PREAMBLE

THIS AGREEMENT entered into by the VILLAGE OF ORLAND PARK (hereinafter referred to as the "Village" or the "Employer") and the INTERNATIONAL UNION OF OPERATING ENGINEERS (hereinafter referred to as "IUOE" or the "Union") on behalf of its affiliated LOCAL 399, has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of an entire agreement covering rates of pay, hours of work and conditions of employment applicable to bargaining unit employees.

Therefore, in consideration of the mutual promises and agreements contained in this Agreement, the Employer and the Union do mutually promise and agree as follows:

ARTICLE I RECOGNITION

Section 1.1. Union Recognized. The Employer recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing salaries, wages, hours and other conditions of employment for the bargaining unit described below:

Included Employees: All full-time secretarial and clerical employees.

Excluded Employees: Executive Assistant to Village Manager, Executive Assistant to Mayor, Assistant Village Clerk, Executive Assistant to Chief of Police, Executive Assistant to Director of Public Works, Executive Assistant to the Director of the Finance Department, Executive Assistant for the Development Services Department, Administrative Clerk assigned to the Village Manager's Office, all part-time employees, supervisory, confidential, and managerial employees as defined in the Illinois Public Labor Relations Act and all other Village employees.

Section 1.2. Classification Not Guaranteed The classifications or job titles used above are for descriptive purposes only. Their use is neither an indication nor a guarantee that these classifications or titles will continue to be utilized by the Employer. Position classification description of duties shall be defined to read "performs other duties as

required or assigned which are reasonably within the scope of the duties enumerated herein."

Section 1.3. New Classifications The Employer shall promptly notify the Union of its decision to implement any and all new classifications pertaining to work of a nature performed by employees in the bargaining unit. If the new classification is a successor title to a classification covered by the Agreement and the job duties are not significantly altered or changed, the new classification shall automatically become a part of this Agreement.

If the new classification contains a significant part of the work now being done by any of the classifications covered by this Agreement, or whose functions are similar to employees in this bargaining unit, and the Union notifies the Employer of a desire to meet within ten (10) days of its receipt of the Employer's notice, the parties will then meet to review the proposed classification and if unable to reach agreement as to its inclusion or exclusion from the unit, the Employer shall be free to implement its decision and the Union shall be free to challenge that decision before the Illinois State Labor Relations Board. If the inclusion of the proposed classification is agreed to by the parties or found appropriate by the Illinois State Labor Relations Board, the parties shall then negotiate as to the proper rate of pay for the classification with the Village free to assign a temporary rate pending resolution of negotiations. Article XVI, No Strike-No Lockout, shall continue in effect during these negotiations. If the parties fail to reach agreement in their negotiations, Management may institute its rate and the Union may file a grievance at Step 3 of the grievance procedure within ten (10) calendar days of notification of Management's decision. An arbitrator shall not change management's rate unless it is clearly unreasonable.

Section 1.4. Duty of Fair Representation The Union agrees to fulfill its duty to fairly represent all employees in the bargaining unit regardless of union membership. The Union further agrees to indemnify and hold harmless the Village from any and all liability, including monetary damages, resulting from any failure on the part of the Union to fulfill its duty of fair representation.

Section 1.5. Gender Unless the context in which they are used clearly requires otherwise, words used in this Agreement denoting gender shall refer to both the masculine and feminine.

Section 1.6. Dignity and Respect The Employer and the Union will recognize and respect each other's dignity and the dignity of all employees.

ARTICLE II

UNION SECURITY AND RIGHTS

Section 2.1. Dues Checkoff While this Agreement is in effect, the Village will deduct from each employee's paycheck twice each month, half the uniform, regular monthly Union dues for each employee in the bargaining unit who has filed with the Village a lawful, voluntary, effective check off authorization form. The form shall be provided by the Union and approved by the Village. The Village will honor all executed check off authorization forms received not later than fifteen (15) working days (i.e. days the Village's administrative offices are open) prior to the next deduction date. If a conflict exists between the check off authorization form and this Article, the terms of this Article and Agreement control.

The Village shall remit total deductions collected for each calendar month to the Treasurer of the Union, together with a list of employees for whom deductions have been made not later than the tenth (10th) day of the following month. The Union agrees to refund to the employee(s) any amounts paid to the Union in error on account of this dues deduction provision.

The check-off authorization shall remain in effect unless it is revoked in writing in accordance with the revocation provisions contained in the authorization card. The Union shall notify the Village of any revocations no later than the first day of the month following the month in which it receives notice that the card is revoked. Dues shall be withheld and remitted to the Treasurer of the Union unless or until such time as the Village receives a

timely Notice of Revocation of Dues Check Off from an employee, or notice of an employee's death, transfer from covered employment, termination of covered employment, or when there are insufficient funds available in the employee's earnings after withholding all other legal and required deductions. Information concerning dues not deducted under this Article shall be forwarded to the Treasurer of the Union, and this action will discharge the Village's only responsibility with regard to such cases.

The actual dues amount to be deducted shall be certified to the Village by the Treasurer of the Union, and shall be based on a uniform rule or formula for each employee in order to ease the Employer's burden of administering this provision. The Union may change the rule or formula, which will determine the regular monthly dues once each calendar year, effective July 1st of each year, during the life of this Agreement. The Union will give the Village forty-five (45) days' notice of any such change in the amount of uniform dues to be deducted.

Section 2.2. Notice and Appeal The Union agrees to provide notices and appeal procedures to employees in accordance with applicable law.

Section 2.3. Union Indemnification The Union shall indemnify, defend, and hold the Employer harmless against any claim, demand, suit or liability arising from any action taken by the Employer in complying with this Article.

Section 2.4. Union Access One Union representative, and his or her successor(s) as designated by the Union, shall have access to the premises of the Village in order to help resolve a serious dispute or problem. In order to receive access, the representative must provide advance notice to the Village Manager or his designee and make arrangements not to disrupt the work of employees on duty. The representative may visit with employees during their non- working periods if such visit does not disturb the work of any employees who may otherwise be working.

