Section 5-112 K(6) of \$1.15 per square foot. For the new 14,820 square foot Walgreen's building the fee will be \$17,043 and for the 1,800 square foot new retail space, the fee will be \$2,070.00.

SECTION THREE: Storm Water Retention/Detention and Storm Sewers.

Storm Water run off emanating from the Subject Property shall be retained or detained in accordance with a storm water management system for the Subject Property, to be constructed and installed by the Developer, as finally may be required and approved by the Metropolitan Water Reclamation District of Greater Chicago. Such system shall include all storm water management facilities, including both on-site and off-site storm sewers, if needed, in accordance with final engineering plans approved by the MWRD. The design criteria, construction and maintenance of the storm sewers shall be in accordance with all standards of the Metropolitan Water Reclamation District of Greater Chicago in effect at the time of final plan approval, and shall be completed by the Developer at its expense. All storm water detention/retention facilities shall be maintained by the Developer.

SECTION FOUR: Water Supply.

Developer shall be required to construct and install at its expense all necessary on-site water mains to service the Subject Property with water provided by Illinois American Water. All such water mains shall be sized, constructed and installed in accordance with the Code and final engineering plans approved by the Village.

SECTION FIVE: Sanitary Sewers.

Developer shall be required to construct and install at its expense all necessary sanitary sewers to service the Subject Property with wastewater service through Illinois American Water,

in accordance with the Code and final engineering plans approved by the Village. Said sewers shall be sized as required by the Village.

SECTION SIX: Sidewalks.

Developer shall provide cash in lieu of sidewalk construction along the 143rd Street frontage of Walgreen's so that sidewalk installation may be revisited when the new right-of-way improvements are constructed. All other sidewalks shown on the final plan (EXHIBIT A) shall be constructed by Developer to the applicable Village standards.

SECTION SEVEN: Easements.

Owner agrees at the time of approval of this Development Agreement to grant to the Village, and/or obtain grants to the Village, of all necessary easements, in accordance with Section 9 of this agreement, for the extension of sewer, water, street, or other utilities, including cable television, or for other improvements which may serve not only the Subject Property, but other properties in the general area.

All such easements to be granted shall name the Village and/or other appropriate entities designated by the Village as grantee hereunder. It shall be the responsibility of Owner and Developer to obtain all easements, both on-site and of-site, necessary to serve the Subject Property.

SECTION EIGHT: Developmental Codes and Ordinances and General Matters.

The development of the Subject Property shall be in accordance with the existing building, zoning, subdivision, storm water retention and other developmental codes and ordinances of the Village as they exist on the date hereof, or as are in existence during development of the Subject Property. Planning and engineering designs and standards, and road construction and dedication of public improvements, shall be in accordance with the then existing ordinances of the Village, or in accordance with the statutes and regulations of other governmental agencies having jurisdiction thereof if such standards are more stringent than those of the Village of Orland Park at such time.

No occupancy permit shall be issued for any building or unit prior to the completion and acceptance by the Village of the required public improvements. Any required public improvements shall be completed within one (1) year from the date hereof and the Developer shall deliver to the Village an irrevocable letter of credit (the form of security Developer has elected to provide) in a form satisfactory to and from a bank or financial institution and in an amount as provided for in the Code. Said Letter of Credit is to include all costs related to required lighting, landscaping, roadway, sidewalk, sewer and water lines and storm water management facilities. The Village Engineer may, in his discretion, permit the amount of said letter of credit to be reduced, from time to time, as major public improvements are completed.

SECTION NINE: Utilities.

All electricity, telephone, cable television and gas lines shall be installed underground, the location of which underground utilities shall be at the Developer's option.

SECTION TEN: Impact Requirements.

Developer and Owner agree that any and all contributions, dedications, donations and easements provided for in this Agreement substantially advance legitimate governmental interests of the Village, including, but not limited to, providing its residents, with access to and use of public utilities, streets, fire protection, and emergency services. Developer and Owner further agree that the contributions, dedications, donations and easements required by this Agreement are uniquely attributable to, reasonably related to, and made necessary by the development of the Subject Property.

SECTION ELEVEN: Binding Effect and Term and Covenants Running with the Land.

This Agreement shall be binding upon and inure to the benefit of the parties hereto, successor owners of record of the Subject Property, assignees, lessees and upon any successor municipal authorities of said Village and successor municipalities, for a period of seven (7) years from the date of execution hereof and any extended time that may be agreed to by amendment.

The terms and conditions of this Agreement relative to the payment of monies to the various contributions to the Village, construction and/or dedication of public improvements, granting of easements to the Village, dedication of rights-of-way to the Village and the developmental standards established herein shall constitute covenants which shall run with the land.

SECTION FOURTEEN: Reimbursement of Village for Legal and Other Fees and Expenses.

A. To Effective Date of Agreement.

The Developer, concurrently with the issuance of the building permit, shall reimburse the Village for the following expenses incurred in the preparation and review of this Agreement, and any ordinances, letters of credit, plats, easements or other documents relating to the Subject Property:

- (1) the costs incurred by the Village for engineering services; and

- (3) miscellaneous Village expenses, such as legal publication costs, recording fees and copying expense.

B. From and After Effective Date of Agreement.

Except as hereinafter provided, upon demand by Village made by and through its President, Developer from time to time shall promptly reimburse Village for all enumerated reasonable expenses and costs incurred by Village in the administration of the Agreement, including and limited to engineering fees, attorneys' fees and out of pocket expenses involving various and sundry matters such as, but not limited to, preparation and publication, if any, of all notices, resolutions, ordinances and other documents required hereunder.

Such costs and expenses incurred by Village in the administration of the Agreement shall be evidenced to the Developer upon its request, by a sworn statement of the Village; and such costs and expenses may be further confirmed by the Developer at its option from additional documents relevant to determining such costs and expenses as designated from time to time by the Developer.

In the event that any third party or parties institute any legal proceedings against any party hereto, which relate to the terms of this Agreement, then, in that event, the Developer or Owner on notice from Village shall assume, fully and vigorously, the entire defense of such lawsuit and all expenses of whatever nature relating thereto; provided, however:

- (1) Neither Developer nor Owner shall make any settlement or compromise of the lawsuit, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the Village.
- (2) If the Village, in its sole discretion, determines there is, or may probably be, a conflict of interest between Village and Developer or Owner on an issue of importance to the Village having a potentially substantial adverse effect on the Village, then the Village shall have the option of being represented by its own legal counsel. In the event the Village exercises such option, then Developer and/or Owner shall reimburse the Village from time to time on written demand from the President of Village and notice of the amount due for any expenses, including but not limited to court costs, reasonable attorneys' fees and witnesses'

fees, and other reasonable expenses of litigation, incurred by the Village in connection therewith.

In the event the Village institutes legal proceedings against Developer and/or Owner for violation of this Agreement and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in its judgment against Developer and/or Owner all expenses of such legal proceedings incurred by Village, including but not limited to the court costs and reasonable attorneys' fees, witnesses' fees, etc., incurred by the Village in connection therewith. Developer and/or Owner may, in its sole discretion, appeal any such judgment rendered in favor of the Village against Developer and/or Owner.
