PROJECT TEAM / QUALIFICATIONS

Michael Polacheck
Senior Project Manager, LEED AP
The George Sollitt Construction Co.

Project Role
Senior Project Manager

About Mike

Mike has been with Sollitt for over 18 years. As a senior project manager, he comes with proven experience in successfully completing large scale and complex projects. His resume includes both new construction and renovation experience in the public and private sector. Mike demonstrates strong problem-solving skills in analyzing challenging issues and developing effective solutions.

He took the lead in managing the preconstruction and construction of (2) of our recent CM projects. Rosenwald Courts was an extremely challenging conversion of a historic landmark building that was in very poor condition. He provided preconstruction estimating, value engineering and final budget so the project could move forward.

Once Rosenwald Courts was under construction, significant structural deficiencies were discovered that required management control to define and complete restoration of the structural shell prior to construction moving forward. These unknown costs were managed and sequenced to allow construction to proceed and remain on schedule.

Mike completed a similar role on our Southside Recycling project, working with the owner and architect in design cost estimates, final budget, and construction. Through the project, Mike identified several V.E. items, buyout opportunities and construction savings that ultimately saved the owner over \$6M on a final GMP of \$44,755,000.

Mike also provided preconstruction and CM services for our Apostolic Faith Church project. Mike and his team were able to save over \$1.2M to the initial GMP contract which the owner used to enhance the space and provide additional scope.

- 1) \$2,500 as a result of any one "occurrence" and the most we will pay for the sum of all occurrences during the policy period is the aggregate limit of \$10,000; or

- c. The amount we pay for the sum of all occurrences in an annual policy period is the Aggregate Limit for this coverage. This amount is part of and not in addition to the Commercial General Liability General Aggregate Limit described in Paragraph 2. of **Section III – Limits of Insurance** of the Commercial General Liability Coverage Form.

B. ADDITIONAL INSURED – AUTOMATIC STATUS WHEN REQUIRED IN A WRITTEN CONSTRUCTION AGREEMENT

The words "you" and "your" as used in this provision refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under the policy to which this endorsement is attached. "You" and "your" do not refer to an additional insured.

1. **SECTION II – WHO IS AN INSURED** is amended to include any person or organization whom you are required to add as an additional insured under a written contract or written agreement executed by you, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" and subject to the following:
- a. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:
- (1) The Insurance Services Office (ISO) CG 20 10 (10/01 edition); or
 - (2) The Insurance Services Office (ISO) CG 20 37 (10/01 edition),
- such person or organization is then an additional insured with respect to such endorsement(s), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of:
- (a) Your ongoing operations, with respect to Paragraph D.1.a.(1) above; or
 - (b) "Your work" and included in the "products-completed operations hazard",, with respect to Paragraph D.1.a.(2) above,
- which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph D.1.a., insurance afforded to such additional insured:

- i. Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs subsequent to your execution of the written contract or written agreement; and
- ii. Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

- b.** If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:

(1) The Insurance Services Office (ISO) CG 20 10 (07/04 edition); or

(2) The Insurance Services Office (ISO) CG 20 37 (07/04 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part, by:

(a) Your acts or omissions; or

(b) The acts or omissions of those acting on your behalf,

in the performance of:

1. Your ongoing operations, with respect to Paragraph **D.1.b.(1)** above; or

2. "Your work" and included in the "products-completed operations hazard", with respect to Paragraph **D.1.b.(2)** above,

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph **D.1.b.**, insurance afforded to such additional insured:

i. Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs subsequent to your execution of the written contract or written agreement; and

ii. Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

- c.** If neither Paragraph **D.1.a.** nor Paragraph **D.1.b** above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:

(1) Under the Insurance Services Office (ISO) CG 20 10 (04/13) or Insurance Services Office (ISO) CG 20 10 (12/19) edition, any subsequent edition, or if no edition date is specified; or

(2) With respect to ongoing operations if no form is specified;

such person or organization is then an additional insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part by:

(a) Your acts or omissions; or

(b) The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations, which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph **D.1.c.** insurance afforded to such additional insured:

i. Only applies to the extent permitted by law;

ii. Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured; and

iii. Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs subsequent to your execution of the written contract or written agreement.

- d.** If neither Paragraph **D.1.a.** nor Paragraph **D.1.b** above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:

(1) Under the Insurance Services Office (ISO) CG 20 37 (04/13) or Insurance Services Office (ISO) CG 20 37 (12/19) edition, any subsequent edition, or if no edition date is specified; or

(2) With respect to the "products-completed operations hazard" if no form is specified,

such person or organization is then an additional insured, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part by "your work" and included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph **D.1.d.**, insurance afforded to such additional insured:

(a) Only applies to the extent permitted by law;

(b) Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured; and

(c) Only applies if the "bodily injury" or "property damage" occurs subsequent to your execution of the written contract or written agreement.

