GENERAL TERMS AND CONDITIONS

1. Relationship Between CONSULTANT and VILLAGE: The CONSULTANT shall serve as the VILLAGE's professional consultant on the WORK, or phases of the WORK, to which this Contract applies. This relationship is that of a buyer and seller of professional services and as such the CONSULTANT is an independent contractor in the performance of this Contract and it is understood that the parties have not entered into any joint venture or partnership with the other. The CONSULTANT shall not be considered to be the agent of the VILLAGE. Nothing contained in this Contract shall create a contractual relationship with a cause of action in favor of a third party against either the VILLAGE or CONSULTANT.

2. Changes: VILLAGE reserves the right by written change order or amendment to make changes in requirements, amount of work, or consulting time schedule adjustments, and CONSULTANT and VILLAGE shall negotiate appropriate adjustments acceptable to both parties to accommodate any such changes. The CONSULTANT is not responsible for, and VILLAGE agrees herewith to hold CONSULTANT harmless from any and all errors which may be contained within the CONTRACT DOCUMENTS, unless such errors are the result of the work of the CONSULTANT.

3. Suspension of Services: VILLAGE may, at any time, by written order to CONSULTANT (Suspension of Services Order) require CONSULTANT to stop all, or any part, of the services required by this Contract. Upon receipt of such an order, CONSULTANT shall immediately comply with its terms and take all reasonable steps to minimize the costs associated with the services affected by such order. The VILLAGE, however, shall pay all costs incurred by the suspension, including all costs necessary to maintain continuity and for the resumption of the services upon expiration of the Suspension of Services Order. CONSULTANT will not be obligated to provide the same personnel employed prior to suspension, when the services are resumed, in the event that the period of suspension is greater than thirty (30) days.

4. Reuse of Documents: All WORK documents including but not limited to reports, and opinions of probable costs furnished by CONSULTANT pursuant to this Contract are intended for use on the WORK only. They cannot be used by VILLAGE or others on extensions of the WORK or any other project. Any reuse, without specific written verification or adaptation by CONSULTANT, shall be at VILLAGE's sole risk, and VILLAGE shall indemnify and hold harmless CONSULTANT from all claims, damages, losses, and expenses including attorney's fees arising out of or resulting therefrom. Any such verification or adaptation will entitle CONSULTANT to further compensation at rates to be agreed upon by VILLAGE and CONSULTANT.

5. Successors and Assigns: The terms of this Contract shall be binding upon and inure to the benefit of the parties and their respective successors and authorized assigns.

6. Waiver of Contract Breach: The waiver of one party of any breach of this Contract or the failure of one party to enforce at any time, or for any period of time, any of the provisions hereof, shall be limited to the particular instance, shall not operate or be deemed to waive any future breaches of this Contract and shall not be construed to be a waiver of any provision, except for the particular instance.

7. Entire Understanding of Contract: This Contract represents and incorporates the entire understanding of the parties hereto, and each party acknowledges that there are no warranties, representations, covenants or understandings of any kind, matter or description whatsoever, made by either party to the other except as expressly set forth herein. The VILLAGE and the CONSULTANT hereby

agree that any purchase orders, invoices, confirmations, acknowledgments or other similar documents executed or delivered with respect to the subject matter hereof that conflict with the terms of the Contract shall be null, void and without effect to the extent they conflict with the terms of this Contract.

8. Amendment: This Contract shall not be subject to amendment unless another instrument is duly executed by duly authorized representatives of each of the parties and entitled "Amendment of Contract".

9. Severability of Invalid Provisions: If any provision of the Contract shall be held to contravene or to be invalid under the laws of any particular state, county or jurisdiction where used, such contravention shall not invalidate the entire Contract, but it shall be construed as if not containing the particular provisions held to be invalid in the particular state, country or jurisdiction and the rights or obligations of the parties hereto shall be construed and enforced accordingly.

10. Force Majeure: Whenever a period of time is provided for in this Agreement for either the Consultant or Village to do or perform any act or obligation, neither party shall be liable for any delays or inability to perform due to causes beyond the control of said party such as war, riot, insurrection, rebellion, strike, lockout, fire, flood, storm, earthquake, tornado, pandemic, act of public enemies, action of federal or state government or any act of God; provided, however, that said time period shall be extended for only the actual amount of time said party is so delayed. An act or omission shall not be deemed to be "beyond Consultant's control" if committed, omitted, or caused by Consultant, Consultant's employees, officers or agents or a subsidiary, affiliate or parent of Consultant or by any corporation or other business entity that holds a controlling interest in Consultant, whether held directly or indirectly (for example, but not by way of limitation, a strike by or lockout of Consultant's employees would not be an act "beyond Consultant's control"). Consultant shall notify the Village as soon as possible, but no later than two (2) business days, of any force majeure event. However, if the force majeure event continues to affect performance for more than three (3) business days, the Village may immediately terminate this Agreement. In the event of such termination, the Consultant shall be paid for services satisfactorily performed under this Agreement up to the effective date of termination and shall be entitled to reimbursement of any expenses already incurred and not recoverable by refunds.

11. Subcontracts: CONSULTANT may subcontract portions of the WORK, but each subcontractor must be approved by VILLAGE in writing in advance.

12. Designation of Authorized Representative: Each party to this Contract shall designate one or more persons to act with authority in its behalf with respect to appropriate aspects of the WORK. The persons designated shall review and respond promptly to all communications received from the other party.

13. VILLAGE's Responsibilities: The VILLAGE agrees to provide full information regarding requirements for and about the WORK, including a program which shall set forth the VILLAGE's objectives, schedule, constraints, criteria, special equipment, systems and site requirements.

The VILLAGE shall give prompt written notice to the CONSULTANT whenever the VILLAGE observes or otherwise becomes aware of any development that affects the scope or timing of the CONSULTANT's services, or any defect or non-conformance of the work of any subcontractor.

14. Information Provided by Others: The CONSULTANT shall indicate to the VILLAGE the information needed for rendering of its services for the WORK. The VILLAGE shall provide to the CONSULTANT such information as is available to the VILLAGE and the VILLAGE's consultants and contractors, and the

CONSULTANT shall be entitled to rely upon the accuracy and completeness thereof unless, in the exercise of his professional skill, CONSULTANT determined inaccuracies or incompleteness. The VILLAGE recognizes that it is impossible for the CONSULTANT to assure the accuracy, completeness and sufficiency of such information, either because it is impossible to verify, or because of errors or omissions which may have occurred in assembling the information the VILLAGE is providing.

15. Terms of Payment: CONSULTANT shall submit monthly statements for basic and additional services rendered and for reimbursable expenses incurred, based upon CONSULTANT's estimate of the proportion of the total services actually completed at the time of billing or based upon actual hours expended during the billing period. In the event the VILLAGE has not paid amounts properly due the CONSULTANT, CONSULTANT may after giving seven days written notice to VILLAGE, suspend services under this Contract until CONSULTANT has been paid in full all amounts properly due for services, expenses and charges. CONSULTANT shall have no liability whatsoever to VILLAGE for any costs or damages as a result of such suspension.

16. Attorney's Fees: In the event of any dispute that leads to litigation arising from or related to the services provided under this Contract, the substantially prevailing party will be entitled to recovery of all reasonable costs incurred, including court costs, attorney's fees and other related expenses.

17. Insurance: The CONSULTANT shall provide the VILLAGE with certificates of insurance evidencing all coverage held by the CONSULTANT, with coverage minimums and from insurance providers in compliance with VILLAGE requirements.

18. Electronic Transmissions: The parties agree that each may rely, without investigation, upon the genuineness and authenticity of any document, including any signature or purported signature, transmitted by e-mail or facsimile machine, without reviewing or requiring receipt of the original document. Each document or signature so transmitted shall be deemed an enforceable original. Upon request, the transmitting party agrees to provide the receiving party with the original document transmitted by e-mail or facsimile machine; however, the parties agree that the failure of either party to comply with such a request shall in no way affect the genuineness, authenticity or enforceability of the document. Each party waives and relinquishes as a defense to the formation or enforceability of any contract between the parties, or provision thereof the fact that an e-mail or facsimile transmission was used.

19. Certifications, Guarantees and Warranties: CONSULTANT shall not be required to sign any documents, no matter by who requested, that would result in the CONSULTANT having to certify, guarantee or warrant the existence of conditions the existence of which the CONSULTANT cannot ascertain. The VILLAGE also agrees not to make resolution of any dispute with CONSULTANT or payment of any amount due to the CONSULTANT in any way contingent upon the CONSULTANT signing any such certification as to unascertainable conditions.
