SECTION I – INSTRUCTIONS TO BIDDERS

OVERVIEW

The Village of Orland Park ("Village") is requesting bids for Tinley Creek Streambank Stabilization, Construction ("Project"). The Contractor shall furnish all labor, materials, equipment, and incidentals necessary to stabilize eroded sections along both sides of the creek. The work to be performed by the successful proposer shall be substantially complete by December 31, 2026, and 100% complete by August 31, 2027. Work includes:

- Installation of gabion walls
- Stone toe protection and stone bank armoring
- Slope grading and restoration
- Selective tree removals
- All collateral and incidental work required to complete the improvements in accordance with the attached plans, specifications, and special conditions

Funding and Compliance Requirements

This project is jointly funded by a grant from the Metropolitan Water Reclamation District of Greater Chicago (MWRD) and by local funds from the Village of Orland Park.

- MWRD Grant Portion: MWRD will provide \$3.70 million toward the project. All work funded by
 this amount must fully comply with all MWRD requirements, including participation goals for
 Minority Business Enterprises (MBE), Women-owned Business Enterprises (WBE), Small Business
 Enterprises (SBE), and Veteran-owned Small Business enterprises ("VBE"). Specific participation
 goals are detailed in the intergovernmental agreement (IGA) between the Village and MWRD,
 attached as Exhibit C. Bidders are responsible for familiarizing themselves with and complying
 with all applicable provisions of the IGA.
- MBE Reporting: If MBE goals are only partially met, proposers must specify the percentage achieved for each MBE category.
- Village-Funded Portion: Any portion of the bid exceeding the \$3.70 million grant must comply with all Village of Orland Park requirements.

Payment

Invoices: All payment invoices will be submitted to and paid for by the Village of Orland Park

SUBMISSION DEADLINE

Bids must be submitted **no later than 11:00 a.m., local time, on November 13, 2025**. No consideration will be given to bids received after the stated date and time. Bids submitted must include all information and documents as requested in this Invitation to Bid. No oral or electronic bids sent by facsimile or via email will be accepted or considered. All bids received after the submittal deadline will be rejected and returned unopened. Failure to follow these instructions may result in rejection of the bid.

THE VILLAGE RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS AND TO WAIVE ANY IRREGULARITIES.

QUESTION INFORMATION

All questions related to this proposal must be submitted online through <u>BidNet Direct</u>, no later than 12:00 p.m., local time, on October 16, 2025. No oral comments will be made to any Bidder as to the meaning of the bid documents. Any and all questions will be answered through <u>BidNet Direct</u> in an addendum after the question period closes. This policy affords all parties submitting bids the same information.

Before the submission deadline, the Village will make available to the public answers to questions or any modifications or additions to this Project or ITB in the form of an Addendum to be posted on the Village's page on BidNet Direct. Answers to questions will not be mailed to potential proposers.

In order to receive notification of any Addenda, please "FOLLOW" the solicitation on <u>BidNet Direct</u> to ensure that you receive notification of any addenda that may be issued.

Bidders will not be relieved of obligations due to failure to examine or receive documents, visit the <u>BidNet Direct</u> website or become familiar with conditions or facts of which the Bidder should have been aware and the Village will reject all claims related thereto. Information other than in the form of a written Addendum issued by the Village from any officer, agent, or employee of the Village or any other person shall not affect the risks or obligations assumed by the Bidder or relieve him from fulfilling any of the conditions and obligations set forth in this ITB. In the event of conflict with the original ITB documents, addenda shall govern to the extent specified. Subsequent addenda shall govern over prior addenda only to the extent specified.

PRE-BID MEETING

A pre-proposal meeting, at which attendance is not mandatory, will be held at the Village Hall Board Room on October 14, 2025 at 11:00 a.m. The Village Hall is located at 14700 Ravinia Avenue, Orland Park, IL 40462.

BID SPECIFICATIONS

Scope of Work

The Scope of Work for this ITB #25-049 is attached under separate cover.

BID SUBMISSION REQUIREMENTS

Bid Bond

Each bid must be accompanied by a bid deposit, as earnest money, in the form of a bid bond, a certified check or cashier's check, drawn on a responsible bank, made payable to the *Village of Orland Park* for ten percent (10%) of the total amount of the bid price. After Contract award, the Village will return deposits to unsuccessful Bidders.

Only one (1) original bid bond document is required and is to be submitted with the paper copy to the Clerk's Office.

