

## Jack Craven

### *Vice President, Strategic Business Solutions*

As Vice President of Strategic Business Solutions at Cartus, Jack is responsible for the development of successful business relationships with leading multinational companies to help guide their relocation programs.

Jack has more than 25 years of experience in the global mobility and expatriate management industries, including strategic positions in operations management, account management, consulting solutions and business development. A noted top new business producer and industry thought leader, he is a frequent speaker at regional, national and global workforce mobility conferences, and he has served on numerous Worldwide ERC committees.

Jack has received both Worldwide ERC's Distinguished and Meritorious Service Awards in recognition of his long-term commitment to the advancement of the relocation industry. He has also been selected to serve on multiple Program Planning Committee for ERC's National Relocation Conferences and has served on the board of directors and numerous committees for local and regional relocation organizations in Illinois, Missouri, Wisconsin, Ohio and Michigan.

Jack holds a Bachelor's degree from Lewis University and is a licensed real estate broker in the State of Illinois. He has earned the Senior Certified Relocation Professional (SCRP) and the Senior Global Mobility Specialist (SGMS) designations from Worldwide ERC.
