

## **DRAFT COMMENTS**

- **Highlighted text** are new and to be added.
- **Red Italics** text below are comments to be **removed** in the final draft ordinance

## **Title 6 Chapter 1 Health**

### **CHAPTER 1**

### **HEALTH**

### **SECTION**

#### **6-1-1: Administrative General Provisions**

##### **6-1-1-1: Purpose:**

It is the purpose of this code to enhance public protection by targeting for education and enforcement those issues which are most commonly associated with the occurrence of foodborne illness.

##### **6-1-1-2: Powers**

The Health Inspector shall be given specific power to make inspections and for that purpose may enter buildings, structures and premises to enforce the environmental health laws of the Village and to that end shall make such orders, requirements, decisions and determinations as are necessary to the enforcement of the environmental health laws.

##### **6-1-1-3: Rules and Regulations:**

The current and subsequent editions of the Food Service Sanitation Code and Retail Food Store Sanitation Code, as amended from time to time and promulgated by the Illinois Department of Public Health are hereby adopted by reference. Three (3) copies of the Illinois Department of Public Health Food Service Sanitation Code (77 Ill. Adm. Code 750) and Retail Food Store Sanitation Code (77 Ill. Adm. Code 760) shall be on file for public use, and have been for more than thirty (30) days prior to the passage of this section.

##### **6-1-1-4: Ammendments to 77 Ill. Adm. Code 750:**

The below listed Sections and Sub-sections are amended in the following respects:

1) Section 750.600 of the Food Service Sanitation Code is amended to add at the end of the section: Food service equipment needs to be commercial grade and meet the standards regarding safe design, non-toxic materials, intended use, and workmanship established by one of the recognized accredited agencies for food service equipment unless otherwise approved by the Health Inspector upon inspection. These agencies include the National Sanitation Foundation International (NSF), Environmental Testing Laboratory (ETL), Underwriters Laboratories (UL-SAN), or Canadian Standards Association International (CSA). The trademark seal of one of these agencies is an indicator that the equipment is approved. Existing non-conforming equipment shall be replaced with conforming equipment when found in disrepair **or when a business changes ownership**.

**The existing Title 6 Chapter 1, subsections are to remain, without modification.**

***This will prevent new owners from retaining non-compliant equipment from previous owners.***