Responsible Bidder Ordinance Requirements

In the manner and to the extent required by 1-16-7 (Construction Bidding and Contracts) applicable to Village Code, on Village public works projects with a value of \$25,000 or more, the bidder/proposer must comply with the specific criteria set forth therein and submit acceptable evidence of such compliance, in addition to any other requirements as determined from time to time by the Village for the specific type of work to be performed.

Bidder/Proposer must meet all of the requirements per amended Village Code Section 1-16-7, including participation in apprenticeship and training programs applicable to the work to be performed on the project, with the United States Department of Labor's Bureau of Apprenticeship and Training or the Illinois Department of Labor, including the graduation of at least five (5) apprentices in each of the applicable construction crafts in the preceding five (5) years must provide certifications and supporting documents as proof.

Copies

Bidders must submit three (3) complete, sealed and signed hardcopies of the bid. One (1) hardcopy shall be an original unbound version, marked "Original" and must contain original signatures. Two (2) hardcopies shall be complete, identical, bound copies of the bid. Bids shall include all requested information, forms, certificate and addendum acknowledgements (if applicable) in each copy in order to be considered responsive.

Bidders must submit bids in a sealed envelope labeled ITB #25-049 Tinley Creek Streambank Stabilization, Construction in the lower left-hand corner. All sealed bids must be submitted to Village of Orland Park, Office of the Village Clerk, 14700 South Ravinia Avenue, Orland Park, Illinois 60462.

All sealed bids submitted properly will be opened publicly and read aloud immediately following the ITB #25-049

stated submission time for the Project.

Other

Each Bidder is responsible for reading this ITB and determining that the Bid Specifications describe the Project in sufficient detail. Bidders shall notify the Village of any inappropriate service, brand name, component, or equipment called for by the Village in this ITB and shall note in its bid the adjustments made to accommodate such deficiencies.

After bids have been opened, no Bidder shall assert that there was a misunderstanding concerning the nature of the Project or the quantities and specifications of the material/equipment/items to be delivered, and no such claim shall relieve a Bidder from its obligation to perform. All bids must be made only on the forms provided by the Village and must be made in accordance with this ITB, which is on file and may be obtained for examination in the Clerk's Office at the above address and are made part of this notice as though fully set forth herein.

Required Forms

Bidders shall provide all the information requested in Section III of this ITB.

- Bidder Summary Sheet The Bidder Summary Sheet must be completed, signed and submitted with the bid. Prices must include all permits, insurance, equipment, work and expenses necessary to provide the Project. The submitted bid price(s) shall not include any amount for sales or use taxes, or any other tax from which the Village is exempt. The Bidder Summary Sheet is attached under separate cover.
- 2. Certificate of Compliance The Certificate of Compliance must be completed, signed, and submitted with the bid. The Certificate of Compliance is attached under separate cover.
- 3. References The References form must be completed and submitted with the bid. Bidders shall provide three (3) references for which they have performed similar work. By providing this information, Bidders grant Village permission to contact said references and ask questions regarding prior work performance. Village may use the information gained from Bidder's references to further evaluate Bidder responsibility. The References form is attached under separate cover.
- 4. Insurance Requirements The Insurance Requirements must be completed, signed and submitted with the bid. Bidders may submit with the bid a current policy Certificate of Insurance showing the insurance coverages the bidder currently has in force. Insurance Requirements is attached under separate cover.

Withdrawal of Bids

Once submitted, no bid may be withdrawn without the Village's consent, but it may be superseded by a subsequent timely bid. Any bid received after the time and date specified for opening, or any postponement thereof, will not be considered. Bids shall be irrevocable for at minimum ninety (90) calendar days after the Village opens them.

EVALUATION OF BIDS/BIDDERS

The Village of Orland Park will evaluate proposals based on prices, vendor's qualifications, and additional factors deemed relevant.

The Village of Orland Park retains the right to accept any proposal, any part or parts thereof or reject all proposals. The Village reserves the right to waive minor informalities or irregularities in the proposals received, to accept any proposal deemed advantageous to the Village. Conditional proposal, or those which take exception to the Contract documents without prior written approval from the Village, may be considered non-responsive and may be rejected.

The Village may make such investigations as it deems necessary to determine the ability of the Proposer to perform the work in conformity with the Proposal and Contract documents, and the Proposer shall furnish to the Village all such information and data for this purpose as the Village may request.