Section 2.5. Union Bulletin Boards The Village will make available appropriate space for the posting of official Union notices of a non-political, non-inflammatory nature on existing Village bulletin boards where bargaining unit employees normally work. The Union's use of the designated bulletin boards for such purpose shall be restricted to the following:

- (a) Notice of Union recreational and social activities;
- (b) Notice of Union elections and results of such elections;
- (c) Notice of Union appointments;
- (d) Notice of Union meetings, committee meetings and reports and minutes of said meetings; and
- (e) If the Union desires to post any other information or material, the Union shall first submit the same to the Village Manager or his designee for approval. The Village Manager or his designee shall only disapprove of a posting if he determines that the information or material submitted is of a partisan, political or defamatory nature.

The Union will limit the posting of Union notices on Village premises to such bulletin boards. The Union's Spokesperson shall be identified in writing by the Union within thirty (30) days of the execution of the Collective Bargaining Agreement and shall be the sole union official authorized to post notices on such bulletin boards, and one (1) such official shall date and initial all such postings.

Section 2.6. Information to the Union On a quarterly basis, the Village shall make accessible to the Union written information concerning new hires, layoffs, promotions, transfers, recalls from layoffs, suspensions, discharges and terminations which directly pertain to bargaining unit employees. This information shall consist

of the name of the employee, nature of action taken, and the effective date of said action.

ARTICLE III MANAGEMENT RIGHTS

Section 3.1. Management Rights Except specifically limited by the express provisions of this Agreement, the Village retains traditional rights to manage and direct the affairs of the village in all of its various aspects and to manage and direct its employees, including but not limited to the following: to plan, direct, control and determine all the operations and services of the Village; to supervise and direct the working forces; to establish the qualifications for employment and to employ employees; to schedule and assign work; to determine the workweek of employees and to establish the starting and ending times of the workday; to assign or to transfer employees within the Village; to establish work and productivity standards and, from time to time, to change those standards; to assign overtime; to lay-off or relieve employees due to lack of work or funds or for other legitimate reasons; to determine the methods, means, organization and number of personnel by which such operations and services shall be made or purchased; to contract out for goods and services; to make and enforce reasonable rules and regulations; to discipline, suspend and discharge employees for just cause (probationary employees without cause); to change or eliminate existing methods, equipment or facilities; and to take any and all actions as may be necessary to carry out the mission of the Village in situations of civil emergency conditions as may be declared by the President of the Board of Trustees or the Village Manager, which actions may include the suspension of the provisions of this Agreement provided that wage rates and monetary benefits shall not be suspended and providing that all provisions of this Agreement shall be immediately reinstated once a civil emergency condition ceases to exist.

The exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Village,

the adoption of policies, rules, regulations and practices in furtherance thereof, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Illinois and the Constitution and laws of the United States.

ARTICLE IV REST PERIODS

Section 4.1. Rest Periods All employees work schedules shall provide for rest periods which each Department has traditionally done in the past and will continue to do so. .

ARTICLE V SUBCONTRACTING

Section 5.1. General Policy It is the general policy of the Village to continue to utilize its employees to perform work they are qualified to perform. However, the Village reserves the right to contract out any work it deems necessary in the interest of efficiency, economy, improved work product or emergency.

Section 5.2. Notice of Discussion Except where an emergency situation (including natural and/or man-made disasters) exists, before the Village subcontracts work in a general area, where such subcontracting would result in the loss of any existing bargaining unit employees, the Village will notify the Union and offer the Union an opportunity to meet and discuss the desirability of subcontracting such work. Such discussion may include, among other items, the availability of bargaining unit employees and equipment, and the relative economic costs.

ARTICLE VI MEAL PERIODS

Section 6.1 Meal Periods Employees will be allowed, with the approval of their supervisor, to use alternate work hour schedules. In the event the employer assigns an

employee to a nine (9) hour work shift that employee will be granted a minimum unpaid one-hour meal period.

All employees shall be granted a minimum thirty (30) minute unpaid meal period during each work shift. This meal period shall be taken at a time approved in advance by an employee's immediate supervisor outside the bargaining unit. Time granted for meal periods shall include any travel time utilized by the employee during the meal period. When appropriate, the meal period shall be scheduled at the middle of each shift or regular workday. Employees may, based on operational need and provided it does not create the need for overtime, be allowed to take a one-hour lunch period with thirty (30) minutes unpaid and the additional thirty (30) minutes accounting for two 15-minute breaks, with supervisor approval. An employee may take a one-hour lunch and maintain two 15-minute breaks if the employee's work day is extended by 30 minutes and provided it does not create the need for overtime and is approved by a supervisor.

Subject to the foregoing conditions, the Employer shall provide an unpaid one-half (1/2) hour meal period to any employee who is requested to, and does, work four (4) hours beyond his regular quitting time. The employee shall be furnished additional unpaid meal periods of one-half (1/2) hour each every eight (8) hours thereafter while he continues to work. In all instances, the employee will buy the meal.

If the employee is requested to and does work through his meal period, the employee will be given a later meal period or equivalent time off during the shift. If the employer schedules the missed meal period in the last thirty (30) minutes of the shift at the employer's option, the employer may allow the employee to leave. If the employer is unable to reschedule the meal period, the employer will pay the employee one and one-half (1 1/2) times the employee's regular hourly rate of pay for the meal time missed.

ARTICLE VII HOLIDAYS

Section 7.1. Holidays The following are paid holidays for eligible employees:

New Year's Day
Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Friday following Thanksgiving Day
Christmas Eve
Christmas Day
New Year's Eve

Section 7.2. Floating Holidays Effective on and after January 1, 1998, eligible employees shall be entitled to two (2) floating holidays during each calendar year. This floating holiday is a regular day off with pay. Employee requests to utilize floating holidays under this section shall be submitted in advance to the Department Director or his designee for approval and may only be taken in full day increments.

Section 7.3. Holidays on Weekends Whenever any of the holidays listed above fall on Saturday, the preceding Friday shall be observed as the holiday. When any of the holidays listed above fall on Sunday, the succeeding Monday shall be observed as the holiday.

Section 7.4. Holiday Pay For each such holiday, when not worked, an eligible employee shall receive eight (8) hours pay at his regular straight-time hourly rate. For each such holiday in fact worked an eligible employee shall receive eight (8) hours holiday pay and one and a half (1-1/2) times his regular straight-time hourly rate for all hours worked.

Section 7.5. Eligibility Requirements order to be eligible for holiday pay, the employee must work the employee's regularly scheduled workday immediately

preceding and immediately following the holiday, unless the employee is on a previously authorized absence or can provide proof of illness or an otherwise acceptable absence is established to the satisfaction of the Village.

Section 7.6. Holiday Hours for Overtime Purposes For the purpose of computing overtime, all holiday hours worked or unworked for which an employee is compensated shall be regarded as hours worked.

Employee Exclusion. The provisions of this Article are not applicable to those bargaining unit employees regularly scheduled to work less than forty (40) hours per week.

ARTICLE VIII SENIORITY

Section 8.1. Definitions Unless stated otherwise, seniority shall, for the purpose of this Agreement, be defined as an employee's length of continuous service in the bargaining unit as a full-time employee with the Village since the employee's last date of hire.

Section 8.2. Application of Seniority This provision shall govern filling of vacancies in the bargaining unit. In the event there is a permanent vacancy in a bargaining unit classification which the Village desires to fill or in the event the Village creates a new bargaining unit classification, notice of such vacancy shall be posted for five workdays. The Village shall determine qualifications necessary for an employee to hold a bargaining unit position. During the posting period, non-probationary employees may apply for the vacancy on forms supplied by the Village. The Village may also advertise the position and accept applications from persons not employed by the Village.

The Village will select a qualified bidder or applicant based upon qualifications, which shall be determined by the Village based upon factors including, but not limited to, examinations and interviewing. In

addition, where qualifications among bidding bargaining unit employees are relatively equal, the senior bidder shall be selected. If, in the judgment of the Village, a non-bargaining unit employee (outside bidder) is demonstrably more qualified than a current Village employee bidding for the vacancy, the Village may hire the outside bidder.

The Village may temporarily fill a vacancy while it is applying the procedure specified under this Section. An employee who is promoted pursuant to the job posting procedure shall observe a trial period on the new job which shall not exceed six months. The Village has the sole discretion to remove the employee during the trial period and in such event the employee shall be returned to his former classification, seniority permitting, or transferred to another classification.

Section 8.3. Termination of Seniority Seniority and the employment relationship will be terminated when an employee:

- (a) quits; or
- (b) retires or is retired; or
- (c) is laid off for a period in excess of one (1) year; or (d) is discharged for just cause.

The parties agree the following reasons, among others, constitute cause for discharge when an employee:

- 1) is absent for three (3) consecutive working days without notifying the Village;
- 2) is laid off and fails to notify the Village Manager or his designee of his intention to return within five (5) days after receiving notice of recall or who fails to return at the designated time;
- 3) does not report to work within forty-eight (48) hours after the termination of an authorized leave of absence.

Section 8.4. Probationary Period – New Employees All new employees and those hired after loss of seniority shall be considered probationary employees until they complete a probationary period of six (6) months. The Employer may extend an employee's probationary period at its discretion, if a probationary employee is absent for a period in excess of three (3) consecutive days. The extension shall not exceed one (1) month or the total number of days an employee was absent during the initial probationary period, whichever is greater. During the employee's probationary period, the employee may be represented by the Union except in cases of dismissal.

A probationary employee shall not have seniority and may be terminated at the sole discretion of the Village, and such action shall not be subject to the grievance or arbitration procedure of this Agreement and does not require notice. After completion of the probationary period, an employee's seniority shall date back to the most recent date of hire and the employee's name shall be added to the seniority roster.

Section 8.5. Seniority List The Village shall maintain and keep current a seniority roster noting the date of hire and current position by Division and job title and/or classification for all employees covered by this Agreement. A copy of this roster shall be posted at the time this Agreement becomes effective and an updated copy of the seniority roster shall be posted every twelve months by the Employer. The Union president or his designee shall be supplied with a copy of each roster which is so posted. The Village shall not be responsible for any errors in the seniority list unless such errors are brought to the attention of the Village Manager in writing within fifteen (15) working days after the seniority list is posted. However, the Village may correct a mistake in the seniority list after the fifteen (15) working days have expired when such a mistake is brought to the Village's attention, but such correction shall not affect in any way any action taken by the Village based upon the original seniority

list or result in any liability on the Village's part for any action based on the original seniority list.

Section 8.6. Layoff and Recall Notwithstanding any other provisions contained herein to the contrary, the Village in its discretion shall determine whether layoffs are necessary unless it is clearly established that such a determination is arbitrary. If it is determined that layoffs are necessary employees will be laid off in the following order:

- (a) probationary employees; and
- (b) part-time employees not included in the bargaining unit who regularly perform the same duties as bargaining unit employees; and
- (c) bargaining unit employees regularly working less than forty (40) hours per week; and
- (d) in the event of further reductions in force, employees will be laid off from their affected job classification and Division and/or Branch in accordance with their seniority, skill and ability to perform the remaining work without further training. When two or more employees have relatively equal experience, skill, ability and qualifications to do the work without further training, the employee(s) with the least job classification seniority within the Division and/or Branch will be laid off first.

Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are presently qualified to perform the work in the job classification and Division and/or Branch to which they are recalled without further training.

