Hi Napoleon Haney

Yes those are for one cleaning so they would be double for two cleanings

Jack:
I have a quick question for you regarding the additions to the window cleaning contract. It appears that the Village requires two cleanings a year for all facilities. As it pertains to the two facility prices highlighted below, is the highlighted price for a single cleaning, or is the highlighted cost for both cleanings?

Good Morning Denise Domalewski

Our current contract for window cleaning with the village expired last year. We can once again hold the same prices for window cleaning if you would like to renew with us. The only difference I believe are the

15430 West Ave (Palos Health & Fitness Bldg) **\$500 per cleaning**

and

the Parking Garage at 143rd and Ravinia at **\$450 per cleaning**

Let me know if you need anything from us to proceed or if the Village is using another vendor

I have attached last invoice & PO

thanks
