A Waiver of Subrogation in favor of the Additional Insureds shall apply to General liability and Worker's Compensation. Certificates of insurance must state that the insurer shall provide the VILLAGE with thirty (30) days prior written notice of any change in, or cancellation of required insurance policies. All required insurance shall be maintained by the CONTRACTOR in full force and effect during the life of the CONTRACT, and until such time as all WORK has been approved and accepted by the VILLAGE. This provision constitutes the VILLAGE's continuing demand for such certificates and endorsement(s) or true and correct copies thereof and the obligation to provide such insurance coverage shall be in full force and effect during the life of the CONTRACT. Failure of the VILLAGE to request such certificates and endorsements shall not relieve the CONTRACTOR of these obligations to provide insurance.

11.1.2. The amounts and types of insurance required are defined in Exhibit A, a copy of which is attached hereto and made a part hereof.

11.1.3. CONTRACTOR shall cause each Subcontractor to maintain insurance of the type specified in Exhibit A. Prior to CONTRACT acceptance, and at any time when requested by the VILLAGE, CONTRACTOR shall furnish copies of certificates of insurance evidencing coverage for each Subcontractor and Sub-subcontractor.

11.2. Indemnification

11.2.1. The CONTRACTOR shall defend, indemnify and hold harmless the VILLAGE, its trustees, officers, directors, agents, employees and representatives

and assigns, from lawsuits, actions, costs (including attorneys' fees), claims or liability of any character, incurred due to the alleged negligence of the CONTRACTOR, brought because of any injuries or damages received or sustained by any person, persons or property on account of any act or omission, neglect or misconduct of said CONTRACTOR, its officers, agents and/or employees arising out of, or in performance of any of the provisions of the CONTRACT DOCUMENTS, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or recovered under the "Worker's Compensation Act" or any other law, ordinance, order or decree. In connection with any such claims, lawsuits, actions or liabilities, the VILLAGE, its trustees, officers, directors, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice. The CONTRACTOR shall be solely liable for all costs of such defense and for all expenses, fees, judgments, settlements and all other costs arising out of such claims, lawsuits, actions or liabilities.

11.2.2. The CONTRACTOR shall not make any settlement or compromise of a lawsuit or claim, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the VILLAGE and any other indemnified party. The VILLAGE or any other indemnified party, in its or their sole discretion, shall have the option of being represented by its or their own counsel. If this option is exercised, then the CONTRACTOR shall promptly reimburse the VILLAGE or other indemnified party, upon written demand, for any expenses, including but not limited to court costs, reasonable attorneys' and witnesses' fees and other expenses of litigation incurred by the VILLAGE or other indemnified party in connection therewith.

ARTICLE 12: PERFORMANCE AND PAYMENT BONDS

12.1 The CONTRACTOR shall furnish Performance and Payment Bonds acceptable to the VILLAGE in the full amount of the CONTRACT. Bonds shall be from a surety licensed to do business in Illinois and said surety shall have a minimum A.M. Best rating of A-V. Each Bond shall require a time period during which the Bond can be called limited only to the extent required by Illinois law.

ARTICLE 13: EXECUTION OF CONTRACT

13.1 Execution of the CONTRACT between VILLAGE and CONTRACTOR is contingent upon receipt of required Certificates of Insurance, required signed certifications and required Performance and Payment Bonds.

ARTICLE 14: CHANGES IN THE WORK

14.1. All changes in the WORK must be requested by CONTRACTOR and approved by the VILLAGE via an Authorization to Proceed document bearing the signature of the Project

Principle for VILLAGE. Any change order or series of change orders that increase or decrease the CONTRACT value by \$10,000 or more, or that increases or decreases the CONTRACT duration beyond the approved project schedule must be accompanied by a written request from CONTRACTOR justifying the additional cost or change in schedule. Within an agreed upon period of time, VILLAGE will provide a response to CONTRACTOR's Change Order or Time request by providing a determination signed by the VILLAGE or its designee finding that the change requested was not reasonably foreseeable at the time the CONTRACT was signed, the change is germane to the CONTRACT or the change is in the best interest of VILLAGE. Any change increasing the original CONTRACT value by fifty percent (50%) or more must be re-bid by VILLAGE as required by law.

ARTICLE 15: TERMINATION

- 15.1. VILLAGE may, at any time, terminate the CONTRACT for the VILLAGE's convenience and without cause upon written notice to the CONTRACTOR and payment for all WORK directed to be performed prior to the effective date of termination along with agreed upon reasonable overhead and profit.

1. a. **SECTION II - WHO IS AN INSURED** is amended to add as an additional insured any person or organization:
 - (1) Whom you are required to add as an additional insured on this policy under a written contract or written agreement relating to your business; or
 - (2) Who is named as an additional insured under this policy on a certificate of insurance.
- b. The written contract, written agreement, or certificate of insurance must:
 - (1) Require additional insured status for a time period during the term of this policy; and
 - (2) Be executed prior to the "bodily injury", "property damage", or "personal and advertising injury" leading to a claim under this policy.
- c. If, however:
 - (1) "Your work" began under a letter of intent or work order; and
 - (2) The letter of intent or work order led to a written contract or written agreement within 30 days of beginning such work; and
 - (3) Your customer's customary contracts require persons or organizations to be named as additional insureds;

we will provide additional insured status as specified in this endorsement.
2. The insurance provided under this endorsement is limited as follows:
 - a. That person or organization is an additional insured only with respect to liability caused, in whole or in part, by:
 - (1) Premises you:
 - (a) Own;
 - (b) Rent;
 - (c) Lease; or
 - (d) Occupy;
 - (2) Ongoing operations performed by you or on your behalf. Ongoing operations does not apply to "bodily injury" or "property damage" occurring after:

- (a) All work to be performed by you or on your behalf for the additional insured(s) at the site of the covered operations is complete, including related materials, parts or equipment (other than service, maintenance or repairs); or
 - (b) That portion of "your work" out of which the injury or damage arises is put to its intended use by any person or organization other than another contractor working for a principal as a part of the same project.
- (3) Completed operations coverage, but only if:
- (a) The written contract, written agreement, or certificate of insurance requires completed operations coverage or "your work" coverage; and
 - (b) This coverage part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

However, the insurance afforded to such additional insured only applies to the extent permitted by law.

- b. If the written contract, written agreement, or certificate of insurance:
- (1) Requires "arising out of" language; or
 - (2) Requires you to provide additional insured coverage to that person or organization by the use of either or both of the following:
 - (a) Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01; or
 - (b) Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

then the phrase "caused, in whole or in part, by" in paragraph 2.a. above is replaced by "arising out of".

- c. If the written contract, written agreement, or certificate of insurance requires you to provide additional insured coverage to that person or organization by the use of:
- (1) Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13; or
 - (2) Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13; or
 - (3) Both those endorsements with either of those edition dates; or
 - (4) Either or both of the following:
 - (a) Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 without an edition date specified; or

then paragraph 2.a. above applies.

- d. Premises, as respects paragraph 2.a.(1) above, include common or public areas about such premises if so required in the written contract or written agreement.
- e. Additional insured status provided under paragraphs 2.a.(1)(b) or 2.a.(1)(c) above does not extend beyond the end of a premises lease or rental agreement.
- f. The limits of insurance that apply to the additional insured are the least of those specified in the:
 - (1) Written contract;
 - (2) Written agreement;
 - (3) Certificate of insurance; or
 - (4) Declarations of this policy.

The limits of insurance are inclusive of and not in addition to the limits of insurance shown in the Declarations.

The plan sheets are not being re-issued for this revision. The Bid Proposal included in this Addendum has been revised to reflect this revision.

The following are the Village's responses to questions submitted for this ITB:

1. Please confirm IDOT pre-qualified is required to bid. We are an IDOT approved subcontractor but do not have qualification to bid as a prime.

Village Response: Please refer to the Special Conditions section (page 2) of the INVITATION TO BID #17-002. All bidders shall be pre-qualified by the Illinois Department of Transportation.

2. I was wanting to make sure there was NOT a pre-bid for the above project. I didn't see notice of it in the spec book.

Village Response: There is no pre-bid meeting for this project.

3. The Project Specifications illustrate (2) different Completion dates, is the September 30, 2017 completion date the intended date?

Village Response: The completions date for this contract is September 30th, 2017.

4. We see some of the earth excavation is already designated, that being said, who maintains the dump site at these established locations?

Village Response: The dump site for the development at 156th Street and LaGrange is no longer available. The dump site for the Median Topsoil has been changed. See the attached revised special provision for maintenance requirements.

