Dear Claudio,

We would like to thank you for the opportunity to provide a quote for your facility on the following products and services. Aqua Pure Enterprises, Inc. (Aqua Pure) has been assisting Aquatic Facilities such as yours since 1988. Our highly trained service department is qualified to replace, repair and install complete chlorine feed systems, heater systems, filter systems and all other pump room equipment. Our service technicians are Certified Pool Operators (CPO®) and are required to complete specialized manufacturer training on the products we sell, install, warranty and service.

The following quote is for: Women's Spa, Neptune Benson Filter Model # 36SRF-3

To remove and replace the filter.

Thank you again for the opportunity to provide products and services for you facility. If you have any questions or require additional information, please contact either your Regional Sales Representative or our office. Upon acceptance of this proposal, forward your purchase order number, or authorization of acceptance to our office so we may process your order.

Sincerely,

Todd Todner
Vice President
