RE: Crane Rental Estimate – Orland SportsPlex motor replacement on HVAC units

Stevenson Crane Service is pleased to supply you with rental costs for the equipment for the above project.

Crane Options

1. 40-ton hydro crane with operator
Equipped with 94' main boom, 49' fixed jib

Cost of Crane

Crane rental:

\$180 per hour straight time
\$260 per hour overtime

4 hour minimum rental per day
8 hour minimum on SAT, SUN

Note: There is a 4 hour minimum rental of this machine per workday. The local 150 operating engineer workday consists of leaving the yard at 7am and returning by 3:30pm, Monday through Friday portal to portal. Work performed before or after these hours will be considered overtime. Stevenson is not responsible for site conditions. Machines are subject to availability.

Note: This crane will have to attach and detach the swing-away fixed jib that is stowed on the main boom. It will take approximately one hour to attach jib and one hour to detach jib. Please figure your needs accordingly.

If you have any questions or requests, please contact me at 630-750-5520.

Respectfully,

Nick Matutis