5. We also see some of the earth excavation is planned to be dumped in the typical and raised medians off of Lagrange Road, who will handle the Traffic control at these locations?

Village Response: The dump site for the Median Topsoil has been changed. See the attached revised special provision for maintenance requirements.

6. Can we receive further clarification regarding the transporting and dumping of the topsoil dirt for the typical and raised medians? Such clarification would be; are we dumping in the actual medians or a spot close by and the contractor for that median project will haul and place?, Or are we to figure dumping in the actual median off of LaGrange Road? If so, and as previously asked, who will handle/monitor the Traffic Control if we are to dump in the median? This clarification will help us provide a better estimate for handling this task.

Village Response: The dump site for the Median Topsoil has been changed. See the attached revised special provision for maintenance requirements.

7. Can a typical section for the 139th Street reconstruction be provided?, that also includes an illustration of the proposed pavement sections?

Village Response: The proposed curb edge of pavement on the south side of 139th Street shall be the same elevation as the existing perpendicular curb on the north side of 139th Street, except through the intersections. The centerline of the road shall be crowned to provide a minimum cross-slope of 2%. The pavement section is listed in the Legend.

8. Is there a specific haul route that the contractor will need to follow when removing excavated materials offsite?, if so, can a map of this route be provided?

Village Response: The contractor's preferred haul route shall be submitted to the Village for consideration and approval after the project has been awarded.

9. With regards to the disposal at the Development Site at the southwest corner of 156th and LaGrange Road, we have the following questions:
1. Who will handle the clearing of the existing trees and shrubs?, or will this be cleared ahead of time, prior to hauling here.
 2. Who will maintain the dump pile as the loads are being brought in?
 3. What is the point of access into this site, do we jump the curb?, or is there a specific opening that we would need to enter and exit out of?

Village Response: Per this addendum, the "Earth Excavation (Special)" pay item shall be removed from the contract specifications. The "Earth Excavation (Special)" quantity initially planned for a development site is no longer required. The revised Bid Proposal included in this Addendum contains the new earthwork bid quantities.

10. In the bid package it states that the completion date is September 30th, 2017 but the special provisions state that the completion date is June 31st, 2017. Can you please clarify the correct completion date?

Village Response: The completions date for this contract is September 30th, 2017.

11. In the special provisions it states that Dewatering will be paid under a pay item of the same name at 1 Lump Sum. There is no pay item of that name currently. Will this be added to the bid?

Village Response: The revised UNIT PRICE SHEET includes a pay item for DEWATERING.

12. The special provisions also state that the Earth Excavation that will be brought to a different site will be paid under a pay item "Earth Excavation (Special)" but there is none. Is this work to be included in the "Earth Excavation" pay item or will there be an "Earth Excavation (Special)" pay item added?

Village Response: Per this addendum, the "Earth Excavation (Special)" pay item shall be removed from the contract specifications. The "Earth Excavation (Special)" quantity initially planned for a development site is no

longer required. The revised Bid Proposal included in this Addendum contains the new earthwork bid quantities.

13. Both the plans and special provisions call for a "Utility Protection Pad" pay item to cross the Nicor line, but there is no pay item. Is this pay item going to be added or will this work be done by others?

Village Response: The revised UNIT PRICE SHEET includes a pay item for UTILITY PROTECTION PAD.

14. The special provisions and plans say that the topsoil will be taken offsite. Some will be going to special locations and some will be disposed of as unsuitable material. There is no pay item for the special location removal, as indicated in the special provisions, and the Remove & Dispose of Unsuitable pay item is significantly less than what is currently in the schedule of quantities. Can the village and engineer please clarify how all of the topsoil removal will be paid for and under what pay item?

Village Response: The Bid Proposal has been revised with new Topsoil pay items and revised quantities. Topsoil is to be taken to the Public Works yard, a stockpile location for future median respreads by others, respreads on site, and removed as Disposal of Unsuitable. The Pay Items and Quantities have been revised to reflect this. Also, please reference the revised special provision for TOPSOIL EXCAVATION AND PLACEMENT – (LOCATION SPECIFIED) included in this Addendum.

