Dear Mary Klinger,

I would like to take this opportunity to thank you for your continued support of SunGard Public Sector. We know that you have many choices, and we appreciate the close business relationship that we have established with you. If at any time you need assistance, please don't hesitate to contact me or your Account Manager.

The economic challenges this year have affected all of us. We are no different; however we must still deliver superior customer service and products. We consider you a valued partner, and are doing all we can to continue our relationship for many years to come.

We know too that you are impacted by this economic downturn and would like to **extend a thank you for your continued support of SunGard Public Sector by not increasing your annual maintenance in the year of 2010.** We sincerely hope this helps your organization get through your current challenges, and we will see a brighter future together.

Should you have any questions or concerns, please do not hesitate to contact your Account Manager or me at 800-727-8088.

Sincerely,

Ron Goodrow
Executive Vice President
