Grant Application

All information and exhibits submitted with this application are true and correct to the best of my knowledge.

I understand that the Village has the right and discretion to approve or deny any project or portions thereof. If this grant is awarded to me, I agree to comply with the guidelines and procedures of the Commercial Façade Improvement Program.

The owner invites Village representatives to make all reasonable inspections, investigations and take pictures of the subject property during the processing period of this request. The owner and applicant agree to hold harmless the Village of Orland Park and its representatives of any damage to the building or personal injury that occur as a result of work funded by this grant.

Required Submittal Documents

- One (1) original completed Appearance Improvement Grant application.
- Proof of property ownership.
 - If the property is owned, submit a copy of the latest recorded deed.
 - If the property is rented or leased, submit a letter of authorization from the owner.
 - If the property is owned by a trust, submit a certified copy of the trust agreement, a list of beneficiaries, and a letter of authorization from the trust officer.
 - If the applicant is a contract purchaser, submit a copy of the contract and a letter of authorization from the owner (seller).
- Received copy of the most recent tax bill for the property or evidence of at least a two-year lease.
- Copy of the title insurance policy.
- Picture/historic picture (or copy) of the façade(s) to be improved.
- Current photo(s) of the façade and particular area(s) to be enhanced. *In digital format.*
- * Brief description of the project (including description of existing conditions, type and location of improvements, and if a historical property, general methodologies for preservation/rehabilitation etc.)
- * Drawings of the proposed work to scale (4 copies). Drawings may not be necessary for projects such as tuck pointing or painting. Additional copies may be required prior to Village Board meetings.
- * Contractor estimates from two (2) different sources. Estimates must include only the work proposed for the façade. The estimate must include a brief description and methodology of the work to be done. Submitting a list of items is not acceptable.
- * Color/material samples, if requested by staff at the pre-application meeting.

November 1st, 2018

Macy's Inc.
Michael Nesmith
111 N State St
Chicago, IL 60602
678-343-0870

To Whom It May Concern:

I am writing this Letter of Authorization on behalf of Macy's Inc. as the property owner of 1 Orland Square Drive, Orland Park, IL 60462. We give full authority to Simon Property Group to perform work on our parcel related to parking lot pole conversions to LED and allow them to apply for any rebates or grants associated with this work.

Sincerely,

Michael Nesmith
District Facility Manager Chicago

To: Orland Park Development Services
From: Orland Square Property Management

We are proposing to convert two (2) 120' high mast light poles in the Macy's owned section of the Orland Square parking lot to LED. The LED specs proposed are included. The current lighting is out-dated florescent and requires a significant amount of replacement and repair while offering low quality lighting. The lighting near Macy's suffers in comparison to the remainder of the parking lot. Each pole is designed to cover a significant area due to its height. By upgrading these poles to LED, the lighting will improve in highly used sections of the parking lot and be consistent with the remainder of the exterior lighting. This section of the lot caters to motorists visiting stores such as Williams Sonoma, Pottery Barn, American Eagle, Banana Republic and more. This project is for the purchase of all of the materials including light heads, brackets and nodes. This is a two vendor project, one for materials and one for labor. The total project cost including the materails and labor is \$42,257.63.

RE: Macy's LED Upgrade-Required Supplier for Lighting
Orland Square

Dear Stephanie:

Facility Solutions Group is a required supplier. They have gone through a Simon corporate bid process and all Simon properties nationwide are required to use Facility Solutions Group.

Please let me know if you have any other questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Nadia Seniuta". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
