EASEMENT PROVISIONS

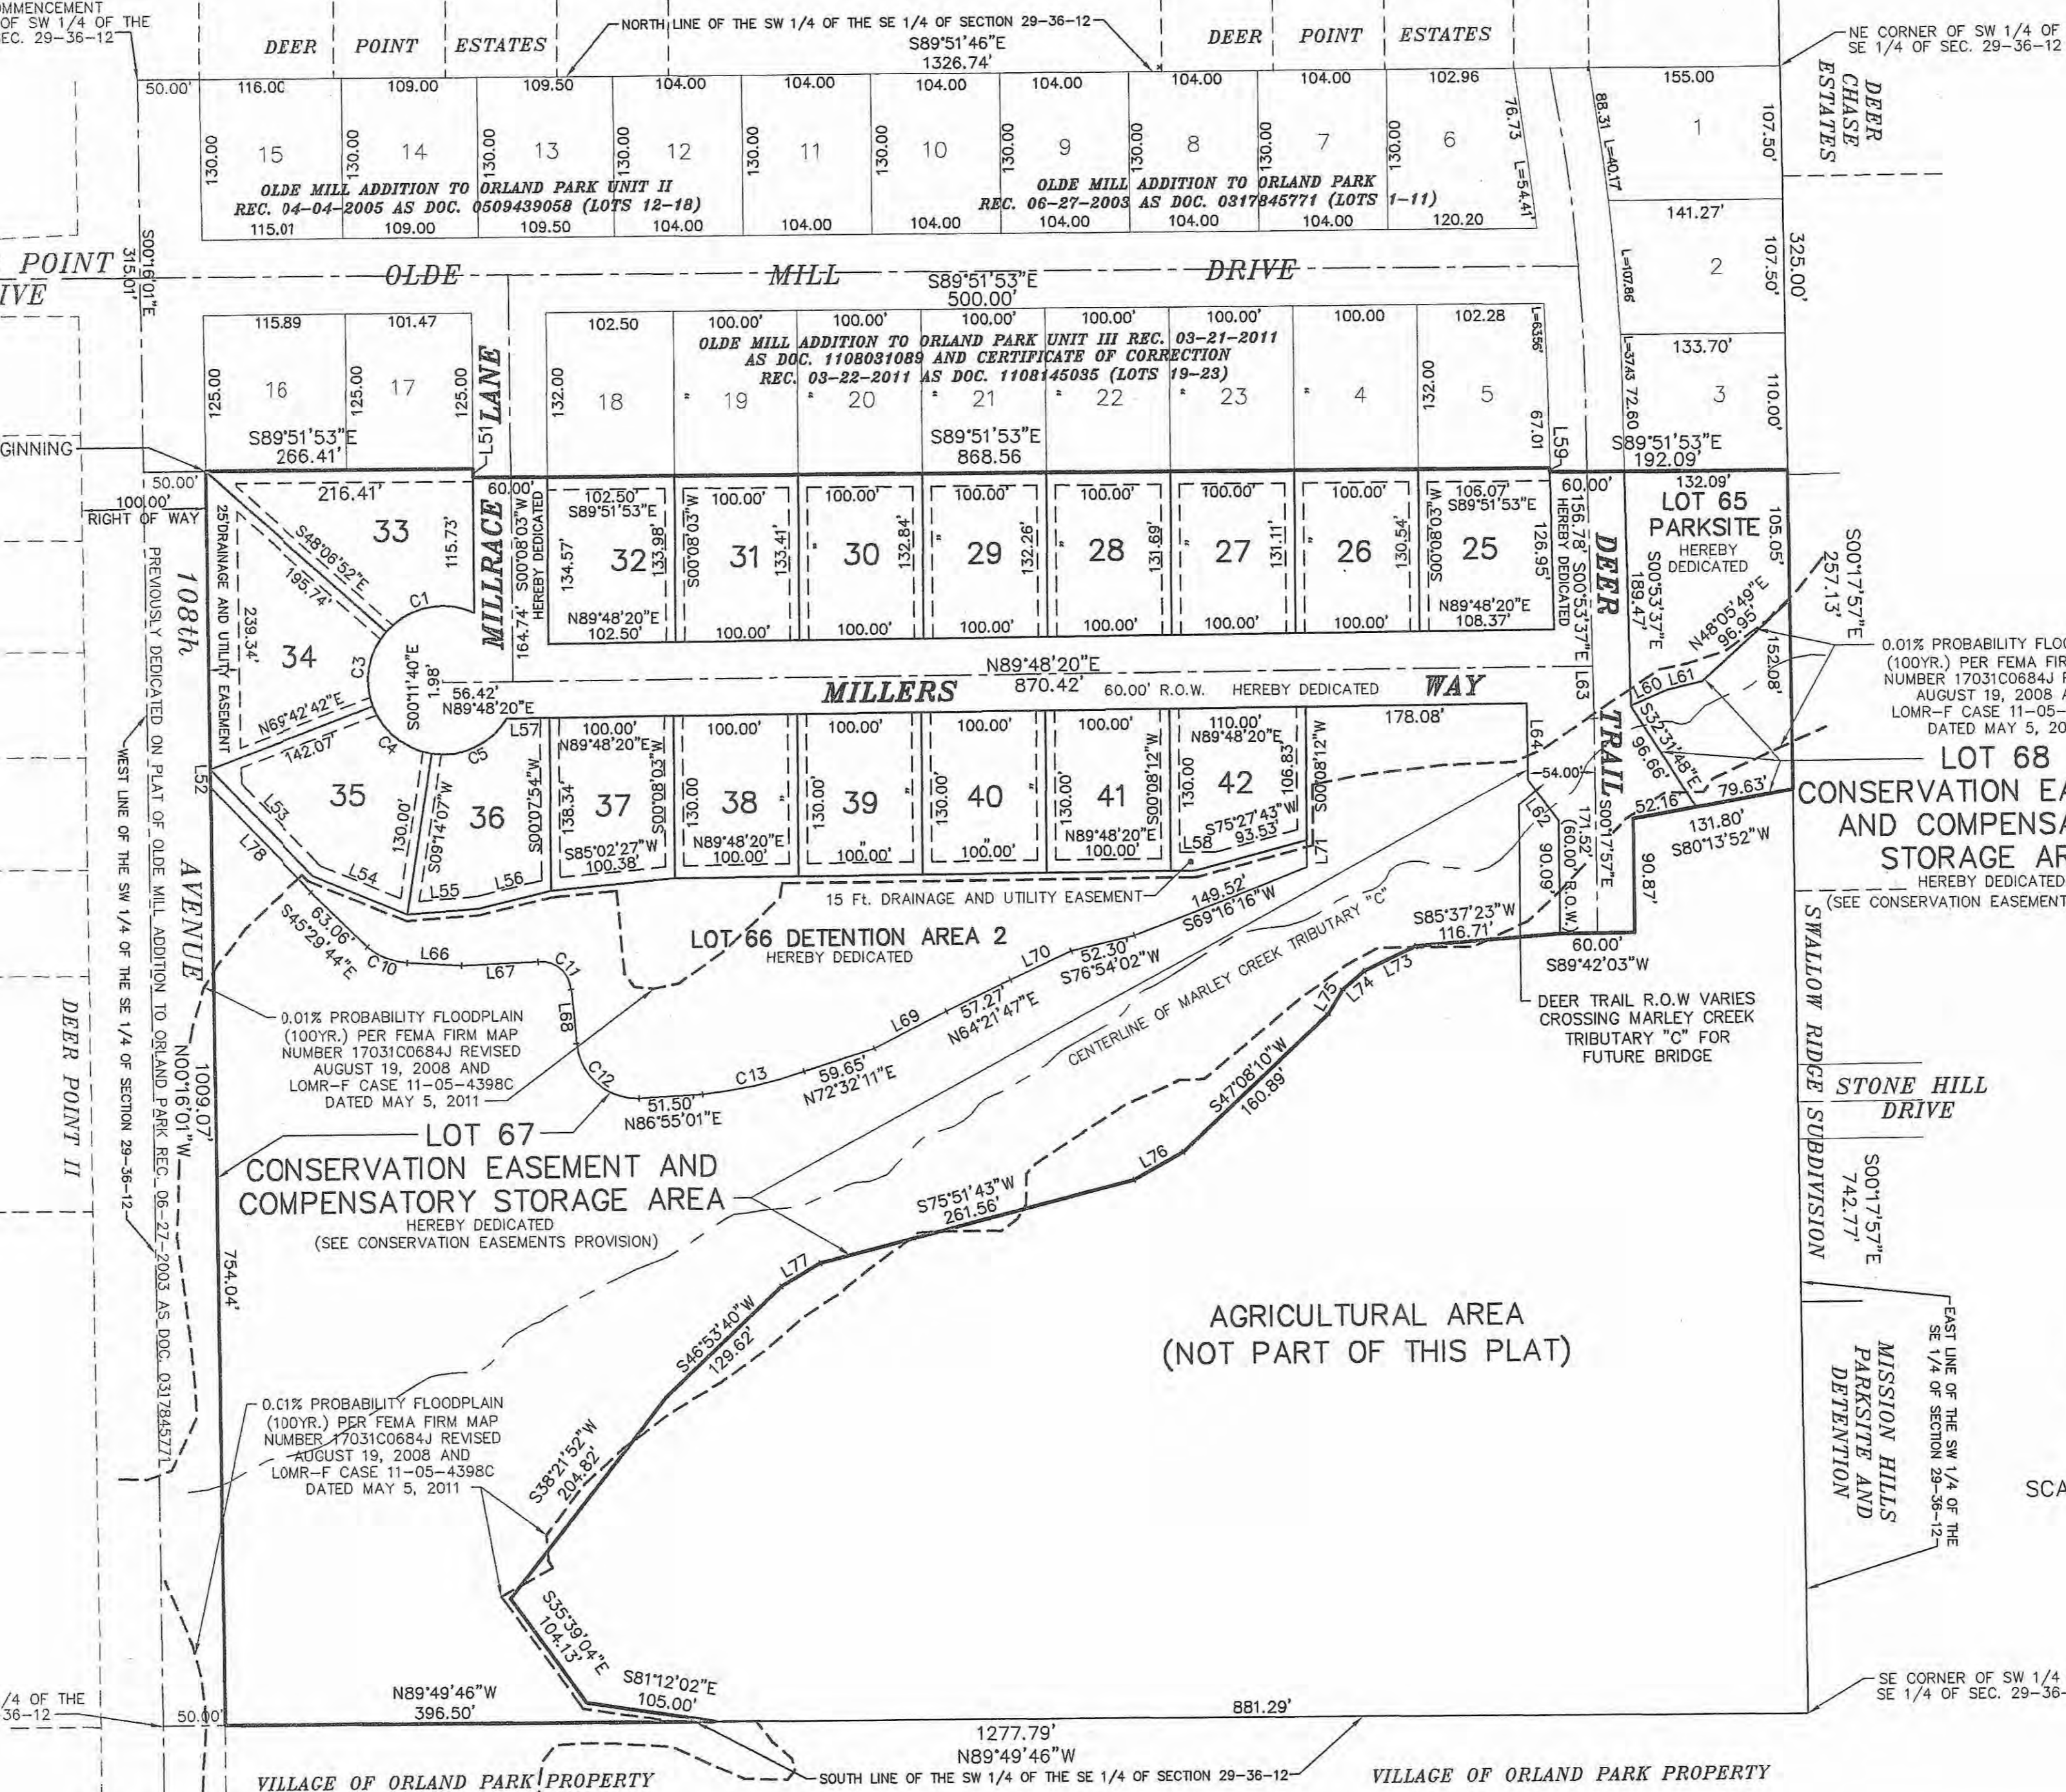

CONSERVATION EASEMENTS:  
Upon acceptance of the property shown hereon as "CONSERVATION AND COMPENSATORY STORAGE AREA" by the Village of Orland Park (hereinafter the "Village"), a quit claim deed shall be recorded dedicating this site to the Village for the purposes set forth herein. Rights granted in the following declaration shall only take effect after said property is deeded to the Village of Orland Park.

- The Village of Orland Park will have the right to enter the property at all reasonable times and to enforce by proceedings in law or equity the covenants and restrictions herein.
- Natural vegetation shall be maintained. All trees and other plant material which naturally becomes diseased or dies may be promptly removed from the conservation easement. Conservation techniques may be employed that are consistent with sound and generally accepted natural resource management practices via written approval from the village, however, there shall be no removal, destruction or cutting of trees or plants permitted within the conservation easement without the prior written approval from the village.

The following actions are not permitted except by prior written consent from the Village unless consistent with and needed to maintain the property as native landscape or as listed in the above procedures:

- Placing dredged or fill material, plowing, or removal of topsoil or other materials.
- Construction of fences, buildings, structures, or other developments, including but not limited to signs, billboards, advertising materials, mobile homes, or trailers.
- Removal or destruction of wildlife, trees, or plants, mowing, application of pesticides or herbicides or removal of flora or fauna.
- Operation of watercraft, cars, trucks, snowmobiles, motorcycles, or any other type of motorized vehicles.
- Hunting, trapping, grazing or keeping of livestock.
- Discarding rubbish of any kind, including but not limited to ashes, trash, garbage, landscape waste, leaves, lawn clippings, household plants, or any other unsightly or offensive materials.
- New or additional utilities placed underground or overhead.
- Modifications to the hydrology of the easement, either directly or indirectly that would allow more water onto or that would drain water away from the easement.

3. These restrictions and covenants shall run with the land and be binding on the owner and its assigns forever.

**EASEMENT PROVISIONS (CONTINUED)**  
PUBLIC UTILITY AND DRAINAGE EASEMENTS:  
An easement is hereby reserved and granted over and under the plotted areas hereon noted as "P.U. & D. EASEMENTS", or "DRAINAGE AND UTILITY EASEMENTS" to American Telephone and Telegraph Company (AT&T), Commonwealth Edison Company, a division of Exelon Corporation (ComEd), Nicor Gas, the Village of Orland Park, the Village approved cable communications company, together with their respective successors and assigns to install, lay, construct, renew, operate, and maintain conduits, cables, wires, sewers, pipes, surface and subsurface drainage and water mains, all of which shall be underground together with all necessary manholes, water valves, and other equipment for the purpose of serving said real estate subdivision with telecommunications and transmissions, electricity, sewer, gas, water service, drainage and other municipal services. Also, there is hereby granted the right to enter upon said real estate at all times to install, lay, construct, renew, operate, and maintain within said real estate said conduits, cables, wires, manholes, water valves, pipes, surface and subsurface drainage and other equipment. The right of ingress and egress is hereby granted over, upon and through the real estate for emergency vehicles of any and all types, for any purpose whatsoever. No permanent building shall hereinafter be placed on the said easement, as determined, but the same may be used for gardens, shrubs, landscaping, and such other purposes that then and later do not reasonably interfere with the uses and rights herein granted. No overhead utility facilities are permitted in these hereby created easements.