If an employee is recalled to a position in a lower-rated job classification, he shall have the right to return to the job classification he held prior to being laid off

in the event it subsequently becomes available, provided the employee has the current skill and ability to perform the work in question. Unless otherwise indicated, employees shall be compensated at the rate applicable to the job classifications to which they are recalled. The Village shall not hire new full-time employees in bargaining unit positions as long as there are still employees on the recall list who are presently qualified to perform the work in the affected job classification and Division and/or Branch and are willing to be recalled to said classification and are available to perform work immediately.

Employees who are eligible for recall shall be given ten (10) calendar days' notice of recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union, provided that the employee must notify the Village Manager or his designee of his intention to return to work within five (5) days after receiving notice of recall. An employee's failure to notify the village of his intention to return to work within five days shall constitute a waiver of the employee's subsequent right to recall, unless otherwise mutually agreed between the Village and the Union. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation- and responsibility of the employee to provide the Village with his latest mailing address.

An employee whose job is being permanently eliminated or who is laid off in accordance with Section 8.6 may bump the least senior employee in the bargaining unit, provided the employee who is being laid off or whose job is being permanently eliminated has the skill, qualifications and ability in the sole opinion of the Employer essential to perform the job functions of the position of the employee being bumped.

ARTICLE IX SICK LEAVE

Section 9.1. Purpose Sick leave with pay is provided as a benefit in recognition that employees do contract various illnesses from time to time and that their financial resources may be diminished in such instances if pay is discontinued, and that it may not be in the best interest or health of the employee or fellow employees for them to work while sick. Sick employees are expected to remain at home unless hospitalized or visiting their doctor. Unfortunately, sick leave abuse sometimes occurs. The parties agree that sick leave abuse is a very serious offense which may result in discipline of an employee. An employee may use sick leave with pay for absences due to the illness, injury, or medical appointment of the employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law. Grandchild, grandparent, or stepparent, on the same terms upon which the employee is able to use personal sick leave for the employee's own illness or injury.

Employees will make every attempt to schedule medical appointments at the beginning or end of the workday, if he or she cannot, the employee will give his supervisor two (2) weeks' notice and the supervisor will respond in one (1) week.

Section 9.2. Allowance Any employee contracting or incurring any non-service-connected sickness or disability shall receive sick leave with pay. Employees shall be eligible for sick leave after completion of their probationary period with the Employer.

Section 9.3. Days Earned in Accumulation Employees shall be allowed to accumulate any unused sick time with no maximum accumulation restriction. Sick leave cannot be taken before it is actually earned.

Section 9.4. Rate of Payment Employees shall be paid eight (8) hours at one hundred percent (100%) of their

regular, straight-time hourly rate of pay for each accumulated single day of sick leave properly utilized. The Village may require a doctor's slip attesting to an illness of three or more days immediately upon the employee's return from such leave.

Section 9.5. Notification Except as otherwise noted herein notification of absence due to sickness shall be given to the Village as soon as possible on the first day of such absence, but no later than one-half (1/2) hour after the start of the employee's work shift. Failure to properly report an illness shall be considered as absence without pay and may subject the employee to discipline. Exceptions to the notification requirements set forth in this section may be made at the discretion of the Village.

Section 9.6. Medical Examination The Village may, at its discretion, require an employee utilizing sick leave to submit at any time during such leave to an examination by a doctor or nurse designated by the Village, at the Village's expense.

Section 9.7. Abuse of Sick Leave Abuse of sick leave is a serious matter. If proper notification is not given, or abuse is observed, any absence may be charged as leave without pay and/or may constitute cause for discipline.

Section 9.8. Sick Leave Utilization All eligible employees shall be entitled to and receive compensation for eight (8) sick days annually beginning January 1st of each year. Paid time off for sick days may be used in no less than one (1) hour increments. Whenever sick time off is required for a medical appointment or treatment, the employees are responsible for notifying their supervisor in advance and providing written verification from the doctor of the employee's appointment upon return to work. Any employee who is discharged or terminates their employment forfeits all sick leave accrued benefits. In the event an employee becomes ill during the workday,

he/she will be entitled to use sick leave in less than one-hour increments.

Section 9.9. Sick Time Buy Back Upon an Employee's retirement, the Village will pay the retired employee the current straight time hourly rate or equivalent for every hour of sick time in excess of four hundred (400) hours, which the employee accrued.

Section 9.10. Annual Sick Leave Buy Back The Village, on an annual basis, will pay an employee the current straight time rate hourly rate or equivalent in whole day increments for unused sick time as follows:

Eight (8) accrued and unused sick days =	3 days sick pay
Seven (7) accrued and unused sick days =	2 days sick pay
Six (6) accrued and unused sick days =	1 day sick pay

The initial rotation shall start with the qualified employee in each classification who has the greatest seniority with the Village. A qualified employee who declines proffered overtime work under this section shall not again be entitled to overtime work until his next turn in the rotation. If arrangements for such cannot reasonably be made, the hearing shall be scheduled immediately preceding or immediately following the employee's shift on the employee's workday. An employee whose hearing begins after the end of his/her shift shall be paid from the end of his shift through the end of his/her hearing at the appropriate rate. An employee whose hearing begins before the start of his/her shift shall be paid from the time the hearing is scheduled through the start of the employee's shift at the appropriate rate.

Once a tentative decision to impose or recommend a suspension, without pay, or a discharge is reached by the Village Manager prior to implementing the intended disciplinary action, or his designee shall notify the Department Union Representative and meet with the employee involved, and the employee's Department Union Representative if requested by the employee and inform the employee of the reasons for such contemplated disciplinary action. The employee, and the Department Union Representative if present, shall be given the opportunity to rebut or clarify the reasons for such discipline.

In the event disciplinary action of five (5) days or less is taken against an employee, the Department shall promptly furnish the employee a statement in writing of the reasons therefore. The measure of discipline and the statement of reasons may be modified but not increased by the village as a result of any grievance meetings. The previous sentence shall not preclude the Village Manager from initiating additional disciplinary measures if new facts become known.

