Re
Request for Proposal
Phase I Engineering
82nd Avenue Multi-Use Path
135th Street to 151st Street

Dear Mr. Marquez:

We received the Request for Proposal dated April 22, 2021 to provide Phase I Engineering for the 82nd Avenue Multi-Use Path in the Village of Orland Park. Thank you for giving Civiltech an opportunity to submit.

While this opportunity is of interest to us, we do not believe we have the available resources at this time to serve the Village on this project. For this reason, we have elected not to submit a proposal.

Thank you again for considering Civiltech Engineering for this opportunity. While we have chosen not to submit, we ask that you continue to consider Civiltech for future opportunities. We look forward to working with you on forthcoming projects.

Very truly yours,

Joel E. Christell, P.E.
Director of Environmental and Design Studies
