☒ The Illinois Prevailing Wage Act (820 ILCS 130/01, et seq.) does apply to this Contract.

This Contract calls for the construction of a “public work”, within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01, et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current “prevailing rate of wages” (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (“IDOL”) publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The IDOL may revise the prevailing wage rates from time to time and the contractor/subcontractor has an obligation to check the IDOL’s website for revisions to prevailing wage rates and comply with the most current prevailing wage rates. For information regarding current prevailing wage rates, please refer to the IDOL website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties, including but not limited to each contractor and subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: <https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Prevailing-Wage-Portal.aspx>. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act. The Contractor shall also pay prevailing wages at rates not less than those prevailing under Davis-Bacon Wage Act Provisions as determined by the U.S. Department of Labor to all laborers, workmen and mechanics performing work under this Contract, if such Act is applicable, and, in such event, the more restrictive (i.e., higher) prevailing wage requirements shall be applicable.

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Description Of Operations:

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

- I. The following provisions apply with respect to the insurance provided by the Commercial General Liability Coverage Form, including any form or endorsement that is attached to and made a part of this policy, and that modifies the liability coverage.
 - A. With respect to the operations shown in the Schedule, Paragraph (1)(d) of Exclusion f. of **SECTION I - COVERAGE A - BODILY INJURY AND PROPERTY DAMAGE LIABILITY** does not apply if the operations meet all standards and requirements of any statute, ordinance, regulation, administrative rule or license requirement of any federal, state or local government which apply to those operations.
 - B. With respect to the insurance provided by this endorsement, the following is added to **SECTION III - LIMITS OF INSURANCE**:
 8. The most we will pay for all "bodily injury" or "property damage" arising out of any one "occurrence" covered under this endorsement is the lesser of:
 - a. The minimum Limits of Insurance needed to comply with the pesticide and herbicide financial responsibility requirements specified by any statute, ordinance, regulation, administrative rule or license requirement in the jurisdiction where the operations shown in the Schedule are being performed; or
 - b. The applicable Limits of Insurance shown in the Declarations.
 9. Any amount we pay for damages covered by the insurance provided by this endorsement, will also reduce the General Aggregate Limit, in the same manner as, and in addition to, the other coverages of the Commercial General Liability Coverage Part that are subject to the General Aggregate Limit.
- II. The following provisions apply with respect to the Biological And Chemical Contaminants Exclusion endorsement (CGD 90 01).

Subparagraph **C.2.m.** under the definition of "chemical contaminants" does not apply to any operations shown in the Schedule if the operations meet all standards and requirements of any statute, ordinance, regulation or license requirement of any federal, state or local government which apply to those operations.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS -
AUTOMATIC STATUS WHEN REQUIRED IN CONSTRUCTION AGREEMENT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. SECTION II - WHO IS AN INSURED is amended to include as an insured any person or organization whom you are required under a written contract or agreement to provide insurance such as is afforded under this policy, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations at the site or location designated in the written contract or agreement.

However,

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. The insurance afforded to such additional insured will not be broader than:

- a. The coverage you have agreed to provide in the written contract or agreement; or
- b. The coverage provided by this endorsement.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

1. This does not apply to "Bodily injury" or "property damage" occurring:
 - a. Prior to the date the written contract or agreement was executed and in effect;
 - b. After all work on the project (other than service, maintenance or repairs) to be performed at the site or location of the covered operations has been completed; or
 - c. After that portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

2. "Property damage" to:

- a. Property owned, occupied or used by;
- b. Property rented to, in the care, custody, or control of, or over which physical control is being exercised for any purpose by; or
- c. "Your work" for, such person or organization.

3. "Bodily injury" or "property damage" arising out of an architect's, engineer's, or surveyor's rendering of or failure to render any professional services for you, for such person or organization, or for others, including:

- a. The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs, drawings or specifications; and
- b. Supervisory, inspection, or engineering services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the rendering of or the failure to render any professional services.

4. Any "bodily injury" or "property damage" for which valid and collectible insurance is available under an Owners and Contractors Protective Liability policy that you have purchased.

C. With respect to the Insurance provided by this endorsement, the following is added to **SECTION III - LIMITS OF INSURANCE**:

8. The most we will pay under the insurance provided by this endorsement is:
 - a. The applicable limit of insurance to which you have agreed in the written contract or agreement to provide; or
 - b. The applicable Limit of Insurance shown in the Declarations,
 whichever is less.

- D. With respect to the Insurance provided by this endorsement, Paragraph **4. Other Insurance** as found under **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS** is replaced by the following:

4. Other Insurance

This insurance is excess over any other valid and collectible insurance, whether primary, excess, contingent or on any other basis, unless you have agreed in a written contract or agreement for this insurance to apply on either a:

- (1) Primary and non-contributory basis; or
- (2) Contributory basis.

When this insurance is excess, we will have no duty under Coverage **A** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.