Reasonable extensions of time shall be given for rebuttal purposes if so requested by either party.

In cases of oral reprimands, the supervisor must inform the employee that he/she is receiving an oral reprimand and of their right to Union representation, which shall be provided if so requested. The employee shall also be given reasons for such discipline, including any names of witnesses and copies of pertinent documents.

Effective, January 1, 2012 IUOE, Local 399 will be the exclusive administrator of the medical, dental, and vision programs provided to its members under the terms and conditions of IUOE' s Health and Welfare Trust. Bargaining unit employees recognize that they will not be entitled to continuation coverage through the Village of Orland Park's employee benefit program upon retirement, disability or termination of employment.

At no time during the term of this agreement will an IUOE bargaining unit employee be eligible to enroll in the

medical, dental, and vision programs offered thru the Village of Orland Park's employee benefit program.

Section 20.1.B. Indemnification The Union agrees that it shall defend, indemnify and hold the Village harmless from any and all claims that may arise from the terms and conditions contained in this Section. This indemnification shall survive the termination of- this agreement and shall include without limitation any and all claims relating to continuation of coverage upon retirement, disability or termination of employment.

Section 20.1.C. Premium Payment IUOE Local 399 Health and Welfare Trust Fund will invoice the Village of Orland Park on a monthly basis for covered members based on the following rate schedule. Rates are effective from May 1 – April 30 of each year.

The Village of Orland Park shall contribute, effective May 1, 2024, the sum of one thousand three hundred sixty nine dollars(\$1,369.00.) per month to the Health and Welfare Trust Fund, International Union of Operating Engineers Local 399, for each employee covered under the collective bargaining agreement. Covered employees are those full- time employees regularly working (40) hours a week or more.

The employer shall start paying contribution on the first day of the month following the date of hire. The employer shall pay a full month contribution for the month in which the employee terminates.

The employer further agrees to be bound by the rules and regulations promulgated by the Trustees of the Health and Welfare Fund. The obligation to make the above payments shall continue during periods when a new collective bargaining agreement is being negotiated; however, payments will not exceed the cap in effect on April 30, 2028 until a new collective bargaining agreement has been reached.

Effective May 1, 2024 and on May 1st of each year thereafter during the term of this Agreement, the Village of Orland Park agrees to pay the rate as established by the Trustees of the Trust Fund, not to exceed the amount set forth below.

Caps

Effective May 1, 2028 the annual contribution by the Village will be capped at \$19,219.44.

If the amount established by the Trustees is greater than the amount specified in the annual cap, the Village shall pay the rate established by the Trustees and subtract the difference from the annual Healthcare Equalizer, as established on January 1st of the following calendar year. For example, if the annualized amount established by the Trustees on May 1, 2024 exceeds \$16,428.00, the amount exceeding the \$16,428.00 is subtracted from the Equalizer due in January 2020. In no event will the Village contribution exceed the cap and the healthcare equalizer.

If the amount established by the Trustees is less than the amount specified in the annual cap, the Village and IUOE shall share in the savings. The Village shall make a lump sum taxable payment to each current active IUOE member on the first pay period in December of each year. This payment will represent a 50% savings split. For

example, if the annualized amount established by the Trustees on May 1, 2015 is \$11,232.00 and actual premium expense is \$10,920.00, the difference (\$312.00) shall be divided by two and that amount (\$156.00) will be paid to the active IUOE member on the first payroll in December.

Section 20.1.D. Healthcare Equalizer The Village shall, during the first pay period in January make the taxable healthcare equalizer payment to each IUOE bargaining unit employee actively employed at the time of the payment.

In the event of such agreement, the Village shall have no obligation to pay for or to provide medical, dental, or vision insurance to employees who decide to not come back onto the Village plans. If such return occurs, the parties agree that bargaining unit employees will be eligible to enroll in the medical, dental, and vision plans available subject to the same terms and conditions of the non-union employee plans, as may be modified from time to time by the Village.

Should during the term of this agreement, the IUOE Health and Welfare Trust cease to exist and post COBRA

continuation, bargaining unit employees shall be eligible to enroll in the Village medical, dental, and vision plans in place at that time and subject to the same conditions and terms of the non-union employee plans, as may be modified from time to time by the Village.

20.1.F. Other Benefits Employees shall be eligible to participate in the other employee benefit programs offered to full-time non-union employees of the Village of Orland Park for example; flexible spending account and employee wellness programs, to the extent these programs continue to be offered to full-time Village of Orland Park employees and subject to the same conditions and terms of the non-union employee plans, as may be modified from time to time by the Village.

Part-time employees regularly employed for fewer than forty hours per week are not eligible for such insurance.

Section 20.3. Terms of Insurance Policies to Govern The extent of coverage under any insurance policies and/or benefit plan descriptions referred to in this Agreement shall be governed by the terms and conditions set forth in said policies and/or plan descriptions. Any questions or disputes concerning said insurance policies and/or plan descriptions or benefits in shall be resolved in accordance with the terms and conditions set forth in said policies and/or plan descriptions and shall not be subject to the grievance and arbitration procedure set forth in this Agreement. The failure of any insurance carrier(s) to provide any benefit for which it has contracted or is obligated shall result in no liability to the Village, nor shall such failure be considered a breach by the Village

of any obligation undertaken under this or any other Agreement. However, nothing in this Agreement shall be construed to relieve any insurance carrier(s) from any liability it may have to the Village, employee or beneficiary of any Village employee, by reason of said insurance policy.

Section 20.4. Right to Change Insurance Carriers The Village retains the right to select and change insurance carriers for employee insurance or otherwise provide for coverage.

ARTICLE XXI SAVINGS CLAUSE

The Employer's obligation to provide short-term disability pay shall only exist to the extent expressly described herein.

