Cleaver Brooks Sales and Service is pleased to offer the following proposal for your consideration. We appreciate the opportunity to offer our specialized parts and service, please feel free to contact me with any questions or concerns.

Scope of Work:

Cleaver Brooks factory-trained will provide all labor and materials for the following:

Tube repair on model 3 boiler

- *Remove tube by cutting both ends.*
- *We will pad weld or if necessary, install Dutchman in area of leak.*
- *Weld tube back into place.*
- *Replace refractory*
- *Replace panel insulation*
- *Close fireside and replace panels*
- *Fill and test boiler at operating pressure.*

Due to the unknown condition of the tube to be removed this work will e performed on a no-guarantee basis

Total: \$ 7,398.00

Note: All work to be performed during regular business hours. Any delay and/or deviation from the scope of work as outlined above and/or discovery work will be executed only upon your approval and will become an additional charge.

Purchaser: Please sign and date this proposal and return with a copy of your purchase order. Please include your tax status and attach all applicable tax documents. To start the processes just fax this "signed & completed" proposal to us and we will acknowledge your acceptance. Proposal Price Does Not Include Tax or Freight. Please see attached sheets for Special Project Notes and terms & conditions.
