Re: Authorized Dealership

Direct Fitness Solutions has been authorized by Precor Incorporated to advertise, display and distribute Precor commercial products for 2011.

To ensure Precor customers receive the quality service they deserve, we select Authorized Dealers and Servicers whom we believe share our vision of quality and service. Most of Precor's products are equipped with features that require proper installation and set-up. Precor provides training to its Authorized Dealers for proper installation and maintenance. We expect our Dealers to provide pre-delivery and post-delivery service and to maintain trained service personnel.

By purchasing Precor products from an Authorized Dealer, our customers can be secure that they will get the most from their investment.

Please accept this letter as confirmation that **Direct Fitness Solutions** is our assigned Authorized Dealer of our commercial products for Illinois.

Kind Regards,