If an employee is eligible for an unpaid leave of absence under Section 10.6, then, subject to the conditions set forth herein, the Employer shall pay such employee an amount which, when added to other disability benefits which an employee is eligible to receive from other sources (e.g., the Illinois Municipal Retirement Fund, workers' compensation or Social Security) will bring the total amount of short-term disability pay up to the level of seventy-five percent (75%) of the employee's base salary. During this same period, the Employer shall continue to pay the cost of any additional insurance coverage provided under Article XX. Payment of short-term disability benefits by the Village shall commence immediately in the case of an accident and after seven (7) calendar days in case of illness. During employment by the Village the Village agrees that bargaining unit employees who otherwise qualify for paid short-term disability benefits under Section 10.6 of the current collective bargaining agreement shall be entitled to receive such short-term disability benefits for a period of up to 26 weeks per disability.

If any employee receives benefits from gainful employment from any source while receiving short-term disability pay, said employee shall cease to be entitled to receive any further benefits. The Employer reserves the right to contract with any insurance carrier to provide part or all of the short-term disability benefits described herein. If the Employer elects to secure insurance to provide any or all of the benefits described herein, then the cost of any such insurance shall be borne exclusively by the Employer.

In accordance with Section 10.10 of the Agreement, bargaining unit employees regularly scheduled to work less than forty (40) hours per week shall not be eligible to receive the short-term disability pay or benefits from the Employer.

APPENDIX A: DEFINITIONS

APPENDIX B: CONDITION OF EMPLOYEE REPORT

I. OVERVIEW

A. Statement of Purpose

The Village of Orland Park (the “Village”) is dedicated to providing safe, dependable, and efficient services to the general public while ensuring safe working conditions for its employees. The Village’s employees are its most valuable resource. As such, it is our goal to provide a work environment free from the presence of alcohol and drugs.

The purpose of this policy is to:

1. Ensure that employees are not impaired in their ability to perform assigned duties in a safe, productive, and healthy manner;
2. Create a workplace environment free from the adverse effects of drug abuse and alcohol misuse;
3. Prohibit the unlawful manufacture, distribution, dispensing, possession or use of controlled substances; and
4. Encourage employees to seek professional assistance at any time for personal problems, including alcohol or drug dependency, which may adversely affect their ability to perform their assigned duties.

In documents titled “Village of Orland Park Drug and Alcohol Policy and Testing Program for Safety Sensitive Employees covered under the Federal Transit Administration” (“FTA Policy”), and “Village of Orland Park Drug and Alcohol Policy and Testing Program for Safety Sensitive Employees covered under the Federal Motor Carrier Safety Administration” (“FMCSA Policy”), the Village set forth drug and alcohol policy and testing programs developed to comply with the requirements of federal laws and regulations promulgated by the Federal Transit Administration (“FTA”), the Federal Motor Carrier Safety Administration (“FMCSA”), and the Department of Transportation (“DOT”). As required by the FTA, the FMCSA, and the DOT, the FTA and FMCSA Policies are limited in their application to only those employees of the Village engaged in the performance of safety-sensitive functions as defined under the applicable federal administration. This document sets forth the drug and alcohol policy and testing program mandated by the Village, but not required by the FTA, the FMCSA, or the DOT for employees of the Village.

In adopting this policy and program, the Village does not otherwise waive its right to enforce already established rules, policies, programs, or the terms and provisions of any applicable collective bargaining agreement governing drug and alcohol use or possession that are consistent with this policy. Moreover, this

document is intended to be read consistent with and subject to any applicable law, regulation, or applicable collective bargaining agreement presently in effect or which in the future may take effect. If any section or provision of this document should be held invalid by operation of law, none of the remainder shall be affected.

Neither this policy nor any of its terms are intended to create a contract of employment, or to alter any existing at-will employment relationship in any way. Subject to any applicable collective bargaining agreement, the Village retains the sole right to change, amend, or modify any term or provision of this policy without notice. This policy is effective January 1, 2020 and supersedes all prior policies and statements relating to drug and alcohol prohibitions and testing.

B. Employee and Management Responsibilities

All employees of the Village covered by this policy are required to refrain from using drugs and alcohol contrary to the specific prohibitions identified herein. The Village's Human Resource Director (or a designated representative) will monitor the Village's drug and alcohol testing policy and program to ensure compliance with and answer any questions concerning the information presented in this policy. The Human Resource Director may be contacted at 708-403-6166.

Employees are responsible for ensuring adherence to this policy. Employees also are obligated to notify a supervisor immediately if they believe that another employee: is under the influence of alcohol; is under the influence of a lawful, unlawful or unlawfully used controlled substance; or has violated any other provision of this Policy. Managers and supervisors will be held accountable for both the application of the policy and the consistency of its enforcement. To that end, the Village prohibits the discriminatory application, implementation, or enforcement of any provision of this policy on the basis of race, color, age, sex, religion, national origin and ancestry, sexual orientation, veteran status, disability, or any other basis that is protected by federal, state, or local laws.

II. PERSONS SUBJECT TO TESTING

The following persons will be subject to drug and alcohol testing pursuant to the terms of this policy and must participate in this program as a condition of employment:

- All non-DOT regulated full time, part time, seasonal, and temporary employees of the Village.
- Applicants for non-DOT regulated positions of employment with the Village.

III. POLICY COMMUNICATION AND TRAINING

A. Employees

All employees subject to testing under this policy will be provided with:

1. A copy of the policy; and
2. Informational material concerning:
 - The effects of alcohol and controlled substances use on an individual's health, work, and personal life; and
 - Signs and symptoms of an alcohol or a controlled substances problem.

B. Supervisory Employees

All supervisory employees shall receive training on alcohol misuse and controlled substances use. The training will be used by supervisory personnel to determine whether reasonable suspicion exists to require an employee to undergo drug and/or alcohol testing. The training shall include: the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of controlled substances; and available methods of intervening when an alcohol or a controlled substances problem is suspected.