15. Will the dump site at 156th & LaGrange Road have enough room for all clay spoils?

Village Response: Per this addendum, the "Earth Excavation (Special)" pay item shall be removed from the contract specifications. The "Earth Excavation (Special)" quantity initially planned for a development site is no longer required. The revised Bid Proposal included in this Addendum contains the new earthwork bid quantities. All Earth Excavation shall be taken to a CCDD site or to an off-site location determined by the contractor.

16. The following 5' manholes will have to be 6' manholes due to boots for 36" pipe: #94, 98, 104, 106, and 114

Village Response: The Village will require Rubber Boots per ASTM C-923 at all pipe connections to storm sewer manholes, catch basins, and inlets. The cost of the rubber boots shall be included in the cost of the associated structure. Due to the size of the boots, Structures 94, 98, 104, 106, and 114 have been revised to 6' manholes. The Bid Proposal has been revised to reflect this revision.

17. Will the existing utilities, side yards and rear yard conflicts (i.e. ComEd, Gas, Cable, Phone) be relocated prior to installation of new storm piping?

Village Response: Side yard and rear yard utilities will not be relocated prior to the storm sewer installation. It is anticipated that the storm sewer will have vertical clearance of these utilities at the crossing locations. The utilities will need to be temporary braced during the storm sewer installation and this shall be considered included in the cost of the proposed storm sewer. If horizontal conflicts exist after the JULIE locations have been performed by the contractor, there may be a possibility to adjust the alignment of the proposed storm sewer down a side yard. This adjustment will need to be coordinated with the Resident Engineer.

18. Will pipe underdrain be required for all new curb installation?

Village Response: Pipe underdrain is only required at all new curb within 25 feet of a curb-line drainage structure. The cost of the pipe underdrain shall be included in the cost of the associated drainage structure.

19. Will placement of topsoil in center islands on LaGrange Rd be done by others? Please clarify "Placement" for topsoil being hauled off-site to Orland Park locations.

Village Response: The dump site for the Median Topsoil has been changed. See the attached revised special provision.

20. Will there be a line item for the Temporary Pipeline Crossing Protection? Has there been a determination made by Nicor on what version of crossing protection will be required?

Village Response: The revised UNIT PRICE SHEET includes a pay item for UTILITY PROTECTION PAD. No determination of what version of the crossing protection will be required. It is possible this will be determined by Nicor after the contractor submits their equipment list to Nicor, but the contractor should bid this pay item based on their preferred method in the approved Nicor details.

21. Will the residential fence removal and replacement be covered in the "Landscape Allowance"?

Village Response: Yes, fence removal and replacement will be covered under the LANDSCAPE ALLOWANCE pay item.

22. What is the thickness/depth of the existing asphalt street pavement?

Village Response: Pavement cores are not available for these streets but it is anticipated that the pavement thickness is approximately 4".

The question and answer period for this bid is closed. The bid submission deadline remains Tuesday, January 24, 2017 not later than 11:00 A.M.

If the Owner, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default;
- .2 the Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and
- .3 the Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract.

§ 4 Failure on the part of the Owner to comply with the notice requirement in Section 3.1 shall not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.

§ 5 When the Owner has satisfied the conditions of Section 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

§ 5.1 Arrange for the Contractor, with the consent of the Owner, to perform and complete the Construction Contract;

§ 5.2 Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;

§ 5.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and a contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Section 7 in excess of the Balance of the Contract Price incurred by the Owner as a result of the Contractor Default; or

§ 5.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:

- .1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or
- .2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.

§ 6 If the Surety does not proceed as provided in Section 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Section 5.4, and the Owner refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

§ 7 If the Surety elects to act under Section 5.1, 5.2 or 5.3, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. Subject to the commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication, for

- .1 the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
- .2 additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Section 5; and
- .3 liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

§ 8 If the Surety elects to act under Section 5.1, 5.3 or 5.4, the Surety's liability is limited to the amount of this Bond.

§ 9 The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, successors and assigns.

§ 10 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 11 Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 12 Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears.

§ 13 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

OWNER'S REPRESENTATIVE:

(Architect, Engineer or other party:)

§ 1 The Contractor and Surety, jointly and severally, bind themselves,, their heirs, executors, administrators, successors and assigns to the Owner to pay for labor, materials and equipment furnished for use in the performance of the Construction Contract, which is incorporated herein by reference, subject to the following terms.