2. With respect to the insurance afforded to the additional insured described above, the following additional exclusion applies:

a. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render any professional engineering, architectural or surveying services by you or others on your behalf, including:

(1) The preparing, approving, failing to prepare approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, or drawings and specifications; or

(2) Supervisor or inspection activities performed as part of any related architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

3. With respect to the insurance afforded to an additional insured under Paragraph **D.1.c.** or Paragraph **D.1.d.** of this endorsement, the following applies:

a. The following is added to **SECTION III – LIMITS OF INSURANCE**:

The most we will pay on behalf of the additional insured is the amount of insurance:

(1) Required by a written contract or written agreement; or

(2) Available under the applicable Limits of Insurance shown in the Declarations, whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

b. Paragraph 9.f. of **SECTION V - DEFINITIONS** is amended as follows:

f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. However, such part of a contract or agreement shall only be considered an "insured contract" to the extent your assumption of the tort liability is permitted by law. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

4. With respect to the coverage provided under this endorsement:

- a. The following is added to Paragraph 4.a. of the **Other Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

Primary and Noncontributory Insurance

However, this insurance is primary to and will not seek contribution from any other insurance available to a person or organization added as an additional insured under the terms of the endorsement provided that:

- (1) The person or organization is a Named Insured under such other insurance; and
- (2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

- b. The following paragraph is added to Paragraph 4.b. of the **Other Insurance Condition** under **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over:

Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by a written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.

5. This additional insured provision does not apply to an additional insured or project which has been specifically addressed by separate endorsement to this Coverage Part showing the additional insured in a Schedule of additional insureds.

C. ADDITIONAL INSURED – AUTOMATIC STATUS WHEN REQUIRED FOR PERMITS

1. The words "you" and "your" as used in this provision refer to the Named Insured shown in the Declarations and any other person or organization qualifying as a Named Insured under the policy to which this endorsement is attached. "You" and "your" do not refer to an additional insured.
2. **SECTION II – WHO IS AN INSURED** is amended to include any state, governmental agency, subdivision or political subdivision for which you are required to add as an additional insured because of the issuance or existence of a permit, but only with respect to:

- a. Liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- (1) Your acts or omissions; or
 - (2) The acts or omissions of those acting on your behalf;
- in the performance of your ongoing operations for which the permit was issued; and

- b. Permits:

- (1) Currently in effect or becoming effective during the term of this policy; and
- (2) Executed prior to the "bodily injury", "property damage," or "personal and advertising injury".

However:

- a. The insurance afforded to such additional insured only applies to the extent permitted by law; and
- b. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

A person's or organization's status as an additional insured for ongoing operations ends when your operations for which the permit was issued are completed.

15. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS (WAIVER OF SUBROGATION)

Condition **8. Transfer Of Rights Of Recovery Against Others To Us** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** is amended by the addition of the following:

We waive any right of recovery against any person(s) or organization(s), because of any payment we make under this Coverage Part, to whom the insured has waived its right of recovery in a written contract or agreement. Such waiver by us applies only to the extent that the insured has waived its right of recovery against such person(s) or organization(s) prior to the loss.

16. PRIMARY AND NONCONTRIBUTORY

Subparagraph **a. Primary Insurance** of Paragraph **4. Other Insurance** of **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** is amended by the following additional paragraph:

However, this insurance is primary to and will not seek contribution from any other insurance available to an additional insured under the terms of this Coverage Form or amendatory endorsement provided that:

- a. The additional insured is a Named Insured under such other insurance; and
- b. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

17. "MOBILE EQUIPMENT" REDEFINED

SECTION V - DEFINITIONS is amended as follows:

- a. Paragraph **12.f.(1)(a), (b), and (c)** of the "mobile equipment" definition does not apply to self-propelled vehicles of less than 1,000 pounds gross vehicle weight.

18. UNINTENTIONAL FAILURE TO DISCLOSE ALL HAZARDS

Unless otherwise amended by separate endorsement to this Coverage Form, the following paragraph is added to Paragraph **6.** of **SECTION IV - CONDITIONS**: Based on our reliance on your representations as to existing hazards, if you unintentionally fail to disclose all such hazards prior to the beginning of the policy period of this Coverage Form, we shall not deny coverage under this Coverage Form because of such failure.

19. FELLOW EMPLOYEE COVERAGE

For the purpose of this coverage, paragraph **2.a.(1)**, in **SECTION II – WHO IS AN INSURED**, is replaced by the following:

(1) "Bodily injury" or "personal and advertising injury":

- (a)** To you, to your partners or member (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co "employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business.
- (b)** To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph **(1)(a)** above;
- (c)** For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph **(1)(a)** or **(b)** above; or
- (d)** Arising out of his or her providing or failing to provide professional health care services.

However, this does not apply to "bodily injury" to a co-"employee" when caused by your "employee", except with respect to claims for "bodily injury" to:

- (a)** A person arising out of any:
 - (i)** Refusal to employ that person;
 - (ii)** Termination of that person's employment; or
 - (iii)** Employment-related practices, policies, acts or omissions, such as coercion, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation or discrimination directed at that person;