SUBMITTAL CHECKLIST

In order to be responsive, each Bidder must submit the following items no later than 11:00 a.m., local time, on November 13, 2025:

3) AUTHORIZED TO DO BUSINESS IN ILLINOIS: Yes [x] No []

The Bidder is authorized to do business in the State of Illinois.

4) ELIGIBILE TO ENTER INTO PUBLIC CONTRACTS: Yes [x] No []

The Bidder is eligible to enter into public contracts, and is not barred from contracting with any unit of state or local government as a result of a violation of either Section 33E-3, or 33E-4 of the Illinois Criminal Code, or of any similar offense of "bid-rigging" or "bid-rotating" of any state or of the United States.

5) SEXUAL HARASSMENT POLICY COMPLIANT: Yes [x] No []

Please be advised that Public Act 87-1257, effective July 1, 1993, 775 ILCS 5/2-105 (A) has been amended to provide that every party to a public contract must have a written sexual harassment policy in place in full compliance with 775 ILCS 5/2-105 (A) (4) and includes, at a minimum, the following information:

(I) the illegality of sexual harassment; (II) the definition of sexual harassment under State law; (III) a description of sexual harassment, utilizing examples; (IV) the vendor's internal complaint process including penalties; (V) the legal recourse, investigative and complaint process available through the Department of Human Rights (the "Department") and the Human Rights Commission (the "Commission"); (VI) directions on how to contact the Department and Commission; and (VII) protection against retaliation as provided by Section 6-101 of the Act. (Illinois Human Rights Act). (emphasis added). Pursuant to 775 ILCS 5/1-103 (M) (2002), a "public contract" includes "...every contract to which the State, any of its political subdivisions or any municipal corporation is a party."

6) EQUAL EMPLOYMENT OPPORTUNITY COMPLIANT: Yes [x] No []

During the performance of this Project, Bidder agrees to comply with the "Illinois Human Rights Act", 775 ILCS Title 5 and the Rules and Regulations of the Illinois Department of Human Rights published at 44 Illinois Administrative Code Section 750, et seq.

The Bidder shall:

(I) not discriminate against any employee or applicant for employment because of race, color, religion, sex, marital status, national origin or ancestry, age, or physical or mental handicap unrelated to ability, or an unfavorable discharge from military service; (II) examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization; (III) ensure all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, marital status, national origin or ancestry, age, or physical or mental handicap unrelated to ability, or an unfavorable discharge from military service; (IV) send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Vendor's obligations under the Illinois Human Rights Act and Department's Rules and Regulations for Public Contract; (V) submit reports as required by the Department's Rules and Regulations for Public Contracts, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and Department's Rules and Regulations for Public Contracts; (VI) permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and Department for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and

Department's Rules and Regulations for Public Contracts; and (VII) include verbatim or by reference the provisions of this Equal Employment Opportunity Clause in every subcontract it awards under which any portion of this Agreement obligations are undertaken or assumed, so that such provisions will be binding upon such subcontractor.

In the same manner as the other provisions of this Agreement, the Bidder will be liable for compliance with applicable provisions of this clause by such subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply therewith. In addition, the Bidder will not utilize any subcontractor declared by the Illinois Human Rights Department to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

"Subcontract" means any agreement, arrangement or understanding, written or otherwise, between the Bidder and any person under which any portion of the Bidder's obligations under one or more public contracts is performed, undertaken or assumed; the term "subcontract", however, shall not include any agreement, arrangement or understanding in which the parties stand in the relationship of an employer and an employee, or between a Bidder or other organization and its customers.

In the event of the Bidder's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Human Right Act, or the Rules and Regulations for Public Contracts of the Department of Human Rights the Bidder may be declared non-responsible and therefore ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this agreement may be canceled or avoided in whole or in part, and such other sanctions or penalties may be imposed or remedies involved as provided by statute or regulation.

7) PREVAILING WAGE COMPLIANCE: Yes [x] No []

In the manner and to the extent required by law, this bid is subject to the Illinois Prevailing Wage Act and to all laws governing the payment of wages to laborers, workers and mechanics of a Bidder or any subcontractor of a Bidder bound to this agreement who is performing services covered by this contract. If awarded the Contract, per 820 ILCS 130 et seq. as amended, Bidder shall pay not less than the prevailing hourly rate of wages, the generally prevailing rate of hourly wages for legal holiday and overtime work, and the prevailing hourly rate for welfare and other benefits as determined by the Illinois Department of Labor or the Village and as set forth in the schedule of prevailing wages for this contract to all laborers, workers and mechanics performing under work this contract (available at https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/Rates.aspx).

