

Toy Box Connection Children's Charity
Orland Park Il 60462

Michelle Maxia here director of Toy Box Connection children's charity of Orland Park.

I am also an Orland Park resident. I have been operating Toy Box Connection since 2007 and we continue to grow ,evolve and help so many families above and beyond toys. Please take time to visit our website www.toyboxconnection.com to see who we are and all that we do.

Last year I hosted our 1st Mental Health and wellness fair for our community "Be Kind to Your Mind" it was a success considering it was our 1st one. Why did I create this event? Tragedy has hit me at a personal level including my own Police officer experience I wanted to raise the bar and awareness for all who may need to connect to the resources that are out there. Most participants on the what I called the wellness warrior side were those businesses right here in Orland park.

I was trying to showcase our own incredible Orland Park and the businesses right here in our own back yard.

W G N radio helped to promote the event as well and have promised to do it again for us this year as well. May is mental health awareness month. We have locked in the 30th of May once again.

I would like to request all fees associated with event please be waived. We as a charity sell nothing so we are asking our Orland Park to help support and promote this day of healing as well as forgoing the expenses that are imparted on us to have the event. We will of course still get the insurance needed that is for all our sake.

The fees not limited to but include

Deposit-temp sign fees-food truck fees-garbage can-possible tent and any other unforeseen fees that are appropriate to waive.

Warmly, Michelle Maxia
