2018-0375 Exclusive Event Management Company Approval

Village Staff has talked to several other management companies over the past several days and months, however based on the depth that Double D provides, staff is recommending Double D Booking as its exclusive agent in securing national level touring acts to perform at Centennial Park West in 2019. Double D Booking's talent agents work closely with agencies to bring national talent to a wide array of festivals throughout Chicago and the suburbs. Double D works with tour managers/agencies around the world booking talent for CBS Entertainment, WKQX, WXRT, the Chicago Bears, and municipalities. A partial list of entertainers has included: Keith Urban, Taylor Swift, Tony Bennet, The Dave Matthews Band, BB King, the Doobie Brothers, Twenty One Pilots, No Doubt, and Weezer.

Services performed by Double D Booking include talent sourcing and production management.

Fees are outlined as follows:

Talent Sourcing and Production Management - 15% of performer's fee.

In addition to talent sourcing, Double D Booking will:

- Handling advance show details which include hotel, transportation, and day of show hospitality with the artist.
- Provide all onsite management including a dedicated onsite production manager.

2018-0365 LaGrange Road Irrigation system Start Up/Shutdown and Maintenance Bid Award #18-025

An invitation to bid was issued on May 3rd, 2018 for LaGrange Rd Irrigation System Start Up/Shutdown/Maintenance by the Parks & Grounds Department. This bid is for the Start Up and Shutdown of the irrigation systems on the Lagrange Road medians. Maintenance and Repair is quoted at a time and materials rate. The bid was opened on May 18th, 2018 with one (1) company submitting a bid. The lowest qualified bidder was Central Lawn Sprinklers Inc., of Elk Grove Village, IL. Central Lawn Sprinklers is the company that installed the systems and has been maintaining them up to this point. They were hired last season for the shutdown and startup of segment one, which the Village has accepted. This contract puts the entire system on the same contract. They have been responsive to requests for service, performed work for the Village in the past, and have provided a quality

product and good service. The fall shut down for 2018 was bid at \$11,000. Start up and Shutdown for 2019 was bid at \$41,770. Start up and Shutdown for 2020 bid at \$43,000, and 2021 bid at \$44,300. Any additional repairs or services calls have been quoted at a time and material rate.

President Pekau commented. (refer to audio file)

I move to approve bid #18-025 - LaGrange Road Irrigation System Start Up and Shutdown/Maintenance to Central Lawn Sprinklers of Elk Grove Village, IL for the year 2018 only in an amount not to exceed \$11,000;

And

Reject the years 2019, 2020 and 2021.

A motion was made by Trustee Calandriello, seconded by Trustee Carroll, that this matter be APPROVED. The motion carried by the following vote:

Aye: 6 - Trustee Fenton, Trustee Gira, Trustee Griffin Ruzich, Trustee Calandriello, Trustee Carroll, and Village President Pekau

Nay: 0

PUBLIC WORKS

2018-0424 2018 Roadway, Parking Lot, Multi-Use Path Asphalt Pavement Maintenance - Bid Award

The 2018 Roadway, Parking Lot, Multi-Use Path Asphalt Pavement Maintenance project comprises the required maintenance upkeep for village facility parking lots and "bike paths", and also includes a large amount of asphalt roadway pavement patching at various spot-locations throughout the village. The parking lot maintenance includes patching, crack sealing, seal coating and striping, as required per location.

In 2018, the locations targeted for various maintenance activities are listed below by number. The attached exhibit is provided showing work completed in 2017 (identified by letters) and geographical reference:

1. 143rd Street Metra - patch, re-stripe (lots along SW Hwy)
2. 179th Street Metra - patch, crack seal, sealcoat, re-stripe
3. Brentwood Park - park and lot reconstruction
4. Centennial Park - patch (paths & lots), re-stripe
5. Civic Center - patch, re-stripe
6. Cultural Arts Center - reconstruction
7. Eagle Ridge Parks - patch (paths), pave dugouts
8. Orland Park Health & Fitness - patch, crack seal, sealcoat, re-stripe
9. Police Department - restripe (permeable paver lot)
10. Veterans Park - pave dugouts

The above Village parking lots vary in age, use and condition. Public Works staff have gathered information through numerous site visits to identify existing conditions and arrive at the maintenance needs for the indicated 2018 locations. As a separate project, Applied Research Associates performed a comprehensive parking lot evaluation this year to establish a baseline condition and objective rating for future maintenance prioritization.

The numerous multi-use paths are spread throughout the Village. Targeted path locations for 2018 repairs include Eagle Ridge I Park path and Arbor Pointe path. Additional patching at Centennial Park paths and ball field bleacher locations, Eagle Ridge field dugouts, Veterans Park field dugouts will also be addressed in 2018.

An invitation to bid for the 2018 Roadway, Parking Lot, Multi-Use Path Asphalt Pavement Maintenance project was published on the BidNetDirect website on May 25, 2018. On Tuesday June 12, 2018 at 11:00am, four sealed bids were opened by the Clerk's Office for this project. Bids were received from: Lindahl Brothers, Inc. of Bensenville, Illinois; Matthew Paving, Inc. of Oak Lawn, Illinois; PT Ferro Construction Company of Joliet, Illinois; and Advantage Paving Solutions, Inc. of Joliet, Illinois. See attached ITB 18-029 Bid Tabulation Sheet and Bid Responsiveness Sheet for reference.