IV. EMPLOYEE ASSISTANCE

A. Employee Assistance Program

In order to promote a drug and alcohol-free environment, the Village will work to assist eligible employees with problems due to the use of drugs or misuse of alcohol. Accordingly, the Village encourages the use of its Employee Assistance Program ("EAP"). The EAP is offered in part so that an employee who recognizes that he/she has a drug use or alcohol misuse problem may have the opportunity to receive treatment and rehabilitation. Although employees are encouraged to receive help for drug and alcohol problems, participation in the Village's EAP will not excuse an employee's failure to comply with rules and regulations of the Village. Nor will it preclude discipline for rule or policy violations. Additional information regarding the EAP is available in the Human Resources Department. Any questions regarding the Village's EAP should be referred to the Human Resources department.

B. Employee Admission of Alcohol/Drug Use

The Village has established a voluntary self-identification program that allows employees to admit to alcohol misuse or controlled substances use without being subject to disciplinary action.

All employees are eligible to participate in this program. Self-identification must be made to the employee's supervisor, Department Director, or the Village's Human Resources Director. Once an employee has made a voluntary admission of alcohol or drug misuse or illegal drug use, the employee will be offered assistance in finding an appropriate evaluation and/or treatment program. The employee then will be provided sufficient opportunity to seek evaluation, education, or treatment to establish control over the employee's drug or alcohol problems.

In accordance with this program, an employee:

- May not self-identify in order to avoid testing under this policy.
- Will be removed from service until:
 - The Village is satisfied that the employee has been evaluated by a substance abuse counselor;
 - The substance abuse counselor has provided a written release stating that the employee has successfully completed or is in the process of completing recommended education and/or treatment requirements and authorizing the Village to return the employee to work; and
 - The employee has undergone a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02; and/or the employee has undergone a return-to-duty drug test with a verified negative test result.

The Village will take no adverse action against an employee making a voluntary admission of alcohol misuse or drug use within the parameters of the program. Any questions regarding the voluntary self-identification program should be referred to the Human Resource Director (or a designated representative).

V. PROHIBITED CONDUCT

A. Alcohol

1. Alcohol Concentration

All persons covered by this policy are prohibited from reporting to duty or remaining on duty while having an alcohol concentration of 0.04 or greater. No Village supervisory person having actual knowledge that a covered employee has consumed alcohol during the work day or within four hours of beginning the work day, shall permit the employee to work or continue to work.

2. Alcohol Concentration of 0.02 or Greater but Less Than 0.04

No employee who is found to have an alcohol concentration of 0.02 or greater but less than 0.04 shall perform or continue to perform any job related duties. Nor shall a Village supervisory person permit the employee to perform or continue to perform any job related duties until: the start of the employee's next scheduled work day; and the employee's alcohol concentration measures less than 0.02 as determined by a return-to-duty alcohol test administered the next scheduled work day.

3. On Duty Prohibitions

The use, distribution, dispensing, or possession of alcohol by any Village employee at any time while on Village property or on duty is prohibited. No employee shall knowingly permit an employee to work who is under the influence of alcohol.

4. Pre-Duty Use

All persons covered by this policy are advised against the use of alcohol within four (4) hours prior to reporting for work.

5. Use Following an Accident

Any person required to take a post-accident alcohol test under this policy is prohibited from using alcohol until he/she undergoes a post-accident test. Such a test shall be conducted no later than eight (8) hours after the accident occurs.

B. Drugs

The unlawful use, manufacture, distribution, dispensing, or possession of any illegal drugs or associated paraphernalia by any Village employee at any time is prohibited. The use, manufacture, distribution, dispensing, or possession of a controlled substance, including cannabis or marijuana, by any Village employee at any time while on Village property or on duty is prohibited. The use of cannabis while "on-call" or in any manner that would cause impairment while on duty, and use or possession in the workplace any time during the work day, including meal and break

periods, is prohibited. No employee shall knowingly permit an employee to work who is under the influence of a lawful, unlawful or unlawfully used controlled substance.

Marijuana and cannabis are controlled substances and illegal “drugs” as defined by federal law. As a recipient of federal funds, the Village is required to enforce a drug-free workplace policy consistent with federal law. Further, some employees are subject to the federal Gun Control Act which prohibits drug users from possessing firearms or ammunition, with drugs to be as defined by federal law. Therefore, employees covered by this policy shall continue to be prohibited from possessing or using marijuana or cannabis in any form, on or off duty, if such possession or use would violate any federal law or regulation and be cause for the Village to lose a federal or state contract or funding even though Illinois law may permit certain individuals to possess and use marijuana and cannabis.

Village-mandated drug testing will be performed to detect for the presence of the following five (5) substances: marijuana; cocaine; opiates; phencyclidine; and amphetamines. Cut-off levels to be used to determine whether specimens are negative for these five (5) drugs are provided in 49 CFR Part 40.87.

Pre-employment testing for positions that are not subject to the federal requirements will be performed to detect for the presence of the following four (4) substances; cocaine; opiates; phencyclidine; and amphetamines. Cut-off levels to be used to determine whether specimens are negative for these four (4) drugs are provided in 49 CFR Part 40.87.

Prescribed Medication: An employee taking over-the counter or prescribed medication must be aware of any effect the medication may have on the performance of their duties. The employee must inform his/her physician of his/her job duties in order to make certain that the drug does not affect or interfere with the employee’s safe and effective performance of his/her job duties. An employee must promptly report to Human Resources the use of any medication which has or may have any adverse effect on his or her ability to safely and effectively perform his or her essential job duties.

C. Conduct that Constitutes a Refusal to Test

The following conduct will be regarded by the Village as a refusal to submit to a drug and/or alcohol test:

- Failure to appear for any test (except a pre-employment test) within a reasonable time as determined by the Village, after being directed to do so by the Village.

