Bag Pipe Lessons	4	0	We had participation last winter but have not had any in the summer or fall of this year. Instructor is going to try and get the word out to places like Gaelic Park because he knows that there is interest in this.
Chess Tournaments	3	2	The 2 on the form represents that there were tournaments in April and May. There were approximately 35 at each tournament
Photography/Digital	4	0	This class is very hit or miss. This fall we have 7 registered in the Photo Fundamentals which is a great number for that class. I don't think it hurts to offer this class as it is contractual so we do not lose anything if it gets cancelled.
Adult Spanish	3	0	The instructor has lowered her price and this will be the last try for this class. It will be offered in the spring and not the summer and if it does not go then we will take it off of the program list.
Youth Spanish	4	0	This class has gone in the past but again we will try it and if it does not go , it will not be on the fall program list.
Pointe	1	0	This is a class offered only in the summer and is an attempt to keep the girls from company dancing over the summer.
Etiquette	4	0	Not sure about this class. It has gone in the past. Last summer tried a camp, but it did not go. We are still lookin for our niche market. I would like to try one more time and if it doesn't go I will take it off of the program list for the fall.
Glass Castles	1	0	Fist time offered was fall 09. May need more time to catch on.
Worms and Squirms	1	0	Fist time offered was summer 09. Trying it this time with childrena and adults.
Concrete Gone Wild	1	0	First time offered was summer 09. May need more publicity.

Tap Camp			Summer is always hard for youth classes so we are trying something new to get the dancers interested in tap, as this is one of the hardest styles and usually does not have a lot of interest.

Green Gardening			One of Mary Beth's classes
Let it Rain			A class to teach you how to harvest the rain into rain gardens.
