SUBJECT: WEBSITE TRANSPARANCY POLICY – CITIZENS INFORMATION
CENTER

I. Introduction

The Illinois Policy Institute has developed a 10-point transparency checklist to hold government and elected officials accountable to the citizens and taxpayers and provide a “best practice” framework to improve government transparency all across Illinois.

The Village of Orland Park is the first municipality in the State of Illinois to reach the 100% threshold set by the Illinois Policy Institute. Many other municipalities have tried to achieve this goal without success.

II. Effective Date

Resolution Number _____ was passed on _____ entitled:
