Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Business Auto Coverage Form apply unless modified by the endorsement.

AMENDMENT TO SECTION I — COVERED AUTOS COVERAGES AND SECTION II — COVERED AUTOS LIABILITY COVERAGE

If this policy provides Auto Liability coverage for Owned Autos, the following extension is applicable:

EMPLOYEE OWNED AUTOS - BUSINESS USE

Solely for purposes of the coverage extended by this endorsement:

A. The following is added to **SECTION I, A. Description of Covered Auto Designation Symbols**:

Coverage symbols 1, 2, 3, 4, 5, 6 and 7 are amended to include the following:

Any "auto" owned by an "employee" specifically described on the Declarations page or on file with us when issued on a non-specified "auto" basis is considered an "auto" you own and not a covered "auto" you hire, borrow or lease; and

B. The following is added to **SECTION II, A.1. Who Is An Insured**:

An "employee" who is the owner of a specifically described "auto" on the Declarations page or on file with us when issued on a non-specified "auto" basis is an "insured".

If the "employee" owned "auto" is used:

1. Without your permission;
2. Outside the scope of any policies and procedures your business has for acceptable vehicle usage;
3. For any purpose other than the conduct of your business; or
4. By anyone other than the "employee" who owns the "auto", except another "employee",

the limits of liability available to the "employee" or anyone other than a named "insured" under all coverages shall be limited to the higher of:

1. \$250,000; or
2. The compulsory or financial responsibility law limits where the "auto" is licensed and principally garaged.

AMENDMENTS TO SECTION II — LIABILITY COVERAGE

NEWLY ACQUIRED OR FORMED ORGANIZATIONS

The following is added to **SECTION II, A.1. — Who Is An Insured**:

Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no similar insurance available to that organization. However:

2. Coverage does not apply to "bodily injury" or "property damage" resulting from an "accident" that occurred before you acquired or formed the organization.

No person or organization is an "insured" with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

EXPENSES FOR BAIL BONDS AND LOSS OF EARNINGS

Paragraphs (2) and (4) of **SECTION II, A.2.a. — Supplementary Payments** are deleted in their entirety and replaced with the following:

2. A per “accident” deductible as stated in the ElitePac Schedule applies to this exception.

- B.** If this policy provides Auto Liability coverage for Owned Autos, Non-Owned Autos or Hired Autos, the following extensions are applicable accordingly:

LIMITED LIABILITY COMPANIES

The following is added to **SECTION II, A.1. — Who Is An Insured:**

If you are a limited liability company, your members and managers are “insureds” while using a covered “auto” you don’t own, hire or borrow during the course of their duties for you.

BLANKET ADDITIONAL INSURED — As Required By Contract

The following is added to **SECTION II, A.1. — Who Is An Insured:**

Any person or organization whom you have agreed in a written contract, written agreement or written permit that such person or organization be added as an additional “insured” on the Business Auto Coverage Part on your policy is an additional “insured”, but only with respect to liability for “bodily injury” or “property damage” caused, in whole or in part, by your ownership, maintenance or use of a covered “auto”. This coverage shall be primary and non-contributory with respect to the additional “insured”. This provision only applies if:

1. It is required in the written contract, written agreement or written permit identified in this section;
2. It is permitted by law; and

3. The written contract or written agreement has been executed (executed means signed by a named insured) or written permit issued prior to the “bodily injury” or “property damage”.

An “employee” of yours is an “insured” while operating an “auto” hired or rented under a contract or agreement in that “employee’s” name with your permission, while performing duties related to the conduct of your business.

AMENDMENTS TO SECTION III — PHYSICAL DAMAGE COVERAGE

For those covered “autos” for which Comprehensive, Specified Causes of Loss or Collision coverage shown in the Declaration, the following extensions of coverage are applicable:

TOWING AND LABOR

SECTION III, A.2. — Towing is deleted in its entirety and replaced with the following:

We will pay all reasonable towing and labor costs up to the applicable Limit of Insurance shown on the ElitePac Schedule per tow each time a covered “Private Passenger Auto”, “Social Service Van or Bus”, “Light Truck” or any commercial “auto” with a gross vehicle weight or gross combination weight greater than 10,000 pounds is disabled.

For labor charges to be eligible for reimbursement the labor must be performed at the place of disablement.

This coverage extension does not apply to Emergency Services Organizations and Governmental Entities.

GLASS BREAKAGE DEDUCTIBLE

The following is added to **SECTION III, A.3. — Glass Breakage — Hitting A Bird Or Animal — Falling Objects or Missiles:**

If damaged glass is repaired rather than replaced, no deductible will apply for such repair. This extension does not apply to Emergency Services Organizations and Governmental Entities.

ADDITIONAL TRANSPORTATION EXPENSES
SECTION III, A.4.a. — Transportation Expenses is deleted in its entirety and replaced with the following:

We will pay up to the Limit of Insurance shown on the ElitePac Schedule for temporary transportation expenses that you incur because of any "loss" to a covered "auto", but only if the covered "auto" carries the coverages and meets the requirements described in Paragraphs 1. or 2. below:

1. We will pay temporary transportation expenses for total theft of a covered "auto". We will only pay for such expenses incurred during the period beginning 24 hours after the theft and ending, regardless of the policy's expiration, when the covered "auto" is returned to use or we pay for its "loss".
2. For "loss" other than total theft of a covered "auto" under Comprehensive or Specified Causes of Loss Coverage, or for any "loss" under Collision Coverage to a covered "auto", we will only pay for those temporary transportation expenses incurred during a period of time reasonably required to repair or replace the covered "auto", even if that time period extends beyond the policy expiration date.

Paragraph 2. of this extension does not apply while there are spare or reserve "autos" available to you for your operations.

The 24 hour waiting period found on any other form endorsed onto the Auto Coverage part does not apply for any covered Rental Reimbursement "loss".

This coverage extension does not apply to Emergency Services Organizations and Governmental Entities.

HIRED AUTO PHYSICAL DAMAGE COVERAGE

If Comprehensive, Specified Causes of Loss or Collision coverage applies to a covered "auto", the following is added to **SECTION III, A.4. — Coverage Extensions**:

Physical Damage coverage is hereby extended to apply to Physical Damage "loss" to "autos" leased, hired, rented or borrowed without a driver. We will provide coverage equal to the broadest coverage available to any covered "auto" shown on the Declarations; however, the most we will pay for "loss" to each "auto" under this coverage extension is the lesser of:

1. The Limit of Insurance stated in the ElitePac Schedule; or
2. The actual cash value of the damaged or stolen property as of the time of the "loss"; or
3. The actual cost of repairing or replacing the damaged or stolen property with other property of like kind and quality. A part is of like kind and quality when it is of equal or better condition than the pre-accident part. We will use the original equipment from the manufacturer when:
 - (a) The operational safety of the vehicle might otherwise be impaired;
 - (b) Reasonable and diligent efforts to locate the appropriate rebuilt, aftermarket or used part have been unsuccessful; or

- (c) A new original equipment part of like kind and quality is available and will result in the lowest overall repair cost.

For each leased, hired, rented or borrowed covered "auto" our obligation to pay each applicable "loss" will be reduced by the hired "auto" deductible on this policy. If there is no hired "auto" coverage symbol 8 for physical damage coverage on the policy, our obligation to pay for each "loss" will be reduced by the deductible equal to the highest deductible applicable to any owned "auto" for that coverage. No deductible will be applied to any "loss" caused by fire or lightning.

SECTION IV, B.5. Other Insurance Condition, Paragraph 5.b. is deleted in its entirety and replaced by the following:

For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

1. Any covered "auto" you lease, hire, rent, or borrow; and
2. Any covered "auto" hired or rented by your "employee" under a contract or agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

This coverage extension does not apply to Emergency Services Organizations and Governmental Entities.

HIRED AUTO LOSS OF USE COVERAGE

If Comprehensive, Specified Causes of Loss or Collision coverage applies to a covered "auto", the following is added to **SECTION III, A.4. — Coverage Extensions**:

We will pay expenses for which you are legally responsible to pay for loss of use of a leased, hired, rented or borrowed "auto" if it results from an "accident". The per day limit in the Business Auto Coverage form does not apply and the most we will pay per "accident" is the Limit of Insurance shown on the ElitePac Schedule.

Loss of Use Expense limits afforded by any endorsement added to the commercial auto policy shall apply in excess of the coverage afforded by this ElitePac form.

This coverage extension does not apply to Emergency Services Organizations, Governmental Entities, and Schools.

AUTO LOAN/LEASE GAP COVERAGE (Not Applicable in New York)

If Comprehensive, Specified Causes of Loss or Collision coverage applies to a covered "auto", the following is added to **SECTION III, A.4. — Coverage Extensions**:

In the event of a total "loss" to a covered "auto" we will pay any unpaid amount due on the lease or loan for a covered "auto", less:

1. The amount paid under the Physical Damage Coverage Section of the policy; and
2. Any:
 - a. Overdue lease/loan payments at the time of "loss";
 - b. Financial penalties imposed under a lease for excessive use, abnormal wear and tear, high mileage or similar charges;
 - c. Security deposits not refunded by the lessor or financial institution;
 - d. Costs for extended warranties, credit life, health, accident, or disability insurance purchased with the loan or lease; and
 - e. Carry-over balances from previous leases or loans.

You are responsible for the deductible applicable to the "loss" for the covered "auto".

PERSONAL EFFECTS

The following is added to **SECTION III, A.4. — Coverage Extensions:**

If this policy provides Comprehensive Coverage for a covered "auto" you own and that covered "auto" is stolen, we will pay up to the Limit of Insurance shown on the ElitePac Schedule, without application of a deductible, for lost personal effects that were in the covered "auto" at the time of theft. Personal effects do not include jewelry, tools, money, or securities. This coverage is excess over any other collectible insurance.

AIRBAG COVERAGE

The following is added to **SECTION III, B.3.a. — Exclusions:**

Mechanical breakdown does not include the accidental discharge of an airbag.

This coverage extension does not apply to Emergency Services Organizations and Governmental Entities.

EXPANDED AUDIO, VISUAL, AND DATA ELECTRONIC EQUIPMENT COVERAGE

SECTION III, B.4. — Exclusions

This exclusion does not apply to the following:

1. Global positioning systems;
2. "Telematic devices"; or
3. Electronic equipment that reproduces, receives or transmits visual or data signals and accessories used with such equipment, provided such equipment is:
 - a. Permanently installed in or upon the covered "auto" at the time of the "loss";

- b. Removable from a housing unit that is permanently installed in the covered "auto" at the time of the "loss";
- c. Designed to be solely operated by use of power from the "auto's" electrical system; or
- d. Designed to be used solely in or upon the covered "auto".

For each covered "loss" to such equipment, a deductible of \$50 shall apply, unless the deductible otherwise applicable to such equipment is less than \$50, at which point the lower deductible, if any, will apply.

COMPREHENSIVE DEDUCTIBLE — LOCATION TRACKING DEVICE

The following is added to **SECTION III, D. - Deductible:**

Any Comprehensive Coverage Deductible shown in the Declarations will be reduced by 50% for any "loss" caused by theft if the covered "auto" is equipped with a location tracking device and that device was the sole method used to recover the "auto".

PHYSICAL DAMAGE LIMIT OF INSURANCE

SECTION III, C. — Limit Of Insurance is deleted in its entirety and replaced with the following:

The most we will pay for a "loss" in any one "accident" is the lesser of:

1. The actual cash value of the damaged or stolen property as of the time of the "loss"; or
2. The cost of repairing or replacing the damaged or stolen property with other property of like kind and quality.

This coverage extension does not apply to Emergency Services Organizations and Governmental Entities.

GREEN AUTOMOBILE REPLACEMENT COVERAGE

In the event of a total "loss" to an owned "auto" that is a "gasoline powered auto" for which Comprehensive, Specified Causes of Loss, or Collision coverage applies, Physical Damage coverage will be amended as follows:

If the owned "gasoline powered auto" is replaced by you with a "green auto", we will pay an additional 10% of the "gasoline powered auto's" actual cash value up to a maximum of \$3,000, provided the "auto" is replaced and a copy of a bill of sale or new lease agreement is received by us within 60 calendar days of the date of the "loss".

Regardless of the number of "autos" deemed a total loss, the most we will pay under this coverage extension for any one "loss" is \$10,000.

AMENDMENTS TO SECTION IV — BUSINESS AUTO CONDITIONS

DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS

The following is added to **SECTION IV, A.2.a. — Duties In The Event Of Accident, Claim, Suit Or Loss**:

The notice requirements for reporting “accident” claim, “suit” or “loss” information to us, including provisions related to the subsequent investigation of such “accident”, claim, “suit” or “loss” do not apply until the “accident”, claim, “suit” or “loss” is known to:

1. You, if you are an individual;
2. A partner, if you are a partnership;
3. An executive officer or insurance manager, if you are a corporation;
4. Your members, managers or insurance manager, if you are a limited liability company;
5. Your elected or appointed officials, trustees, board members or your insurance manager, if you are an organization other than a partnership, joint venture or limited liability company.

However, this section does not amend the provisions relating to notification of police or protection or examination of the property that was subject to the “loss”.

WAIVER OF SUBROGATION

SECTION IV, A.5. — Transfer Of Rights Of Recovery Against Others To Us is deleted in its entirety and replaced with the following:

We waive any right of recovery we may have against any person or organization because of payments we make for “bodily injury” or “property damage” resulting from the ownership, maintenance or use of a covered “auto” but only when you have assumed liability for such “bodily injury” or “property damage” in an “insured contract”. In all other circumstances, if a person or organization to or for whom we make payment under this Coverage Form has rights to recover damages from another, those rights are transferred to us.

MULTIPLE DEDUCTIBLES

The following is added to **SECTION IV, A. — Loss Conditions**:

If a “loss” from one event involves two or more covered “autos” and coverage under Comprehensive or Specified Causes of Loss applies, only the highest applicable deductible will be applied.

CONCEALMENT, MISREPRESENTATION OR FRAUD

The following is added to **SECTION IV, B.2. — Concealment, Misrepresentation Or Fraud**:

If you should unintentionally fail to disclose any existing hazards in your representations to us prior to the inception date of the policy or during the policy period in connection with any newly discovered hazards, we will not deny coverage under this Coverage Form based upon such failure.

POLICY PERIOD, COVERAGE TERRITORY

SECTION IV, B.7. — Policy Period, Coverage Territory is deleted in its entirety and replaced with the following:

Under this Coverage Form, we cover “accidents” and “losses” occurring:

- a. During the policy period shown in the Declarations; and

We also cover “loss” to or “accidents” involving a covered “auto” while being transported between any of these places.

TWO OR MORE COVERAGE FORMS OR POLICIES ISSUED BY US — DEDUCTIBLES

The following is added to **SECTION IV, B.8. — Two Or More Coverage Forms Or Policies Issued By Us**:

If a “loss” covered under this Coverage Form also involves a “loss” to other property resulting from the same “accident” that is covered under this policy or another policy issued by us or any member company of ours, only the highest applicable deductible will be applied.

During the summer of 2022, the Plano School District recently completed a large renovation project at our high school with Construction, Inc. The project finished on-time and on-budget. Steve, Matt, and the rest of their team did an outstanding job. Their professionalism and diligence was excellent. Steve ran a safe and tidy jobsite and Matt's follow-through was great. I would recommend their services. In fact, we have another large construction project with Construction, Inc. during the summer of 2023.

I would be happy to answer any questions.

To Whom It May Concern,

Toward the end of 2021, the Fire District went out to competitive bid for the renovation of one of our existing fire stations. Construction, Inc. (CI) was the lowest responsive bidder. At our first meeting to review the scope of work, and project timeline, it was clear that CI was organized, professional, and capable of managing the project.

CI clearly defined a project timeline, and ensured that the renovation stayed on schedule. Their onsite superintendent, Steve Keith was prompt, professional, and always made certain we were aware of any issues when they arose. Furthermore, CI always verified that the work area was clean and safe at the end of each workday.

One of the major issues facing the project was a potential delay in the delivery of products and materials due to significant supply chain problems plaguing the Country. CI provided us options that met our quality expectations while allowing the project to remain on schedule.

We are happy with the finished product. CI demonstrated a high level of commitment to quality, safety, and customer service. We would recommend their services.

If you have any questions or require additional information, do not hesitate to contact me.

Respectfully,

Steve Demas

To Whom it may concern,

I recently worked with Construction, Inc. on a construction project, and I can't speak highly enough about their professionalism and workmanship. The team was incredibly knowledgeable, efficient, and courteous and showed a passion for their craft. They kept me informed throughout the project, and I appreciated their transparency and attention to detail. They were always available to answer any questions and ensured that the project was completed to my Satisfaction. One of the most essential characteristics of this project was that the project was completed on time and within budget.

Construction Inc. used many trades, and all workflow scheduling and organizing were done smoothly. The subcontractors and other parties involved in our project were vetted, and quality organizations followed through with the work proposed and the project's specifics. Construction Inc managed all of the work positively and cooperatively with the owner.

They demonstrated a high commitment to quality, safety, and customer service, and I recommend their services to anyone looking for a trusted construction partner. I would be happy to discuss my recommendation further; feel free to contact me at the information listed below.
