

Memorandum

To: Plan Commission

Date: December 9, 2014
Subject: New Petitions & Appearance Reviews

Below, please find a summary of recently petitioned projects and appearance reviews. Petitioned projects are currently under review by staff and may or may not be on a future Plan Commission agenda. These projects have been petitioned to the Village but may not have obtained all the approvals required to begin work. Projects sometimes are terminated without moving forward for a variety of reasons. Appearance reviews are reviewed and approved administratively. The below list also does not include cell tower co-location or expansion projects. Please contact me with any questions regarding the below projects.
