RE: Technical Proposal

Airy's, Inc. is a family-run Service Disabled Veteran-Owned Business located in Joliet, IL. Airy's was established in 1965 by its namesake and WWII Army Air Corps Veteran, Arie B. Hill as a residential plumbing contractor. Ryan Hill, Arie's grandson and Air Force Veteran pilot, is its current majority owner and operator. Airy's takes pride in completing work in a timely, cost-effective way while incorporating the Air Force core values of "integrity first, service before self, and excellence in all we do" into each and every project. With a focus on safety and experience spanning over 57 years, Airy's, Inc. is a full-service contractor with expertise in all aspects of underground construction. Airy's started as a mom and pop plumbing company and has now evolved into water and sewer main installation and repair, lift station construction, pump stations, directional drilling, sewer jetting, hydro-excavation, and much, much more. Airy's is the "go-to" when a sewer or water issue arises and a municipal public works department or private water company needs reinforcements. We take pride in supporting local communities with 24/7 on call support for their toughest problems to guarantee safe drinking water and wastewater disposal for all.