The undersigned Bidder further stipulates and certifies that it has maintained a satisfactory record of Prevailing Wage Act compliance with no significant Prevailing Wage Act violations for the past three (3) years.

Certified Payroll. The Illinois Prevailing Wage Act requires any contractor and each subcontractor who participates in public works to file with the Illinois Department of Labor (IDOL) certified payroll for those calendar months during which work on a public works project has occurred. The Act requires certified payroll to be filed with IDOL no later than the 15th day of each calendar month for the immediately preceding month through the Illinois Prevailing Wage Portal—an electronic database IDOL has established for collecting and retaining certified payroll. The Portal may be accessed using this link: https://www2.illinois.gov/idol/Laws-Rules/CONMED/Pages/certifiedtranscriptofpayroll.aspx. The Village reserves the right to withhold payment due to Contractor until Contractor and its subcontractors display compliance with this provision of the Act.

8) EMPLOYMENT OF ILLINOIS WORKERS ON PUBLIC WORKS ACT: Yes [x] No []

In the manner and to the extent required by law, this ITB/RFP is subject to the Employment of Illinois Workers on Public Works Act (30 ILCS 570/0.01 et seq.). If awarded the Contract, per 820 ILCS 130 et seq. as amended, and if the Employment of Illinois Workers on Public Works Act (30 ILCS 570/0.01) is in effect, Bidder shall maintain full compliance with its requirements.

9) PARTICIPATION IN APPRENTICESHIP AND TRAINING PROGRAM: Yes [x] No []

As of September 16, 2025, in the manner and to the extent required by 1-16-7 (Construction Bidding and Contracts) of the Village Code, this RFP is subject to the Responsible Bidder Ordinance requirements for Village public works projects with a value of \$25,000 or more. Each bidder/proposer must comply with the following criteria, and submit acceptable evidence of such compliance, in addition to any other requirements as determined from time to time by the Village for the specific type of work to be performed:

(1) Participation in apprenticeship and training programs approved and registered with the United States Department of Labor's Bureau of Apprenticeship and Training or the Illinois Department of Labor, including the graduation of at least five (5) apprentices in each of the applicable construction crafts in the preceding five (5) years;

Bidder/Proposer meets all of the requirements noted above as well as participates in apprenticeship and training programs applicable to the work to be performed on the project, with the United States Department of Labor's Bureau of Apprenticeship and Training or the Illinois Department of Labor, including the graduation of at least five (5) apprentices in each of the applicable construction crafts in the preceding five (5) years and has attached certifications and supporting documents as proof.

Any insurance policies providing the coverages required of the Consultant, excluding Professional Liability, shall be specifically endorsed to identify "The Village of Orland Park, and their respective officers, trustees, directors, officials, employees, volunteers and agents as Additional Insureds on a primary/non-contributory basis with respect to all claims arising out of operations by or on behalf of the named insured." The required additional Insured coverage shall be provided on the Insurance Service Office (ISO) CG 20 10 or CG 20 26 endorsements or an endorsement at least as broad as the above noted endorsements as determined by the Village of Orland Park. Any Village of Orland Park insurance coverage shall be deemed to be on an excess or contingent basis as confirmed by the required (ISO) CG 20 01 Additional Insured Primary & Non- Contributory Endorsement. The policies shall also contain a Waiver of Subrogation in favor of the Additional Insureds in regard to General Liability and Workers' Compensation coverage. The certificate of insurance shall also state this information on its face. Any insurance company providing coverage must hold an A-, VII rating according to Best's Key Rating Guide. Each insurance policy required shall have the Village of Orland Park expressly endorsed onto the policy as a Cancellation Notice Recipient. Should any of the policies be cancelled before the expiration date thereof, notice will be delivered in accordance with the policy provisions. Permitting the contractor, or any subcontractor, to proceed with any work prior to our receipt of the foregoing certificate and endorsements shall not be a waiver of the contractor's obligation to provide all the above insurance.

Consultant agrees that prior to any commencement of work to furnish evidence of Insurance coverage providing for at minimum the coverages, endorsements and limits described above directly to the Village of Orland Park, 14700 S. Ravinia Avenue, Orland Park, IL 60462. Failure to provide this evidence in the time frame specified and prior to beginning of work may result in the termination of the Village's relationship with the contractor.

Re: Proof of Compliance with 30 ILCS 500/30-22(6) Our File No. MI-00321

Dear Sir or Madam:

At the request of V3 Construction Trades, Ltd., I am providing you with evidence of the Company's compliance with the apprenticeship requirements in 30 ILCS 500/30-22(6) of the Illinois Procurement Code. I am submitting this letter along with apprenticeship certificates (Nos.IL012020003 and IL008780173).

As a signatory contractor with the International Union of Operating Engineers, Local 150, AFL-CIO, V3 Construction Trades, Ltd., is required by Collective Bargaining Agreement to participate in an applicable apprenticeship and training program approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training. The attached certificates are evidence of compliance with the U.S. Department of Labor's apprenticeship requirements.

Thank you for your cooperation in this matter. If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

IUOE Local 150, AFL-CIO

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

PROJECT:

(Name, location or address, and Project number, if any) ITB#25-049 Tinley Park Streambank Stabilization, Construction

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such stationry or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

No	Question/Answer	Question Date
Q2	Question: Question Deadline With the opening not for almost another month, would it be possible to extend the question deadline another week or two? Some of our vendors are just getting into the material.	10/14/2025
	Answer: The Question Acceptance Deadlinehas been extended to October 24, 2025 at 12:00 pm CST.	
Q6	Question: Minority Participation Can the 10% SBE be covered by MBE Or WBE if available.	10/14/2025
	Answer: The expectation is to meet MWRD's MBE requirements in full. However, if those requirements	
	cannot be completely met, the proposer must clearly indicate the extent to which the requirements are	
	satisfied and describe the additional measures taken to compensate for any shortfall in specific MBE categories.	
Q9	Question: Minority paper work In your list of required on page 7 of the ITB 25-049 - Tinley Creek Streambank Stabilization, Construction - ITB, it does not reference any minority required paperwork to be submitted with the bid. Do we have to submit paperwork at time of bid? Or do we have 5 days after the bid to provide the paperwork?	10/15/2025
	Answer: Refer to the IGA between the Village and MWRD. IGA provides information on the MBE	
	paperwork. Additional information will be provided through addendums.	
	It is Village's preference that the MBE paperwork be submitted with the bids. However, MBE related	
	paperwork may be submitted within five days after the bids are submitted. Identify this item in your bid	
	response.	
Q11	Question: Construction Access, existing roads/parking lots If we are using construction access points shown on the drawings that are existing parking lots or roads and they get damaged because of the weight of a loaded semi, are we responsible to fix them at no additional cost to the contract?	10/15/2025
	Answer: Yes. Include the cost for parking lot and roadway repair scope as a separate line item in your response.	
Q14	Question: Scope of work Per the scope of work letter it states that we will not be paid for extra work items, that this is a lumpsum bid. However, if we run into an unforeseen condition will this be paid for?	10/15/2025
	Answer: Yes, unforeseen conditions, proven by the contractor and accepted by the Village, will be paid	
	through change orders.

ADDENDUM #5 - PROJECT CLARIFICATIONS ITB #25-049 - Tinley Creek Streambank Stabilization, Construction

Follow-up clarifications provided for Pre-Proposal Meeting

Non-mandatory Pre-Proposal Meeting was held on Tuesday, October 14th, 2025 at the Village Hall Board Room

Clarification #1: MWRD's Specific MBE participation goals are detailed in the Intergovernmental Agreement (IGA) between the Village and MWRD, please refer to Exhibit C – MWRD IGA; Exhibit 6 – M/W/SBE Utilization Pla.

Clarification #2: Contractor to pothole to verify depth of existing gas pipe prior to start of construction. The Village is coordinating with Nicor Gas to get an answer for the exact requirements they may have.

Clarification #3: Contractor is responsible for CCDD testing. For bidding purposes, the contractor should assume spoils will be able to be hauled to a CCDD facility.

Clarification #4: A tree survey was completed, but a complete bat habitat assessment was not completed for the project limits. Trees should be removed between November 1, 2025 and March 31, 2026. If clearing is desired outside of that window, the contractor will be responsible for a bat habitat assessment and further consultation with IDNR may be necessary. Contractor will be able to work on the tree removals as soon as the contract is executed, which is expected in December 2025 or January 2026.

Clarification #5: There is a USGS Rain Gage (05536500) located downstream of this project on Tinley Creek that can be used to approximate the expected flows within the creek after various rainfall events. The base flood elevation varies across the project corridor from 694.1+/- at the south end of the project to 672.4+/- at 151st Street. These elevations are for a 100-year event and are primarily outside the banks for the channel.

The USGS gage suggests that the base flow in the channel is generally less than 2 cfs, but can spike quickly after rain events.

Clarification #6: Work can be done within the creek as long as the flow/hydrology is not disturbed or managed through mechanical methods.

ADDENDUM #8 - Information Regarding Small Business Enterprise (SBE) Requirement ITB #25-049 - Tinley Creek Bank Stabilization, Construction

The Village and MWRD are working together to potentially remove the 10% Small Business Enterprise (SBE) requirement from the MWRD cost participation portion of our proposal. There is a strong possibility that this amendment will be approved by both the Village and MWRD Boards.

In light of this potential change, all proposers shall submit **two bids** as follows:

- 1. Bid with the 10% SBE requirement
- 2. Bid without the 10% SBE requirement

Q3	Question: Soil Disposal Can you please confirm whether it is the owner's intent for contractors to base their bids on the assumption that all material will be accepted at a CCDD facility? Additionally, if any material is rejected or testing indicates that landfill disposal is necessary, will those additional costs be addressed through a change order?	10/14/2025
	Answer: 1. Yes, it is the intent to base bids on all material being accepted at a CCDD facility.	
	2. Yes, any changes outside of the project scope will be addressed via change orders.	
Q4	Question: Geotechnical Report Please provide the geotechnical reports referenced on sheet S-101.	10/14/2025
	Answer: The "2012 Geotechnical Report" for sheet pile wall will be published as Exhibit I under	
	Addendum #7. An updated geotechnical report will be provided at a later date.	
Q5	Question: Sheet Piling Can the designer please provide minimum section modulus and moment of inertia criteria for steel sheet pile? Can the steel sheet pile cap (Detail 1 on S-202) be welded in lieu of a bolted connection? Please specific if any components of the sheet pile wall (wale, steel cap, hardware, sheeting, tie rods) need or be epoxy coated or galvanized. Please confirm all holes in wale, sheeting, and cap can be torch cut in the field. Please confirm toe rods can be coupled between Deadman anchors and sheeting wall.	10/14/2025
	Answer: 1. Due to the presence of the proposed deadmen anchors, the sheet pile size can be reduced.	
	The proposed sheet pile section is a PZ22 or approved equal. This corresponds to a sheet pile section	
	modulus of 34.8 in 3 per pile or 9 in 3 per foot of wall. The "Steel Sheet Piling Sections" document will	
	be published as Exhibit J under Addendum #7.	
	2. Yes. The contractor would need to provide an alternate welding detail for review and approval.	
	3. Yes, galvanizing and epoxy coating should be included due to proximity of parking lot and likely	
	exposure to deicing salts. As well as the proximity to the creek.	
	4. Confirmed. Inspection of all holes shall be performed to ensure that integrity of sheet pile/wale is	
	maintained and bearing plates/washers shall be provided.

Q7	Question: materials & subs	10/14/2025
	Looking for a spec for the following:	
	construction fencing?	
	perm erosion barrier?	
	PZ 38 section modulus- for sizing?	
	Species & quantities for the trees and shrubs?- only the total is listed	
	maint & monitor expectations?	
	Regarding the MWRD must/shall requirements- what agencies do the companies need to be certified	
	by? Do we need to turn in with bid? and how will we know that they are approved prior to the project	
	starting?	
	Item 19- seeding- use page L601 or C503?	
	Item 29- supplemental stone? specs?	
	Answer: 1. See page 13 of the Special Provisions under "Temporary Fence". Follows IDOT Standard	
	Specs - Section 201.	
	2. IDOT Standard Specifications for Road and Bridge Construction - Section 280 - PERIMETER	
	EROSION BARRIER	
	3. Due to the presence of the proposed deadmen anchors, the sheet pile size can be reduced. The	
	proposed sheet pile section is a PZ22 or approved equal. This corresponds to a sheet pile section	
	modulus of 34.8 in 3 per pile or 9 in 3 per foot of wall. The "Steel Sheet Piling Sections" document will	
	be published as Exhibit J under Addendum #7.	
	4. Based on the Summary of Quantities sheet, the bid should include provisions for 1,000 trees and 250	
	shrubs.	
	5. thru 7. Certification by Cook County. Yes, turn in with the bid submittal. The Village will inform the	
	selected contractor.	
	8. Use seed mixes on L601.	
	9. See page 37 of the Special Provisions.	
Q8	Question: Gabion Wall Transition	10/15/2025
	Detail on C-504 shows RR-4 rock transition that is incidental. It his only at the beginning or ending of	
	the gabion wall? The cross sections don't show the extra RR-4 in them.	
	Answer: The rock transition will be at the beginning and end of each gabion section per detail on C504.	
	The water the reaction will be at the beginning and one of each gaben cooling per detail of ecoti.	
Q10	Question: Construction Access Points, Utility crossings	10/15/2025
	There are several construction access points shown. Some of those locations show utilities. Do we	
	have to have protections pads over the lines, or will we be able to run loaded semis over them? If we have to have construction access pads, will you make an allowance as this will be difficult to determine	
	the cost at bid time?	
	Answer: We are coordinating with Nicor to get an answer to this question for exact requirements they	
	may have and will be sent in a future addendum or shared with the selected contractor.	
Q12	Question: Dirt disposal	10/15/2025
	Has testing been done for CCDD acceptance? Are we to figure the dirt haul off as nonspecial waste?	
	Hauling off to a nonspecial waste landfill subtitle D is considerable more expensive then a CCDD facility.	
	A consent the the intent to be a bit on all protected by the consent of the OODD 5. ""	

Answer: It is the intent to base bids on all material being accepted at a CCDD facility.

No	Question/Answer	Question Date
Q13	Question: Tree Removal Are we only allowed to remove trees from October to March 15th? Has there been a bat study to verify if there are bats or not, so that we can remove the trees as we go? If we have to remove the trees before March 15th, will we be able to walk down the middle of the creek with track equipment to remove the trees?	10/15/2025
	Answer: Trees should be removed between November 1st and March 31st. If clearing is desired	
	outside of that window, the contractor will be responsible a bat habitat assessment and further	
	consultation with IDNR may be necessary.	
Q16	Question: Sheet pile wall There is a sheet pile wall, station 10+79.84 to 11+36.94, that is adjacent to an apartment building and there are homes near by. Can we change this driven sheet pile wall to a post and panel wall, where we aren't driving sheeting or posts? The deadmen appear to be going into the existing parking lot. Will we have to remove and replace the parking lot? What is the thickness of the asphalt?	10/15/2025
	Answer: Agreed, existing asphalt will need to be replaced where deadmen will be installed. Please use	
	an allowance in the bid response.	
Q17	Question: Creek Flow rate What is the creek flow rate after a 1" rain event?	10/15/2025
	Answer: USGS Rain Gage (05536500) located downstream of this project on Tinley Creek can be used to approximate the expected flows within the creek after various rainfall events.	
Q18	Question: Sheet Piling Can you provide me with a data sheet for the PZ38 sheeting? This is not a size we have seen or that our suppliers can produce. From a quick glance it looks like our suppliers only make PZ35 and PZ40. More importantly we would need the minimum required section modulus of the sheet piling. This way maybe we can supply an alternate sheet size that meets the requirements of the PZ38.	10/16/2025
	Answer: Due to the presence of the proposed deadmen anchors, the sheet pile size can be reduced.	
	The proposed sheet pile section is a PZ22 or approved equal. This corresponds to a sheet pile section	
	modulus of 34.8 in 3 per pile or 9 in 3 per foot of wall. The "Steel Sheet Piling Sections" document will	
	be published as Exhibit J under Addendum #7.	

No	Question/Answer	Question Date
Q15	Question: Unit Price items There is no unit prices provided. Will line items be provided for this bid?	10/15/2025
	Answer: A Unit Price Sheet will be provided in an Addendum, which will be a required form with your submittal.	

Clarification #7: Yes, a lump sum contract is acceptable. A "Unit Price Sheet", which is a required bid submission document, will be published as Exhibit K under Addendum #7. The Village is requesting unit pricing for each of the items listed on the sheet. These prices will be used to adjust upwards or downwards for changes to stabilization measures required during construction.

Clarification #8: ComED redesign is in progress. Relocation is expected to be completed near the end of 2025. Coordination has been made with all other dry utilities. Contacts are listed in the Special Provisions.

Clarification #9: Earth excavation and disposal are included with the other line items and are defined in the Special Provisions. The contractor is responsible for CCDD testing. For bidding purposes, the contractor should assume spoils will be able to be hauled to a CCDD facility.

Clarification #10: The contractor is responsible for CCDD testing. The number of tests will likely be determined by the requirements of the facility that is receiving the spoils.

Clarification #11: The Village expects substantial completion by December 2026, with 2027 being open for minor restoration.

Question: Item #9 Apprenticeship and Training Program

Will the Village of Orland Park reconsider Item #9 Participation in Apprenticeship and Training Program Requirements? The quantity of five (5) apprentices in each craft in the preceding five (5) years is onerous and exclusive, and limits qualified local small businesses from participating in this procurement. Would the Village of Orland Park consider participation in an apprenticeship and training program be enough, without specific quantification of numbers of personnel and years?

This specific quantified number acts as a disqualifier and limits competition for the procurement. Qualified contractors participating in USDOL apprenticeship programs should be enough of a threshold for the Village of Orland Park. Participating companies that are signatory to local unions and current federal contractors have proven records of fair pay and certified payrolls. Retaining the threshold of five (5) apprentices per craft is diminishing the fairness of this procurement.

Answer: Please refer to the Terms and Conditions document as it states that Section 1-16-7(D) of the Village of Orland Park's Village Code requires that the following be demonstrated, amongst other criteria, for a bidder to be considered "responsible":

(5) Participation in apprenticeship and training programs approved and registered with the United States Department of Labor's Bureau of Apprenticeship and Training or the Illinois Department of Labor, including the graduation of at least five (5) apprentices in each of the applicable construction crafts in the preceding five (5) years;"

Section 1-16-7(D)(5) requires that the bidder evidence that the approved and registered PROGRAM in which it participates has graduated at least five apprentices in the preceding five years.

ADDENDUM #8 – Information Regarding Small Business Enterprise (SBE) Requirement ITB #25-049 - Tinley Creek Bank Stabilization, Construction

The Village and MWRD are working together to potentially remove the 10% Small Business Enterprise (SBE) requirement from the MWRD cost participation portion of our proposal. There is a strong possibility that this amendment will be approved by both the Village and MWRD Boards.

In light of this potential change, all proposers shall submit **two bids** as follows:

ADDENDUM #9 – Nicor's Response to Question 10: Construction Access Points, Utility Crossings ITB #25-049 - Tinley Creek Bank Stabilization, Construction

Addendum #5 (10/22/2025)

Q: There are several construction access points shown. Some of those locations show utilities. Do we have to have protections pads over the lines, or will we be able to run loaded semis over them? If we have to have construction access pads, will you make an allowance as this will be difficult to determine the cost at bid time?

A1: We are coordinating with Nicor to get an answer to this question for exact requirements they may have and will be sent in a future addendum or shared with the selected contractor.

Addendum #9 (10/31/2025)

A2: Nicor Engineering has confirmed that no additional protection measures will be needed on this project, but it is required that when work is being completed in close proximity to Nicor's existing facilities, Nicor Watch & Protect be contacted.

Please see the guidance and contact information for Nicor Watch & Protect below:

- When working within 25' of the pipeline, a representative from Nicor Watch and Protect Department must be present:
- A valid JULIE must be called prior to working within 25' of the pipeline.

ADDENDUM #10 – Clarifications to Bid Documents ITB #25-049 - Tinley Creek Bank Stabilization, Construction

This Addendum provides the following clarifications to the bid documents:

1. Lump Sum Bid

The requested bid is a **Lump Sum** bid. Although the Special Provisions include a Basis of Payment with measurements for each pay item listed in the Summary of Quantities (SOQ), these quantities are for tracking construction progress only and **will not be used for payment**.

Unit rates are requested **only** for potential changes to the scope of work resulting from unforeseen conditions.

2. Correction to Stone Toe Stabilization Quantity

The total length of stone toe stabilization shown in the SOQ is incorrect. The estimated correct length is **8,045 linear feet (LF)**.

3. Contractor's Responsibility for Quantities

Contractors are responsible for preparing their own quantities for the project. The SOQ provided by the Village is for **guidance only** and must **not** be used as the sole basis for developing bid prices.

4. Site Access Information

The following clarifications apply to site access locations:

- Wheeler Road (Southwest Corner): Property owned by the Village of Orland Park;
 no easement was required, and this location may be used for site access.
- 86th Street (Northeast Corner): No additional temporary easements were granted beyond the permanent easement.
- 86th Street (Southeast Corner): No additional temporary easements were granted beyond the permanent easement.
- Orlan Brook Drive (West Side of Creek): The gabion work abuts the public right-ofway; no additional access or temporary construction easements were granted beyond those shown on the plans.
- Crystal Creek Drive (Either Side): No additional access or temporary construction easements were granted beyond those shown on the plans.
