Notes:

- The property owner is responsible for any and all permits. Marchio Fence Co. must call to locate underground public utilities as required by Illinois law. The property owner's proprietary underground utilities such as but not limited to conduits, cables, sewers, septic tanks/fields, sprinklers, gas, and pool lines, etc, must be located by the property owner prior to digging and are not the responsibility of Marchio Fence Co.
- The fence line is to be staked out, cleaned of debris and fully accessible to crew and equipment.
- The standard method of digging applies, all gravel, loose rock, solid rock and or other obstructed digging is subject to extra labor and equipment charges unless otherwise stated.
- An extra charge will be added for concrete footings and or dirt spoils moved and or hauled away, trimming and or removal of bushes and trees etcetera unless otherwise stated.
- Delays occurring while on the jobsite such as but not limited to jobsite condition changes, change order for scope of work and or other time lost as initiated by the customer or others will be at an \$85.00 per man hour (residential) / \$115.00 per man hour (commercial) additional cost.
- Marchio Fence Co. reserves the right to repossess all material on the job without recourse if payment is not made as specified and within (30) days of completion. Terms are "net / 30" - 2% finance charge on Invoices over 30 days.
- 30% of the total contract price will be charged if the contract is cancelled.
- All material is Guaranteed to be as specified. All work will be completed in a workmanlike manner by Marchio Fence Co.
- All Marchio Fence employees are fully covered by a comprehensive workmen's compensation insurance policy.

ACCEPTANCE - The above proposal when accepted by the Company, at it's main office, becomes a contract between two parties and is not subject to cancellation. Silence on the part of the Company shall not be construed as an acceptance of this proposal.
