VILLAGE OF ORLAND PARK

Re: Ninety 7 Fifty Update – Village of Orland Park

Dear Mr. Grimes:

As a follow up to our recent conversations, Kane, McKenna and Associates, Inc. (the "Consultant") is prepared to provide services related to the evaluation of the Ninety 7 Fifty redevelopment (the "Project") and the redevelopment agreement (the "RDA"), on behalf of the Village of Orland Park (the "Village").

SCOPE OF SERVICES

Kane, McKenna and Associates, Inc. is prepared to deliver the Scope of Services, as identified by the Village below, at any pace desired by the Village. Our approach will be to apply all resources required to accomplish all tasks at a high level of quality while maintaining constant communication with the Village officials and staff on our progress.

1. Evaluation of project performance to the initial Developer and Project targets, such as absorption, rent rates, excess cash flow sharing;
2. Evaluation of project performance against industry trends in the Chicagoland region based on review of Consultant files and other information identified by the Village and the Developer;
3. Comparison and review of Project related costs and schedule as compared to exhibits included in the RDA;
4. Identify areas in which the Project is exceeding financial expectations, meeting financial expectations, or short of financial expectations based upon information available to the Consultant;
5. Overview and analysis of aggregate tenant information with respect to average income, occupations, and age-banded ranges to better understand the typical tenant based upon information that would be available from the Developer and its leasing/marketing agents;

The completion of the services assumes the cooperation of the Developer (and its leasing and management agents) and the Village as well as the provision of Project information requested by the Consultant.

The Consultant will then bill the Village monthly for services rendered using the following rate schedule:

Hourly Rate Breakdown:
