GRANT OF EASEMENT

THIS GRANT OF EASEMENT (this "Agreement") is made as of the 21st day of January, 2012, by ARMSTRONG PROPERTY GROUP, L.L.C., an Illinois limited liability company ("Grantor"), in favor of CHICAGO TITLE LAND TRUST COMPANY, NOT PERSONALLY BUT AS TRUSTEE OF TRUST NO. 1097233 ("Grantee").

RECITALS:

A. Grantor is the owner of property located at 9400 W. 159th Street, Orland Park, Illinois and more particularly described on Exhibit A attached hereto and made a part hereof (the "Grantor Property").

B. Grantee is the owner of property located immediately west of the Grantor Property and more particularly described on Exhibit B attached hereto and made a part hereof (the "Grantee Property").

C. Grantor desires to grant an access easement over a portion of the Grantor Property for purposes of allowing pedestrian and vehicular access to and from the Grantee Property, and to grant certain other rights in favor of Grantee, in each case on the terms described in this Agreement (collectively, the "Access Easement").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants the following rights to Grantee:

1. Grant of Easements.

(i) Grantor hereby grants to Grantee, as an easement appurtenant to the Grantee Property and for the use and benefit of Grantee, its successors, assigns, tenants, customers, employees, agents, invitees and any other persons claiming under or through said parties, a nonexclusive, perpetual easement for vehicular and pedestrian passage, ingress and egress over, across and upon that part of the Grantor Property depicted as the "Easement Area" on the site plan attached hereto and made a part hereof as Exhibit C (the "Easement Area"; such site plan is herein referred to as the "Site Plan"), as the same may from time to time be constructed and maintained for such use.

(ii) Grantee shall have the right, at its expense, to make such customary construction improvements, at the boundary where the Easement Area abuts the Grantee Property, as are necessary to connect driveway improvements on the Grantor Property, if any, with driveway improvements on the Grantee Property. Grantee shall perform any such construction improvements (i) in accordance with plans and specifications therefor that have been approved in advance by Grantor, (ii) in a good, workmanlike and lien free manner, and (iii) in accordance with valid and legal governmental permits and approvals and sound engineering practices, and, in connection with the performance of any such construction improvements, Grantee shall (a) prior to commencing the same, provide to Grantor evidence that Grantee and its contractors have and maintain insurance coverages that name Grantor as an additional insured on the respective commercial general liability insurance policies of Grantee and its contractors and are otherwise reasonably satisfactory to Grantor, (b) use commercially reasonable efforts not to interfere with the use and operation of the Grantor Property by Grantor and its tenants and occupants, (c) once it commences such construction improvements, diligently and continuously prosecute such work to completion, and (d) at its expense, repair any damage to the Grantor Property that may result from any such construction improvements or construction activities in connection therewith.

2. No Obstruction. Each of Grantor and Grantee shall not do anything, or permit or suffer anything to be done, to unreasonably interfere with the use of the Access Easement by Grantor and Grantee and by their respective successors, assigns, tenants, customers, employees, agents, invitees and any other persons claiming under or through said parties. No curbs, barriers, fences, dividers, or other obstructions shall be constructed on or across any portion of the Easement Area to prevent, prohibit, or discourage vehicular and pedestrian passage, ingress and egress. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, but without limitation of any obligations that Grantor may now or hereafter have to the Village of Orland Park, (i) Grantor makes no commitment to Grantee to improve the Easement Area with driveway improvements or to keep driveway improvements in the Easement Area, and (ii) if and for so long as the Easement Area is improved with driveway improvements, Grantor shall be entitled to maintain such driveway improvements in such condition as required by the Village and as Grantor, in its sole discretion, elects.

3. Duration. The easements granted in this Agreement shall be perpetual.

4. Binding Effect. All provisions of this Agreement, including the benefits and burdens, shall run with the land and are binding upon and shall inure to the benefit of Grantor and Grantee and their successors and assigns.

5. Governing Law. This Agreement shall be construed and enforced in accordance with the internal laws of the State of Illinois.

6. Invalidity. If any term or condition of this Agreement, or the application of this Agreement to any person or circumstance, shall be deemed invalid or unenforceable, the remainder of this Agreement, or the application of the term or condition to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each term and condition shall be valid and enforceable to the fullest extent permitted by law.

7. Enforcement. Enforcement of this Agreement may be by proceedings at law or in equity against any person or persons violating or attempting or threatening to violate any term or condition in this Agreement either to restrain or prevent the violation or to obtain any other relief. If a suit is brought to enforce this Agreement, the prevailing party shall be entitled to recover its costs, including, without limitation, reasonable attorneys' fees, from the non-prevailing party.

IN WITNESS WHEREOF, Grantor has executed this Agreement as of the date first written above.