- Failure to remain at the testing site until the testing process is complete; provided that an employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test.
- Failure to provide a specimen; provided that an employee who does not provide a specimen because he/she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test.
- Failure to provide a sufficient amount of urine, breath, or saliva and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure.
- Failure to permit a directly observed or monitored collection when required.
- Failure or declining to take a second test the Village or collector has directed the employee to take.
- Failure to undergo a medical examination or evaluation as required. In the case of a pre-employment drug test, the employee is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment.
- Failure to sign the certification at Step 2 of the Alcohol Testing Form.
- Failure to cooperate with any part of the testing process.
- An adulterated or substituted test result verified by a Medical Review Officer (“MRO”).

VI. TESTING CIRCUMSTANCES

Subject to any applicable collective bargaining agreement, employees are required to submit to drug and/or alcohol testing under the following circumstances.

A. Pre-Employment Testing

No applicant for employment will be hired into a position of employment at the Village unless the applicant submits to and passes a pre-employment drug test subsequent to an offer of employment. Additionally, any employee who has not performed work for the Village for six (6) or more consecutive calendar months shall be required to take a pre-employment drug test with a verified negative result. If a pre-employment drug test is cancelled, the applicant shall be required to submit to and pass another test.

B. Reasonable Suspicion Testing

The Village has the sole discretion to decide when and under what circumstances an employee is fit to work. Testing on the basis of reasonable suspicion may include, but is not limited to: 1) observation of an employee acting or appearing in a manner which suggests drug or alcohol use, such as, behavior appearance, judgment, coordination, job performance and/or other conduct including, but not limited to, slurred speech, glassy eyes, unsteady walk, disorientation, significant or repeated lapses of concentration, emotional outbursts, substantial mood changes, the smell of alcohol on an employee's breath, etc.; 2) instances where the Village observes or receives credible information that the employee is using or has symptoms of drugs and/or alcohol use; and/or 3) other facts which support a reasonable belief that the employee is using or has symptoms of drugs and /or alcohol use in violation of this policy.

All employees covered by this policy shall submit to drug and alcohol tests when the Village has reasonable suspicion. Such requests will be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the covered employee. Any manager or supervisor who observes such characteristics or behavior must immediately notify Human Resources, make the required observations and complete a Condition of Employee Report.

Once the determination that reasonable suspicion exists, under no circumstances will an employee be allowed back to work until he or she has a negative drug and/or alcohol test.

The Village shall require the employee to be escorted by a supervisory employee directly to and from the collection site for drug and/or alcohol testing. Subsequent to the testing, the employee will need to make arrangements to be taken home.

Reasonable suspicion alcohol tests will be performed within two (2) hours but no later than eight (8) hours following the observation. If an alcohol test is not administered within two (2) hours following the observation, the Village will prepare and maintain a record stating the reason(s) the test was not so administered. If an alcohol test still is not administered within eight (8) hours following the observation, all attempts to administer the test will cease and the written record stating the reason(s) the test was not administered will be updated.

In all cases where an employee is required to submit to a “reasonable suspicion” drug and alcohol test, the employee shall be removed from and not returned to service until the test results have been reported and confirmed as negative. Any employee for whom a determination of reasonable suspicion has been made shall be afforded a reasonable opportunity to contest that determination.

C. Return-to-Duty Testing

Any employee permitted to return to work following a violation of this policy or in connection with a voluntary admission of alcohol misuse or drug use will be required to be evaluated by a substance abuse counselor, submit to any recommended treatment and/or education program, obtain a release to return to work from the substance abuse counselor, and complete a return-to-duty test with a negative test result. If a drug and/or alcohol test is cancelled, the employee will be subject to and required to pass another drug and/or alcohol test.

D. Follow-Up Testing

An employee who has returned to work following a violation of this policy or in connection with a voluntary admission of alcohol misuse or drug use may be subject to follow-up drug and alcohol testing at times and frequencies determined by the substance abuse counselor.

VII. TESTING AND REPORTING PROCEDURES

The Village’s testing program and reporting procedures will conform to the standards established by the DOT in 49 CFR Part 40 as amended, *Procedures for Transportation Workplace Drug and Alcohol Testing Programs*.

VIII. CONSEQUENCES FOR VIOLATING ALCOHOL AND DRUG PROHIBITIONS

A. Applicants for Employment

An applicant for employment covered under this policy who has a verified positive drug test result or refuses to submit to a test will be disqualified from consideration for employment with the Village.

B. Employees

Whenever the results of any test administered under this policy are positive, the employee shall be removed from service immediately for further disposition consistent with the provisions of this policy.

Any covered employee who violates any provision of this policy will be subject to discipline up to and including discharge (subject to the terms of any applicable collective bargaining agreement.) Any employee who is determined to be in violation of this policy or to be impaired by alcohol, cannabis or any other substance, while at work or on duty, will be afforded a reasonable opportunity to contest the finding that he or she was impaired or under the influence or otherwise in violation of this policy.

Employees offered the opportunity to return to work following a violation of the drug and/or alcohol testing policy will be required to be evaluated by a substance abuse counselor. Continued employment and/or reinstatement will be conditional based on: cooperation with the counselor; successful participation in any prescribed counseling, treatment or aftercare, which may include follow-up drug and/or alcohol tests and other appropriate conditions; the Village's receipt of a release to return to work from the substance abuse counselor; and completion of a return to duty test with a negative test result.

IX. CONFIDENTIALITY AND RECORDKEEPING

Confidentiality will be maintained throughout the drug and alcohol testing process. The Village will maintain records in a manner so that the disclosure of information to unauthorized persons does not occur. Additionally, the Village, the specimen collection site, testing laboratory, and MRO will be held to strict confidentiality requirements.

A covered employee is entitled, upon written request, to obtain copies of any records pertaining to the employee's use of prohibited drugs or alcohol, including any records pertaining to his/her drug or alcohol tests. The Village shall promptly provide the records requested by the employee. Access to an employee's records shall not be contingent upon payment for records.