Advantage Paving Solutions, Inc. of Joliet was identified as the lowest responsible bidder for the 2018 Roadway, Parking Lot, Multi-Use Path Asphalt Pavement Maintenance project with a submitted project cost of \$573,243.50. This cost is below Public Works staff's estimate of \$752,437.50 for the anticipated project work areas. The budgeted amount for this project totals \$825,000.00. Therefore, it is staff's recommendation that Advantage Paving Solutions, Inc. of Joliet, Illinois be awarded the project for the 2018 Roadway, Parking Lot, Multi-Use Path Asphalt Pavement Maintenance project in the amount of \$573,243.50, plus a contingency of \$251,756.50. The competitive unit pricing bid by Advantage Pavement Solutions, Inc. provides a sizeable contingency to allow for additional roadway patching, parking lot maintenance and multi-use path maintenance throughout the Village.

Trustee Fenton commented. (refer to audio file)

President Pekau had a question. (refer to audio file)

Director of Public Works John Ingram answered his question. (refer to audio file)

I move to approve accepting the bid from Advantage Paving Solutions, Inc. of Joliet, Illinois for the 2018 Roadway, Parking Lot, Multi-Use Path Asphalt Pavement Maintenance project in an amount not to exceed \$825,000.00 (\$573,243.50.00 plus \$251,756.50 contingency).

A motion was made by Trustee Fenton, seconded by Trustee Griffin Ruzich, that this matter be APPROVED. The motion carried by the following vote:

Aye: 6 - Trustee Fenton, Trustee Gira, Trustee Griffin Ruzich, Trustee Calandriello, Trustee Carroll, and Village President Pekau

Nay: 0

Absent: 1 - Trustee Dodge

DEVELOPMENT SERVICES, PLANNING AND ENGINEERING

2018-0426 I-80 and Wolf Road Interchange - Concept Study Professional Engineering Services

The Village of Orland Park is interested in determining the feasibility of adding a new freeway interchange at I-80 and Wolf Road intersection. The land north of I-80 is in the Village of Orland Park's jurisdiction and the land south of I-80 is under the jurisdiction of the Village of Mokena. With LaGrange Road being the only north-south major arterial connecting the Village to I-80, additional roadway capacity is needed to meet future travel demands. The Village of Orland Park's 2040 Transportation Plan states "opening a Wolf Road/I-80 interchange is recommended as it would provide an alternate for north-south travel as well as reduce east-west travel demand west of LaGrange Road". Additionally, a new interchange would provide development opportunities along the I-80 corridor within the Village of Orland Park. This interchange improvement is classified as a high priority project in the Village of Orland Park's plan but it is understood that it will be a long-term project moving forward.

The Village of Orland Park requested a proposal from V3 Companies (V3) for professional engineering services associated with the preparation of a concept feasibility study for the I-80 and Wolf Road Interchange. It is important to note that this concept feasibility study does not follow the formal Illinois Department of Transportation (IDOT) Access Justification Report (AJR) process and will most likely not be formally reviewed by IDOT or the Federal Highway Administration (FHWA). However, village staff and V3 will meet with IDOT representatives prior to beginning the feasibility study to confirm study approach and methodology. Upon completion of the study, the team will meet with IDOT to review and incorporate any feedback provided by various stakeholders including IDOT. It is anticipated that any work completed as part of the concept study will be utilized for future progress and development of the interchange project.

V3 has experience and qualifications for complex transportation planning and engineering services for interchanges within IDOT District 1, and understands the process for major transportation projects, and knows the drivers of value and success that an improvement of this nature and magnitude would bring to a

community. In addition to V3's wide range of transportation experience on various projects throughout the Chicago metropolitan area, V3 has interstate project experience from work on the I-55 corridor developing the AJR and Phase I Design for the Illinois Route 126 and Airport Road interchange in Will County. This project required coordination with multiple stakeholders - Romeoville, Plainfield, Bolingbrook, IDOT, and Will County. Furthermore, additional coordination was needed between residents and businesses in the area. V3 also has specific experience on the I-80 corridor working with IDOT, the City of Joliet, Will County and a private developer for a new interchange at I-80 and I-55. Additionally, V3 has performed design and construction services for the Illinois Tollway, specifically for the I-90 corridor improvements and the I-355 extension to New Lenox.

After finalizing the scope of services and negotiating a professional fee with V3, staff recommends bringing forward the concept study scope and fee for approval. The fee for V3's services is \$42,500 including reimbursable expenses.

PARKS AND RECREATION

2018-0427 2018 Taste of Orland Park Budget Adjustment

The Village of Orland Park has entered into a formal agreement with Palos Health and Loyola Medicine as the presenting sponsor of the 2018 Taste of Orland Park, approved by the Board of Trustees on May 7, 2018. The \$75,000 in revenue is expected within the next 30 days per the agreement; of this sponsorship \$70,700 is allocated for the Taste.

Sponsorship revenue provided in this agreement will be utilized for unfunded expenses directly attributed to the 2018 Taste of Orland Park. Staff is currently preparing for the 2018 Taste and requires additional funding to purchase products and services necessary to successfully produce the Taste in a similar fashion to previous years. In addition to sponsorship revenue, staff has worked with department directors and staff to identify a number of cost saving measures which resulted in personnel and operational savings, along with operational revenue enhancements.

Based up receipt of the sponsorship, staff is requesting approval of a budget adjustment to the Taste of Orland Park revenue and expense accounts in the amount of \$70,700 and a budget adjustment to Special Events revenue and expense accounts in the amount of \$4,300.
