| Steel and tin cans – empty                                                                                 | Uncoated printing, writing and office paper                  |
| Phone books                                                                                                | Old corrugated containers/cardboard (uncoated)               |
| Magazines, glossy inserts and pamphlets                                                                    |                                                              |

**RECYCLABLES** may include the following with the written consent of COMPANY:

|                                                                                |                                                                     |
|--------------------------------------------------------------------------------|---------------------------------------------------------------------|
| Plastic containers with symbols #3-#7 – empty (no expanded polystyrene), empty | Glass food and beverage containers – brown, clear, or green - empty |
| Aseptic containers                                                             | Cartons                                                             |

**NON-RECYCLABLES** include, but are not limited to the following:

|                                                                                         |                                                                               |
|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|
| Plastic bags and bagged materials (even if containing Recyclables)                      | Microwavable trays                                                            |
| Mirrors                                                                                 | Window or auto glass                                                          |
| Light bulbs                                                                             | Coated cardboard                                                              |
| Porcelain and ceramics                                                                  | Plastics unnumbered                                                           |
| Expanded polystyrene                                                                    | Coat hangers                                                                  |
| Glass and metal cookware/bakeware                                                       | Household appliances such as vacuums, toasters, blenders                      |
| Hoses, cords, wires                                                                     | Yard waste, construction debris, and wood                                     |
| Flexible plastic or film packaging and multi-laminated materials                        | Needles, syringes, IV bags or other medical supplies                          |
| Food waste and liquids, containers containing such items                                | Textiles, cloth, or any fabric (bedding, pillows, sheets, etc.)               |
| Excluded Materials or containers which contained Excluded Materials                     | Napkins, paper towels, tissue, paper plates, paper cups, and plastic utensils |
| Any Recyclable materials or pieces of Recyclables less than 4" in size in any dimension | Propane tanks, batteries                                                      |

### DELIVERY SPECIFICATIONS:

Material delivered by or on behalf of Customer may not contain Non-Recyclables or Excluded Materials. "Excluded Materials" means radioactive, volatile, corrosive, flammable, explosive, biomedical, infectious, bio-hazardous or toxic substance or material, or regulated medical or hazardous waste as defined by, characterized or listed under applicable federal, state, or local laws or regulations, materials containing information (in hard copy or electronic format, or otherwise) which information is protected or regulated under any local, state or federal privacy or data security laws, including, but not limited to the Health Insurance Portability and Accountability Act of 1996, as amended, or other regulations or ordinances.

Company reserves the right to refuse to provide recycling services when Recyclables are not properly segregated from waste or Non- Recyclables. More specifically, Company may "tag and leave" carts or containers when Company determines in its sole discretion that Non-Recyclables have been placed in the recycling cart or container. The tag will identify the reason for non-collection. The Company may also refuse recycling services for those residents that repeatedly have contamination and/or have not taken steps to correct

the contamination provided that the Village has been notified of the address where Recyclables services are suspended. Company may also collect recyclables that have not been properly segregated from waste or other Non-Recyclables and dispose of the contaminated recyclables as refuse.

Company may reject in whole or in part, or may process, in its sole discretion, Recyclables not meeting the specifications, including wet materials.

Company reserves the right upon notice to discontinue acceptance of any category of materials set forth above as a result of market conditions related to such materials and makes no representations as to the recyclability of the materials.