§ 2 If the Contractor promptly makes payment of all sums due to Claimants, and defends, indemnifies and holds harmless the Owner from claims, demands, liens or suits by any person or entity seeking payment for labor, materials or equipment furnished for use in the performance of the Construction Contract, then the Surety and the Contractor shall have no obligation under this Bond.

§ 3 If there is no Owner Default under the Construction Contract, the Surety's obligation to the Owner under this Bond shall arise after the Owner has promptly notified the Contractor and the Surety (at the address described in Section 13) of claims, demands, liens or suits against the Owner or the Owner's property by any person or entity seeking payment for labor, materials or equipment furnished for use in the performance of the Construction Contract and tendered defense of such claims, demands, liens or suits to the Contractor and the Surety.

§ 4 When the Owner has satisfied the conditions in Section 3, the Surety shall promptly and at the Surety's expense defend, indemnify and hold harmless the Owner against a duly tendered claim, demand, lien or suit.

§ 5 The Surety's obligations to a Claimant under this Bond shall arise after the following:

§ 5.1 Claimants, who do not have a direct contract with the Contractor,

- .1 have furnished a written notice of non-payment to the Contractor, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were, or equipment was, furnished or supplied or for whom the labor was done or performed, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the Claim; and
- .2 have sent a Claim to the Surety (at the address described in Section 13).

§ 5.2 Claimants, who are employed by or have a direct contract with the Contractor, have sent a Claim to the Surety (at the address described in Section 13).

§ 6 If a notice of non-payment required by Section 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Section 5.1.1.

§ 7 When a Claimant has satisfied the conditions of Sections 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:

§ 7.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and

§ 7.2 Pay or arrange for payment of any undisputed amounts.

§ 7.3 The Surety's failure to discharge its obligations under Section 7.1 or Section 7.2 shall not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim, except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Section 7.1 or Section 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing to the Claimant.

§ 8 The Surety's total obligation shall not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Section 7.3, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.

§ 9 Amounts owed by the Owner to the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.

§ 10 The Surety shall not be liable to the Owner, Claimants or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to, or give notice on behalf of, Claimants or otherwise have any obligations to Claimants under this Bond.

§ 11 The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.

§ 12 No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is the subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Section 5.1.2 or 5.2, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

§ 13 Notice and Claims to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears. Actual receipt of notice or Claims, however accomplished, shall be sufficient compliance as of the date received.

§ 14 When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond. ,

§ 15 Upon request by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.

§ 16 Definitions

§ 16.1 Claim. A written statement by the Claimant including at a minimum:

- .1 the name of the Claimant;
- .2 the name of the person for whom the labor was done, or materials or equipment furnished;
- .3 a copy of the agreement or purchase order pursuant to which labor, materials or equipment was furnished for use in the performance of the Construction Contract;
- .4 a brief description of the labor, materials or equipment furnished;
- .5 the date on which the Claimant last performed labor or last furnished materials or equipment for use in the performance of the Construction Contract;
- .6 the total amount earned by the Claimant for labor, materials or equipment furnished as of the date of the Claim;
- .7 the total amount of previous payments received by the Claimant; and
- .8 the total amount due and unpaid to the Claimant for labor, materials or equipment furnished as of the date of the Claim.

§ 16.2 Claimant. An individual or entity having a direct contract with the Contractor or with a subcontractor of the Contractor to furnish labor, materials or equipment for use in the performance of the Construction Contract. The term Claimant also includes any individual or entity that has rightfully asserted a claim under an applicable mechanic's lien or similar statute against the real property upon which the Project is located. The intent of this Bond shall be to include without limitation in the terms "labor, materials or equipment" that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental equipment used in the Construction Contract, architectural and engineering services required for performance of the work of the Contractor and the Contractor's subcontractors, and all other items for which a mechanic's lien may be asserted in the jurisdiction where the labor, materials or equipment were furnished.

§ 16.3 Construction Contract. The agreement between the Owner and Contractor identified on the cover page, including all Contract Documents and all changes made to the agreement and the Contract Documents.

§ 16.4 Owner Default. Failure of the Owner, which has not been remedied or waived, to pay the Contractor as required under the Construction Contract or to perform and complete or comply with the other material terms of the Construction Contract.

§ 16.5 Contract Documents. All the documents that comprise the agreement between the Owner and Contractor.

§ 17 If this Bond is issued for an agreement between a Contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.
