Good afternoon David,

Just wanted to let you know that we will not be able to submit on this RFP.

While we would love the work, we have submittals into the Village for Doogan Park. As well as the 153rd Street/Ravinia Roundabout, so we would not be able to staff them all if we were able to be awarded the work.

As always, we do appreciate the opportunity to continue our long and successful relationship with the Village.

Thanks.

Travis
