This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification. Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

Re: Be Enrolled Business Enterprise Program Certification

Dear Carmen Reynaga,

Congratulations, your business qualifies for enrollment in the new Be Enrolled Business Enterprise Program certification (BE BEP)! The Commission on Equity and Inclusion (CEI) was created to maximize supplier diversity, equity, and inclusion by ensuring access to contracting opportunities by developing procedures and initiatives that make procurement processes inclusive, fair, and equitable while providing support, education, and mentorship. CEI established the BE BEP certification to ensure the seamless activation of a reciprocal certification and reduce duplicative red tape.

BE BEP Partners

Chicago Transit Authority (CTA)
City of Chicago
Cook County
Illinois Department of Transportation
METRA
PACE

CEI enrolled your business in the BE BEP certification based on the diversity certification one of the partners listed above issued. Activating your BE BEP certification has several benefits. Businesses certified through BE BEP will be listed in the CEI's certified vendor directory, ensuring visibility amongst State procurement professionals and potential prime vendors. The BEP certification is recognized by various municipalities and organizations, aligning with their supplier diversity initiatives. Best of all, certification is free!

Host Agency: IDOT

Certification Type: Women Business Enterprise

Certification Date: 06/23/2025

Certification Expiration Date: 08/01/2025 **Certification Renewal Date**: 08/01/2025

CEI will activate your BE BEP certification based on your host agency's diversity certification. The duration and commodity codes for the newly activated BE BEP certification will match the existing certification held with the BE BEP partner. If applicable, the North American Industry Classification System (NAICS) codes provided by the host agency will be translated to National Institute of Government Purchasing (NIGP) commodity codes using CEI's crosswalk

Your firm's name will appear in the State's Directory as a certified vendor with the Business Enterprise Program in the specialty area(s) of:

962 - 86 - Transportation of Goods, Shipping and Handling, and Other Freight Services

Your firm will only appear in the database of BEP-certified vendors in the NIGP codes listed above, so please review the list carefully to ensure that all relevant NIGP codes are included.

Vendors must maintain their certification and comply with the rules of their host agency to maintain an active BE BEP certification. If the host agency's certification expires or the host agency suspends a vendor's bidding privileges, the BE BEP certification will also expire or be suspended. CEI's BEP certification unit will email vendors to update their BE BEP certification 90 days before their host agency and BE BEP certifications expire.

BE BEP-certified vendors are encouraged to notify BEP within two weeks if any of the following changes occur:

- Ownership changes
- Changes in control.
- Changes in the host agency's certification status.

Four chief procurement officers (CPOs) exercise the State of Illinois' procurement authority. Each CPO has a separate bulletin that publishes the State's solicitations and bidding opportunities for each portfolio. CEI strongly recommends that all State-certified vendors register with each procurement bulletin to ensure notification of all relevant prime and subcontractor bidding opportunities.

CPO Procurement Websites

- The Chief Procurement Officer of General Services (CPO-GS) oversees the purchases of goods and services for roughly 65 State agencies, boards, and commissions. Learn more about CPO-GS at https://cpo-general.illinois.gov/.
- The Chief Procurement Officer of Higher Education (CPO-HE) oversees purchasing by State universities. Learn more about CPO-HE at https://cpo-highered.illinois.gov/
- The Chief Procurement Officer of the Capital Development Board (CPO-CDB) oversees vertical construction and construction-related services purchases. Learn more about CPO-CDB at https://cpo-cdb.illinois.gov/.
- The Chief Procurement Officer of the Illinois Department of Transportation (CPO-IDOT) oversees horizontal construction and construction-related services purchases. Learn more about CPO-IDOT at https://cpo-dot.illinois.gov/.

CEI welcomes your participation in BEP and wishes you continued success. If you have any questions or comments, please email CEI.BEP.Certification@Illinois.gov or call (312) 814-4190.

Sincerely,

Carlos Gutierrez

The District reserves the right to commence actions to revoke your firm's certification if this notification is not made.
