Total	\$144,034.00

This proposal does not include any infrastructure which tethered UAV systems may require. Therefore, the following are excluded:
 1) Energy source for each drone system (110VAC Quad-L or 220VAC Quad-8)
 2) Only Mounts and cables for Radio and Custom Sensor Payloads provided

This proposal does not include any logistics fees. Therefore, the following are excluded:
 1) Shipping Payments
 2) Customs Fees
 3) Duty Payments
